SIGNING OF LEGISLATION

(Note: There was no City Council meeting on *Monday, August 25, 2014*; subsequently, there is no passed or defeated legislation included in this edition.)

The City Bulletin Official Publication of the City of Columbus

Published weekly under authority of the City Charter and direction of the City Clerk. The Office of Publication is the City Clerk's Office, 90 W. Broad Street, Columbus, Ohio 43215, 614-645-7380. The City Bulletin contains the official report of the proceedings of Council. The Bulletin also contains all ordinances and resolutions acted upon by council, civil service notices and announcements of examinations, advertisements for bids and requests for professional services, public notices; and details pertaining to official actions of all city departments. If noted within ordinance text, supplemental and support documents are available upon request to the City Clerk's Office.

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

CITY OF COLUMBUS FORMAL BID OPPORTUNITIES ARE UPDATED DAILY AT:

<http://vendorservices.columbus.gov/e-proc/venSolicitationsAll.asp?link=Open+Solicitations&cboType=B>

Each proposal shall contain the full name and address of every person, firm or corporation interested in the same, and if corporation, the name and address of the President and Secretary.

EQUAL OPPORTUNITY CLAUSE: Each responsive bidder shall submit, with its bid, a contract compliance certification number or a completed application for certification. Compliance with the provisions of Article I, Title 39, is a condition of the contract. Failure to comply with this Article may result in cancellation of the contract.

WITHHOLDING OF INCOME TAX: All bidders are advised that in order for a contract to bind the City, each contract must contain the provisions found in Section 361.35 C.C.C. with regard to income taxes due or payable to the City of Columbus for wages, salaries and commissions paid to the contractor's employees as well as requiring those contractors to ensure that subcontractors withhold in a like manner.

LOCAL CREDIT: In determining the lowest bid for a contract the local bidder credit will not be applied.

FOR COPIES OF ANY OF THE FOLLOWING BID PROPOSALS CALL THE LISTED DIVISION

BID OPENING DATE - September 4, 2014 11:00 am

SA005549 - 10 FT AND 11 FT SNOW PLOWS

BID NOTICES - PAGE # 1

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

1.1 Scope: It is the intent of the City of Columbus, Division of Infrastructure Management to obtain formal bids to establish a contract for the purchase of three (3) 10 Ft. Snow Plows and three (3) 11 Ft. Snow Plows, for the upcoming snow season. The specifications will describe the plows to be purchased.

1.2 Classification: The contract resulting from this bid proposal will provide for the purchase and delivery of three (3) 10 Ft. Snow Plows and three (3) 11 Ft. Snow Plows. Bidders are required to show experience in providing these types of equipment and warranty service as detailed in these specifications.

1.2.1 Bidder Experience: The snow plow offeror must submit an outline of its experience and work history in these types of equipment and warranty service for the past five years.

1.2.2 Bidder References: The snow plow offeror shall have documented proven successful contracts from at least four customers that the offeror supports that are similar in scope, complexity, and cost to the requirements of this specification.

1.2.3 Specification Questions: Questions regarding this bid must be sent in writing via email to vendorservices@columbus.gov no later than 11:00 a.m. (local time) on August 18, 2014. Responses will be posted as an addendum to this bid on the City's website (vendorservices.columbus.gov) no later than 11:00 a.m. (local time) on August 21, 2014. See Section 3.2.4 for additional details.

For additional information concerning this bid, including procedures for obtaining a copy of the bid document(s) and how to submit a proposal, you must go to the City of Columbus Vendor Services web page (<http://vendorservices.columbus.gov>) and view this bid number in the open solicitations listing.

BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

SA005532 - Flygt Pump Parts & Service UTC

1.1 Scope: It is the intent of the City of Columbus, Division of Sewerage and Drainage to solicit bids to establish an option contract(s) for the purchase of OEM Flygt Pump and Mixer Parts and Service. The parts will be used for maintenance and repair of Flygt systems within the City's two (2) wastewater treatment plants and the wastewater system managed by the Sewer Maintenance Operations Center. Bidders are asked to bid firm or fixed prices for the items listed and provide price lists for items not specifically listed for the existing pump and mixer models, as well as hourly service rates. The City estimates it will spend approximately \$150,000.00 annually under the term of any resulting contract, with \$100,000.00 estimated for parts and \$50,000.00 estimated for services. The proposed contract will be in effect from the date of execution by the City to and including November 30, 2016.

1.2 Classification: The Division of Sewerage and Drainage uses Xylem (formerly ITT) Flygt equipment that requires replacement parts and services. The contract resulting from this proposal will enable the Division of Sewerage and Drainage to purchase replacement parts and services on as needed basis for the term of the contract. The City will provide all installation requirements; however, bidders are asked to bid hourly service pricing. Bidders must be an authorized provider of Xylem Flygt parts and services. The City of Columbus reserves the right to verify through Xylem Flygt that companies are authorized providers.

1.2.1 Bidder Experience: The Flygt Pump and Mixer Parts and Service equipment offeror must submit an outline of its experience and work history in these types of equipment and repair service for the past five years.

1.2.2 Bidder References: The Flygt Pump and Mixer Parts and Service equipment offeror shall have documented proven successful contracts from at least four customers that the offeror supports that are similar in scope, complexity, and cost to the requirements of this specification.

