Keep Columbus Beautiful is a volunteer-driven City of Columbus community improvement program within the Department of Public Service and an award-winning affiliate of national not-for profit Keep America Beautiful. Our program provides equipment, supplies and assistance to over 9000 participants per year.

The KCB Adopt an Area program is designed to ensure our main **arteries and major urban corridors** throughout the city remain litter-free and create a positive first –impression of our neighborhoods. As an Adopt an Area Partner you are committing to ongoing abatement of visible trash and debris along the public right of way so these streets remain a safe and economically viable asset to each given community.
