SA004844 - Int Imps Hilliard Rome Rd at Feder Rd

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

City funded Professional Services Ad

1.1 Scope: The City of Columbus, Department of Public Service is receiving proposals until 1:00 P.M. March 28, 2013, for professional engineering consulting services for the Intersection Improvements - Hilliard-Rome Road at Feder Road project. Proposals are being received electronically by Department of Public Service, Office of Support Services. Proposals shall be submitted to DPSRFP@columbus.gov.

This project includes preliminary and final engineering for improvements to the intersection of Hilliard-Rome Road at Feder Road/Fisher Road. Design will proceed in two parts with Part 1 being that defined within the Scope of Services below. The specific scope of work for Part 2 will be developed upon completion of Part 1.

The intersection of Hilliard-Rome Road at Feder Road/Fisher Road intersection is operating well above its capacity. Upon completion of an upcoming interchange project on the westbound exit ramps, vehicles will exit I-70 with less delay which may further increase backups at the Hilliard-Rome at Feder/Fisher intersection. The primary goal of this project is to improve capacity of the Hilliard-Rome at Feder/Fisher intersection. In accomplishing this goal, considerations should also be made to improving safety for vehicles using intersections and driveways impacted by the function of the Hilliard-Rome at Feder/Fisher intersection and to complete street improvements. Since the function of the intersection is dependent on the function of the intersection of the I-70 eastbound exit ramp at Hilliard-Rome and the I-70 eastbound entrance ramp from Hilliard-Rome, those should also be studied for potential improvements that would further relieve congestion at the Hilliard-Rome at Feder/Fisher intersection.

The primary goals of the Part 1 contract are to determine current and future traffic needs, develop and evaluate conceptual alternatives to address the project goals, and select a preferred alternative to be advanced to the Part 2 contract. The remaining Preliminary Engineering and Final Engineering will be performed in Part 2.

The selected Consultant shall attend a scope meeting anticipated to be held on/about April 11, 2013. If the Project Manager is not available, the Consultant may designate an alternate(s) to attend in his/her place.

1.2 Classification: Firms wishing to submit a proposal must meet the mandatory requirements stated in the RFP. All questions concerning the RFP are to be sent to capitalprojects@columbus.gov. The last day to submit questions is March 21, 2013. Responses will be posted on the Vendor Services web site as an addendum. Phone calls will not be accepted.