For additional information concerning this bid, including procedures for obtaining a copy of the bid document(s) and how to submit a proposal, you must go to the City of Columbus Vendor Services web page (<http://vendorservices.columbus.gov>) and view this bid number in the open solicitations listing.

BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

SA005542 - Morse Rd Preserve TIF Improvements Ph 1

Electronic proposals will be received by the Department of Public Service through www.bidx.com, until 3:00 P.M. local time, Tuesday, August 26, 2014, for the Arterial Street Rehabilitation - Morse Road - Preserve TIF Improvements Phase 1 project, C.I.P. No. 530103-100044.

Hard copy proposals will not be accepted by the City.

The work for which proposals are invited consists of: widening Morse Road to a 3-lane section from Trellis Lane/Underwood Farms Blvd to a point approximately 1,400' west of Johnstown Road. Morse Road will be milled and overlaid within the limits of the widening. A 10' shared use path will be constructed on the north side of Morse Road over the entire length of the project. Additional improvements include signage, street lighting, street trees, storm sewers, bioretention basin, curb ramps, and traffic control devices, and other such work as may be necessary to complete the contract in accordance with the plans and specifications set forth at www.bidx.com.

Bidders who wish to learn more about the Bid Express service or to sign up for an account can visit the Bid Express web site at www.bidx.com or call Bid Express customer support at 1-888-352-BIDX for information. Bidders must also have an account with one of Bid Express' surety verification companies, either Surety 2000 (www.surety2000.com/default.asp) or Insure Vision (www.web.insurevision.com/ebonding/). Contact them directly to set up an account.

Bidders must have an account with Bid Express and either Surety 2000 or Insure Vision in order to bid on this project.

Effective 01/01/15, companies must be prequalified by the City to be awarded a construction contract or to be a subcontractor on a newly awarded construction contract. Applications for 2015 prequalification will be accepted through October 31, 2014. Go to <http://www.columbus.gov/prequalification.aspx> if you have questions about the prequalification process or to obtain a prequalification application.

SA005564 - R&P - Camp Chase Rail Trail

BID NOTICES - PAGE # 6

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

ADVERTISEMENT FOR BIDS

Paper proposals will be received by the City of Columbus, Department of Recreation & Parks, Division of Planning & Design, at 1111 East Broad Street, Columbus, OH 43205 until 11:00 A.M. local time on September 5, 2014, and publicly opened and read immediately thereafter for:

Camp Chase Rail Trail

The work for which proposals are invited consists of: Construction of a 2.9 mile section of multiuse trail located adjacent to the active Camp Chase Railroad. Project includes construction of two new single span, prefabricated, steel, truss, bridges crossing South Fork Dry Run and Dry Run and other such work as may be necessary to complete the contract in accordance with the plans and specifications set forth in the Bid Submittal Documents.

Copies of plans and specifications will be available on August 19, 2014 at ARC, 1159 Dublin Road, Columbus, OH 43215, upon a non-refundable payment per bid set to ARC. Bidders may contact ARC at (614) 224-5149 or via their website www.e-arc.com for the cost of bid sets.

Questions must be emailed and can be submitted to Brad Westall at 614.645.2441 or at brwestall@columbus.gov. Questions must be received by 1:00 pm September 2, 2014.

In order for a Proposal to be considered responsive, the bidder must submit all required information for the project on the proper forms, P-1 through P-49, in a sealed envelope marked "Camp Chase Rail Trail".

All materials submitted in response to this advertisement will become part of the awarded contract; will become the property of the City and will not be returned; and will be considered public records subject to disclosure as contemplated by Ohio Revised Code Section 149.43. All materials received will be open to the public once the sealed proposals are publicly opened and read.

CONSTRUCTION AND MATERIAL SPECIFICATIONS

Numbered paragraphs to which reference is made in these Contract Documents refer to City of Columbus, Ohio Construction and Material Specifications (CMS), 2012 edition (1) and will become part of the terms and conditions of the contract to be awarded. Hard copies of this document are available for examination or purchase at the Department of Public Service, 109 N. Front St, 3rd Floor, Room 301, Columbus, Ohio 43215 (614) 645-8376, and at the office of the Director of Public Utilities, 910 Dublin Rd., 4th Floor, Columbus, Ohio 43215, (614) 645-6141. An electronic version of the document can be viewed at <http://publicservice.columbus.gov/DocListing.aspx?id=47645>

(1) Some bids may refer back to the 2002 edition. For these bids, all sections of the 2002 edition of the CMS are applicable except for section 100, in which case the 2012 edition supersedes.

PROPOSAL GUARANTY

The bidder is required to submit a Proposal Guaranty, in the form of a Proposal Bond or Certified Check, with a surety or sureties licensed to conduct business in the State of Ohio. The amount of the guaranty shall be ten (10) percent of the bid amount or numerically in dollars and cents, including all alternates submitted which increases the amount of the bid. All bonds signed by an agent must be accompanied by a surety power of attorney, most recent surety financial statement, and current Ohio

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

Department of Insurance Certificate of Compliance.

PREVAILING WAGE RATE

Bidders must comply with the prevailing wage rates on Public Improvements in Franklin County and the City of Columbus, Ohio as determined by the Ohio Bureau of Employment Services, Wage and Hour Division (614) 644-2239.

CONTRACT PERFORMANCE AND PAYMENT BOND

A contract performance and payment bond in the amount of 100 percent of the contract price with a surety or sureties licensed to conduct business in the State of Ohio according to Section 103.05 of the City of Columbus Construction & Materials Specifications, 2012 edition, will be required to assure the faithful performance of the work. All bonds signed by an agent must be accompanied by a surety power of attorney, most recent surety financial statement, and current Ohio Department of Insurance Certificate of Compliance

PRE-BID CONFERENCE

A pre-bid conference will be held August 28, 2014 at 10:00 am on location at the Broad Street rail road viaduct. Parking and access is available behind the Great Western Shopping Center (head to the SE corner of the complex) located near 60 N. Wilson Rd. Bidders are strongly urged to attend. Failure to attend will not disqualify a bidder. However, bidders shall comply with and be responsible for the bid specifications and information discussed at the pre-bid conference.

CONTRACT COMPLETION

The City anticipates issuing a notice to proceed within 4 to 6 weeks from the bid opening. All work is to be complete by September 1, 2015 or 11 months from Notice to Proceed.

BID CANCELLATION AND REJECTIONS

The Director of Recreation & Parks may cancel the Advertisement for Bids, reject any or all bids, waive technicalities, or hold bids for a period of 180 days after the bid opening, and/or advertise for new bids, without liability to the City.

PREQUALIFICATIONS

Effective January 01, 2015 (per Section 329.21(g)); only potential bidders prequalified responsible or prequalified provisionally responsible may be awarded a contract for city construction service work. Only licensed construction trade subcontractors prequalified responsible or prequalified provisionally responsible may subcontract or perform on city construction service work. No business entity prequalified not responsible may receive or perform city construction service work.

For specific questions regarding the application process, contact the main line at (614) 645-0359, or via email at prequalification@columbus.gov.

CONTRACT COMPLIANCE REQUIREMENTS

The City of Columbus encourages the participation of city certified minority and female business enterprises. While participation of and/or partnering with city certified minority and female owned businesses is not a condition of bid award, it is strongly encouraged. On the following pages, bidders shall identify all subcontractor(s) to whom they propose to subcontract any part of this project on which they are bidding/proposing. All bidders shall

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

include in their bid/proposal, the anticipated cost and scope of work that will be performed by all subcontractor(s), along with their contract compliance number(s).

Bidders will be given seven (7) business days after the bid submittal date to update expired contract compliance information for renewal of numbers or to initially apply for a number. If said information has not been updated within 7 business days from the bid submittal date, the bid/proposal will be deemed non-responsive and will no longer be considered.

All contractors and subcontractors who are party to a contract as defined in Columbus City Code 3901.01, must hold valid contract compliance certification numbers before the contract is executed.

This information is gathered and monitored by the Equal Business Opportunity Commission Office (EBOCO). Please contact EBOCO for assistance with identifying potential Minority contractors. Information on contract compliance certification is available at <http://eboco.columbus.gov>

SA005576 - LAND REDVT-DEMOLITION & ASBESTOS REMOVAL

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

DEMOLITION, ASBESTOS REMOVAL, AND DECONSTRUCTION SERVICES - LAND BANK PROGRAM

The City of Columbus Department of Development has demolished over 400 structures since the beginning of 2013 and seeks to establish contracts to demolish structures for the remainder of 2014 and 2015. The demolition contractors will be selected on criteria contained in this Request for Proposals (RFP) and will be eligible to receive contracts to provide all labor, material, and equipment necessary to demolish structures and perform asbestos abatement services.

Interested contactors must respond to this RFP and submittals will be reviewed by an Evaluation Committee. The City seeks to hire multiple contractors to perform the services at the same price. An initial list of contractors will be selected based the list of qualifications and selection criteria contained herein and will negotiate final pricing with those contractors. The initial contracts will total \$2,000,000. The City reserves the right to cap the dollar amount of contracts awarded to one contractor at any one time and may increase contract amounts as additional funds become available.

In addition, contractors may submit a proposal for deconstruction projects. Deconstruction projects will require additional work, performance standards, and the submittal of a work manifest itemizing materials deconstructed.

For additional information concerning this bid, including procedures for obtaining a copy of the bid document(s) and how to submit a proposal, you must go to the City of Columbus Vendor Services web page (<http://vendorservices.columbus.gov>) and view this bid number in the open solicitations listing. Note: Detailed specifications are attached to page 2 of Solicitation.

SA005575 - Roadway Imps - General Engineering 2014

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

1.1 Scope: The City of Columbus, Department of Public Service, is receiving proposals until 1:00 P.M. September 18, 2014, for professional engineering consulting services for the Roadway, Bikeway, and Pedestrian Improvements - General Engineering (2014) project. Proposals are being received electronically by the Department of Public Service, Office of Support Services. Proposals shall be submitted to DPSRFP@columbus.gov.

The intent of this project is to provide the Department of Public Service with additional resources to perform various professional engineering and surveying tasks. The projects developed under this program are typically small to moderate size improvements, and frequently include a significant emphasis on pavement rehabilitation, curb replacement, sidewalks, multi-use paths, curb ramps, drainage, minor intersection improvements, bridge repair/rehabilitation, bikeway markings and signage, and other minor rehabilitations as requested.

The selected Consultant shall be expected to work on multiple projects concurrently and shall be readily available to perform necessary tasks to provide the desired deliverables when requested by the City. The ability to complete projects in a short timeframe will be a critical point in the evaluation process.

The selected Consultant shall attend a scope meeting anticipated on or about October 6, 2014. If the Project Manager is not available, the Consultant may designate an alternate(s) to attend in his/her place.

1.2 Classification: Firms wishing to submit a proposal must meet the mandatory requirements stated in the RFP. All questions concerning the RFP are to be sent to capitalprojects@columbus.gov. The last day to submit questions is September 11, 2014. Responses will be posted on the Vendor Services web site as an addendum. Phone calls will not be accepted.

SA005562 - DOSD WOODWARD AVE DETENTION BASIN IMPROV

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

SCOPE: The City of Columbus, Ohio is inviting professional engineering consulting firms, or teams including such firms, to submit Proposals to furnish professional services for the City of Columbus, Department of Public Utilities, Division of Sewerage and Drainage (DOSD), for Capital Improvement Project Number 610792-100002 --- Woodward Avenue Detention Basin Improvements pursuant to Columbus City Code 329.14. Proposals will be received at the Division of Sewerage and Drainage, 1250 Fairwood Avenue, Room 1021, Columbus, Ohio 43206 until close of business on Friday, September 19, 2014. The primary scope of this project is the preparation of construction documents to modify the existing Woodward Avenue detention basin to include water quality features such as forebay and micropool and to replace all or portions of existing mowed grassed areas with plantings that will increase nutrient removal, increase water infiltration, and reduce maintenance. The project area is located on the south side of Woodward Avenue approximately 1000 feet west of Woodland Avenue.

Project Manager or Lead Project Engineer must have design experience for a minimum of 2 constructed detention basins of similar size to this project. The basins must have included forebays and micropools and been in operation for at least a year. Also project team must have design experience preparing landscape plans for a minimum of 2 constructed projects at least one year old that included vegetation applicable to this project.

Proposals will be reviewed by the City and the City will enter into contract negotiations with the highest ranked offeror. If negotiations fail with offeror they shall be terminated and the City will enter into contract negotiations with the next highest ranked offeror. This process will continue until the contract is successfully negotiated.

CLASSIFICATIONS: ALL OFFERORS ARE REQUIRED TO OBTAIN A COPY OF THE INFORMATION PACKAGE, which will be available for pick-up at 1250 Fairwood Avenue, Room 1021, Columbus, Ohio 43206. Contact Lisa Diller, 614-645-0485 lldiller@columbus.gov, with questions on obtaining Information Package or to have package sent via mail. There is no charge for the first information package. Any subsequent packages shall be \$25.00.

QUESTIONS: All questions regarding this RFP are to be submitted in writing via email as soon as possible but no later than the close of business on Wednesday September 10, 2014, to Mike Griffith, PE mpgriffith@columbus.gov. If necessary an addenda will be issued by Friday, September 12, 2014.

For additional information concerning this request, including procedures for obtaining a copy of the of the RFP, you must go to the City of Columbus Vendor Services web page (<http://vendorservices.columbus.gov>) and view this bid number in the open solicitations listing.

BID OPENING DATE - September 24, 2014 3:00 pm

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

SA005569 - POWER-CONVERSION OF CIRCUIT 7218

Paper proposals will be received by the City of Columbus, Department of Public Utilities, Division of Power, at 910 Dublin Road, 4th Floor, Columbus, Ohio until 3:00 P.M. local time, and publicly opened and read at 910 Dublin Road, 1st Floor Auditorium, Columbus, Ohio at 3:00 P.M. local time on September 24, 2014 for Conversion of Circuit 7218, C.I.P. No. 670829-100001. The work for which proposals are invited consists of providing the necessary labor, equipment and material to convert existing Circuit 7218 to 14.4kV. This will require the contractor to upgrade poles, conductor, insulators, switches and other equipment, and transferring street lighting and other such work as may be necessary to complete the contract in accordance with the plans and specifications set forth in the Bid Submittal Documents.

Copies of plans and specifications are available to prospective bidders at the Utility Permit Office, 3rd Floor, 910 Dublin Road, Columbus, Ohio, 43215. The first bid set is free, additional sets will be \$25 (no partial sets).

Questions must be submitted by email and can be submitted to Dan Clark, Division of Power at DClark@Columbus.Gov. Questions must be received by noon on September 17, 2014.

In order for a Proposal to be considered responsive, the bidder must submit all required information for the project as outlined in the advertisement for bids.

All materials submitted in response to this advertisement will become part of the awarded contract; will become the property of the City and will not be returned; and will be considered public records subject to disclosure as contemplated by Ohio Revised Code Section 149.43. All materials received will be open to the public once the sealed proposals are publicly opened and read.

CONSTRUCTION AND MATERIAL SPECIFICATIONS

Unless otherwise specified or modified by special provisions contained herein, the City of Columbus, Ohio Construction and Material Specifications (CMS), 2012 edition will become part of the terms and conditions of the proposal and the contract to be awarded. Hard copies of this document are available for examination or purchase at the Department of Public Service, 50 W. Gay St., First Floor, Room 100, Columbus, Ohio 43215 (614) 645-8376, and at the office of the Director of Public Utilities, 910 Dublin Rd., 4th Floor, Columbus, Ohio 43215, (614) 645-6141. An electronic version of the document can be viewed at <http://columbus.gov/Templates/Detail.aspx?id=65097>

PROPOSAL GUARANTY

The bidder is required to submit a Proposal Guaranty, in the form of a Proposal Bond or Certified Check, with a surety or sureties licensed to conduct business in the State of Ohio. The amount of the guaranty shall be ten (10) percent of the bid amount or numerically in dollars and cents, including all alternates submitted which increases the amount of the bid. All bonds signed by an agent must be accompanied by a surety power of attorney, most recent surety financial statement, and current Ohio Department of Insurance Certificate of Compliance.

PREVAILING WAGE RATE

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

Bidders must comply with the prevailing wage rates on Public Improvements in Franklin County and the City of Columbus, Ohio as determined by the Ohio Bureau of Employment Services, Wage and Hour Division (614) 644-2239. The City recommends the Prime Contractor obtain the completed Prevailing Wage affidavit from all subcontractors upon completion of the sublet portions of work, and prior to providing final payment to subcontractors.

CONTRACT PERFORMANCE AND PAYMENT BOND

A contract performance and payment bond in the amount of 100 percent of the contract price with a surety or sureties licensed to conduct business in the State of Ohio according to Section 103.05 of the City of Columbus Construction & Materials Specifications, 2012 edition, will be required to assure the faithful performance of the work. All bonds signed by an agent must be accompanied by a surety power of attorney, most recent surety financial statement, and current Ohio Department of Insurance Certificate of Compliance

PRE-BID CONFERENCE

There will be a Pre-bid Conference for this project on September 11, 2014 at 10:00 A.M. at 3500 Indianola Avenue, Columbus, Ohio 43214.

CONTRACT COMPLETION

The work under this contract shall be completed in a manner acceptable to the City within 180 calendar days after the date of the Notice to Proceed.

BID CANCELLATION AND REJECTIONS

The Director of Public Utilities may cancel the Advertisement for Bids, reject any or all bids, waive technicalities, or hold bids for a period of 180 days after the bid opening, and/or advertise for new bids, without liability to the City.

CONTRACT COMPLIANCE REQUIREMENTS

The City of Columbus encourages the participation of city certified minority and female business enterprises. While participation of and/or partnering with city certified minority and female owned businesses is not a condition of bid award, it is strongly encouraged.

On the following pages, bidders shall identify all subcontractor(s) to whom they propose to subcontract any part of this project on which they are bidding/proposing. All bidders shall include in their bid/proposal, the anticipated cost and scope of work that will be performed by all subcontractor(s), along with their contract compliance number(s).

Bidders will be given seven (7) business days after the bid submittal date to update expired contract compliance information for renewal of numbers or to initially apply for a number. If said information has not been updated within 7 business days from the bid submittal date, the bid/proposal will be deemed non-responsive and will no longer be considered.

All contractors and subcontractors who are party to a contract as defined in Columbus City Code 3901.01, must hold valid contract compliance certification numbers before the contract is executed.

This information is gathered and monitored by the Equal Business Opportunity Commission Office (EBOCO). Please contact EBOCO for assistance with identifying potential Minority contractors. Information on contract compliance certification is available at <http://eboco.columbus.gov>

SA005567 - DPU/WATER/F550 W/DUMP BODY & CNG CONV.

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

1.0 SCOPE AND CLASSIFICATION

1.1 Scope: It is the intent of the City of Columbus, Division of Water, to obtain formal bids to establish a contract for the purchase of one (1) 2015 Ford F550 4x2 Standard Cab or most current model, with a dedicated Compressed Natural Gas Engine and equipped with Dump Body. The vehicle will be used by the Water Distribution Maintenance Operations Center. The specifications will describe the truck and equipment.

1.2 Classification: The contract resulting from this bid proposal will provide for the purchase and delivery of one (1) 2015 Ford F550 4x2 Standard Cab or most current model, with a dedicated Compressed Natural Gas Engine and equipped with a Dump Body. All offerors must document a Ford F550 with a dedicated Compressed Natural Gas Engine and equipment certified reseller partnership. Bidders are required to show experience in providing these types of equipment and warranty service as detailed in these specifications.

1.2.1 Bidder Experience: The offeror must submit an outline of its experience and work history in these types of equipment and warranty service for the past five years.

1.2.2 Bidder References: The truck and warranty service offeror shall have documented proven successful contracts from at least four customers that the offeror supports that are similar in scope, complexity, and cost to the requirements of this specification.

1.2.3 Specification Questions: Questions regarding this bid must be sent in writing via email to vendorservices@columbus.gov no later than 11:00 a.m. (local time) on September 8, 2014. Responses will be posted as an addendum to this bid on the City's website (vendorservices.columbus.gov) no later than 5:00 p.m. (local time) on September 12, 2014.

For additional information concerning this bid, including procedures for obtaining a copy of the bid document(s) and how to submit a proposal, you must go to the City of Columbus Vendor Services web page (<http://vendorservices.columbus.gov>) and view this bid number in the open solicitations listing.

SA005561 - 75' Aerial Bucket Truck

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

1.1 Scope: It is the intent of the City of Columbus, Division of Power, to obtain formal bids to establish a contract for the purchase and immediate delivery of one (1) 75 foot insulated aerial bucket truck with utility body and hybrid electric drive. This truck will be used by the Power Division when working on various distribution circuits.

1.2 Classification: The contract resulting from this bid proposal will provide for the purchase and delivery of one (1) 75 foot insulated aerial bucket truck with utility body and hybrid electric drive. All offerors must document a 75 foot insulated aerial bucket truck certified reseller partnership. Bidders are required to show experience in providing these types of equipment and warranty service as detailed in these specifications.

1.2.1 Bidder Experience: The 75 foot insulated aerial bucket truck with utility body and hybrid electric drive offeror must submit an outline of its experience and work history in these types of equipment and warranty service for the past five years.

1.2.2 Bidder References: The 75 foot insulated aerial bucket truck with utility body and hybrid electric drive and warranty service offeror shall have documented proven successful contracts from at least four customers that the offeror supports that are similar in scope, complexity, and cost to the requirements of this specification.

1.2.3 Specification Questions: Questions regarding this bid must be sent in writing via email to vendorservices@columbus.gov no later than 11:00 a.m. (local time) on September 15, 2014. Responses will be posted as an addendum to this bid on the City's website (vendorservices.columbus.gov) no later than 11:00 a.m. (local time) on September 18, 2014. See Section 3.2.4 for additional details.

For additional information concerning this bid, including procedures for obtaining a copy of the bid document(s) and how to submit a proposal, you must go to the City of Columbus Vendor Services web page (<http://vendorservices.columbus.gov>) and view this bid number in the open solicitations listing.

SA005573 - O'Shaughnessy Dam Hydroelectric Project

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

The City of Columbus, Ohio is now soliciting proposals from experienced professional consulting/engineering firms to provide full-service assistance to the City for the investigation, inspection and safety evaluation of the O'Shaughnessy Dam Hydroelectric Project for the Seventh Independent Consultant's Part 12D Safety Inspection, for the Department of Public Utilities, Division of Water (DOW). The Columbus Division of Water (DOW) owns and operates a high hazard dam, water supply reservoir and hydroelectric power generating plant on the Scioto River near Shawnee Hills, Ohio known as the O'Shaughnessy Dam Hydroelectric Project (Project), Federal Energy Regulatory Commission (FERC) Project No. P-2943, NID No. OH00751. As a condition for continued operation in accordance with the Federal Power Act, the DOW must commission periodic inspections of the Project by a qualified Independent Consultant as defined in CFR Title 18, Part 12, Sub-part D. The work for which proposals are sought consists of the performance of one such periodic inspection in fulfillment of FERC requirements as outlined in CFR TITLE 18, PART 12, SUB-PART D. CFR TITLE 18, PART 12, SUB-PART D can be found at the Federal Energy Regulatory Commission website (www.ferc.gov).

SA005538 - DESIGN INTERACTIVE EDUCATION ST EXHIBIT

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

SCOPE: The City of Columbus, Ohio is inviting professional engineering consulting firms, or teams including such firms, to submit Proposals to furnish professional services for the City of Columbus, Department of Public Utilities, Division of Sewerage and Drainage (DOSD), for Capital Improvements Project Number 611023-100000 - DESIGN OF AN INTERACTIVE EDUCATIONAL STORMWATER EXHIBIT pursuant to Columbus City Code 329.14. Proposals will be received at the Division of Sewerage and Drainage, 1250 Fairwood Avenue, Room 1021, Columbus, Ohio 43206 until 5:00 P.M. on Friday, October 3, 2014.

General Project Descriptions

611023-100000 --- DESIGN OF AN INTERACTIVE EDUCATIONAL STORMWATER EXHIBIT

The City of Columbus Division of Sewerage and Drainage (DOSD) initiated CIP 611023 in partnership with the Grange Insurance Audubon Center (GIAC) and Columbus and Franklin County Metropolitan Parks District to create a cohesive, interactive educational site with unique experiences that engage visitors in learning about how individual behaviors impact the community. The Environmental Protection Agency has said that pollution carried by stormwater is the biggest threat to our waterways and individual daily activities; can greatly reduce the amount of pollution entering our streams.

The project area is the GIAC facility at 505 West Whittier St., Columbus, OH 43215, and the land immediately surrounding it. This area already houses many green features in and around its building, including examples of stormwater BMPs which will be made interactive and part of a comprehensive educational site as part of this project. The site contains space available for the construction of one new stormwater management feature which will be included in this design.

giac-audubon.org/Tour/home.html hosts a view of the GIAC and Scioto Audubon Metro Parks site and highlights some of the features found there.

Target Audiences shall include but may not be limited to:

- * All age groups
- * Students
- * Families
- * Home Owner Associations
- * Developers/contractors

Visitor Experiences shall include but may not be limited to:

- * Guided as part of educational program
- * STEM-compatible curriculum for grades 3 through 8
- * Self-guided opportunities through exhibits/displays, apps, website, brochures and signage
- * Convey our message to developers/contractors/building owners and managers (USGBC, BOMA)
- * Metro Parks and GIAC's story is captured and conveyed (lessons learned)
- * Cost/benefits of implementing stormwater BMPs
- * Demonstrate life cycle cost

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

- * Inspire confidence, expertise, credibility
- * Convey understanding of watersheds, flow of water to tributaries, rivers, and ultimately to the Gulf of Mexico

Learning Outcomes and visitor take-aways shall include but may not be limited to:

- * Able to apply what was learned
- * Understand large scale (example: cistern) applications vs. small scale (example: rain barrel) applications
- * Buy-in and support for stormwater BMPs
- * Expand range of known options to choose from
- * Know that what we each do matters
- * Inform people on how we can become a part of policy change
- * We are/this is part of a shift in culture - not impossible, part of a process, how can you start
- * Collaboration - we are each part of the success
- * Spectrum from formal to natural plantings and styles
- * An understanding of the causes of stream bank erosion and how BMPs can help slow erosion
- * Know the connection between what goes on in your yard and the quality of our waterways
- * What a healthy stream/river looks like
- * Myth or fact on pests (rats, ticks, mosquitoes) in BMP areas
- * Advantage of meadow vs. mowed area
- * Effect of pesticides and fertilizers on water quality
- * Importance of backyard habitat especially during changes in climate that are occurring
- * Limit paper, brochures, handout materials and other disposable content

Other Considerations:

- * Add a page that features the project onto GIAC's existing web site
- * Built-in allowance for evolution of green technologies
- * Keep information current
- * Plan for regular updates and ongoing maintenance
- * Measurements of success
- * Public Art: The City of Columbus has initiated a Public Art Program. It is anticipated that specific opportunities for public art will be identified by the design team as the project plan is developed and that a separate artist call, or calls, will be issued by the Public Art Program around these opportunities.

General Design Requirements

The lead Consultant shall be responsible for all work necessary to establish and/or verify existing site conditions including stormwater BMP's and Green Infrastructure; proposed stormwater design flows in existing and proposed stormwater systems impacted by this improvement; securing existing plan information; perform additional investigations as required to design this improvement; prepare required hydraulic calculations; summarize all preliminary design findings, investigations, and recommendations into a BCE report and a final Design Report; collect all necessary site survey information; prepare construction drawings, cost estimate(s), specifications, and bid documents; investigate need for and document all required construction permits (such as zoning, electrical, building, regulatory (EPA, City, etc.)); prepare,

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

submit, and secure all such construction permits; review construction shop drawing submittals and associated documents during construction of this project; provide oversight during the course of construction to ensure proper implementation of the proposed improvements and modifications to the GIAC.

The lead consultant shall submit a design report, construction plans in CC drawing format, specification documents, and complete all project tasks (excluding construction phase) for this project within 365 days after the notice to proceed is issued.

The lead Consultant shall submit information to document prior experience and qualifications of the Design Team members. The team shall have previous experience in the design of stormwater infrastructure, BMPs and Green Infrastructure; designing creative, interesting and fun interactive displays using a variety of technologies; developing project-based learning to support STEM curriculum; identifying specific public art opportunities within the larger project plan so a specific artist call can be developed; and providing design services during construction.

The team members shall research various alternatives and recommend the most economical and best solution to the City. The final project submittal will include the production of all design documents, drawings, specifications and contract documents required to construct the proposed facilities. This work shall also include utility conflict sewer redesign and shop drawing review services during construction.

Proposals will be reviewed by the City; the City will enter into contract negotiations with the highest ranked offeror. If negotiations fail with the offeror they shall be terminated and the City will enter into contract negotiations with the next highest ranked offeror. This process will continue until the contract is successfully negotiated.

CLASSIFICATIONS: ALL OFFERORS ARE REQUIRED TO OBTAIN A COPY OF THE INFORMATION PACKAGE, which will be available for pick-up at 1250 Fairwood Avenue, Room 1021, Columbus, Ohio 43206 beginning Wednesday, July 30, 2014. There is no charge for the first information package. Any subsequent packages shall be \$25.00.

QUESTIONS: All questions regarding this RFP should be presented via email submittal as soon as possible but no later than the 5:00 p.m. on Friday, September 12, 2014 to Mark Timbrook, P.E. mdtimbrook@columbus.gov and Anita Musser almusser@columbus.gov Answers to RFP questions will be given and addenda will be issued, if necessary by Friday September 19, 2014.

For additional information concerning this request, including procedures for obtaining a copy of the of the RFP, you must go to the City of Columbus Vendor Services web page (<http://vendorservices.columbus.gov>) and view this bid number in the open solicitations listing.

Notice/Advertisement Title: Revised Administrative Rules for private boat docks and stakes

Contact Name: Eric Brandon

Contact Telephone Number: 645-5253

Contact Email Address: ebrandon@columbus.gov

Columbus Recreation and Parks Permit and Rental Services Section

Revised

Administrative Rules for private boat docks and stakes on City Reservoirs (not to include boat club leased properties):

Columbus City Code, section 921.01-8 (O)(1) provides that: **“The Recreation and Parks Commission may adopt administrative rules for floating boat dock construction, maintenance and other privileges pertaining to the use of undeveloped city parkland. Violation of administrative rules shall result in the temporary or permanent revocation of docking privileges and/or impoundment of vessel(s) and removal of associated structures on parkland.”** Pursuant to the above-mentioned authority, the Recreation and Parks Commission does hereby approve and adopt the following administrative rules listed below.

These Administrative Rules shall be effective thirty days after being approved and signed by the Recreation and Parks Commission and the Director of the Recreation and Parks Department and published in the City Bulletin. These Rules may be superseded by an act of City Council.

Existing authorized docks exceeding any applicable design limitations as specified in these rules, may continue to be authorized until such time as the contiguous property owner either (i) fails to **renew the annual permit** or (ii) **transfers title to the property**.

The Recreation and Parks Department reserves the right to require general liability insurance naming the City of Columbus as an addition insured from private dock, stake, or mooring customer with at least a ninety (90) day notice.

As used in these Rules, the following definitions shall apply:

1. Abandoned - means any personal property, including a dock or other structure, that has remained on or attached to City property for at least 48 hours that does not have a valid dock permit, or is extensively damaged, or is considered a navigational hazard, regardless of whether it is being actively used by a contiguous property owner.
2. Header dock - The primary structure of a floating dock. The section of dock in which other dock sections or a ramp is attached to.
3. Finger dock - A secondary dock extension from the header dock.
4. Mooring - buoy or float providing a tie off for a boat, set to an anchor to hold the boat secure.
5. Ramp - The section of the dock that connects the floating portion of the dock to the shore (some docks may be on feet or wheels).
6. “I” Dock - For purposes of these administrative rules, an “I” dock shall mean a dock extending from shore in a straight line, generally perpendicular to the shoreline, with no sections attached to the header dock.
7. “T” Dock - For purposes of these administrative rules, a dock generally consisting of a header dock with a finger dock attached in the shape of a “T”, or can be an inverted “T” shape.
8. “L” Dock - For purposes of these administrative rules, an “L” dock is a dock shaped like an “L”, with one side being the header dock and the other side a finger dock, and can be placed in several positions according to need or preference.

9. “U” Dock - For purposes of these administrative rules, a “U” dock consists of a header dock generally parallel to the shore (but may be perpendicular), with at least two finger docks extending from the header dock into the shape of a “U”, “F”, “E” or similar type shape.
10. Platform Dock - For purposes of these administrative rules, a platform dock is a dock that is attached to shore by a ramp, and generally is described as a square or rectangular shape (although it may take different shapes), and can moor multiple vessels from respective sides.
11. Spuds - For the purpose of these administrative rules, spuds are defined as metal posts, no wider than 4” in diameter, inside a sleeve attached to the dock that stabilize the dock by use of friction against the riverbed and not by being driven, drilled, augured or pushed into the riverbed. The “foot” end of the spud (the portion against the river bottom) must be capped or otherwise closed and not be an open pipe. Spuds should not have chisel shaped or pointed ends.
12. Stake - A metal or wood post, not to exceed four (4) inches in diameter, extending a minimum of four (4) feet and a maximum of six (6) feet above the ground, to secure a watercraft to shore.
13. Rip rap - The placement of rocks or other similar materials as approved by the Division of Power and Water in accordance with United States Army, Corps of Engineers regulations to prevent or reduce shoreline erosion.
14. Director - “Director” shall mean the Director of Recreation and Parks or his or her duly authorized designee.
15. Structure - “Structure” means a combination of materials, other than a building, to form a construction that is safe and stable including, but not limited to, docks, stadium, gospel or circus tent, reviewing stand, platforms, staging, observation tower, shed, coal bin, or fence in excess of six (6) feet in height. The term “structure” shall be construed as if followed by the words “or parts thereof.”
16. Building - “Building” means any structure having a roof supported by columns or walls, or any series of structures separated only by “fire separations” but contained under a common roof or within common walls, and requiring a building permit in accordance with Title 41 of the Building Code that is used for shelter, occupancy, enclosure, or support of persons, animals, or property.
17. Encroachment - “Encroachment” means any building, structure, or personal property that extends beyond the property line of a contiguous property owner and trespasses onto City owned or controlled property.

Administrative Rules:

- 1) Plans for new docks and stakes or for alterations to existing docks and stakes must be submitted to the Columbus Recreation and Parks, Permit and Rental Services Section. All structures must comply with the current City of Columbus Code (CCC 921.01-8), and all specifications authorized by the United States Army Corps of Engineers under federal regulation. When in conflict, whichever code is more restrictive takes precedence. In cases where private property meets the water’s edge, dock permits are still required pursuant to the following rules, as the City of Columbus regulates all City waterways. A valid Land Stewardship Agreement must be on file with the City of Columbus prior to the issuance of any dock or stake permit.
- 2) Plans for new docks and stakes or alterations to existing docks and stakes must include the following:
 - a) Plat plan of the property with the owner’s name and address and the proposed location of the dock or stake plainly marked.
 - b) Detailed plan of the dock illustrating:
 - i) Dimensions
 - ii) Materials
 - iii) Method of attachment to shore
 - iv) Proposed alterations
 - c) Proposed dates for construction and installation (which must be at least 10 business days later than the date of submission) are subject to the approval of the plan.
 - d) Requests for stairs, if necessary, must be included in the application (certain restrictions apply, see items 17 and 18).
- 3) The overall width of any section of any private floating dock may not be less than four (4) feet.
- 4) The overall width of any Finger dock may not exceed six (6) feet.

- 5) The overall width of any header dock may not exceed eight (8) feet.
- 6) The overall width of any platform dock may not exceed twelve (12) feet.
- 7) The overall width of any ramp section may not exceed eight (8) feet.
- 8) Flotation for the floating docks must meet or exceed Federal and Ohio Department of Natural Resources standards. Metal drums and plastic barrels are not permitted. Treated wood materials used for decking and/or walkways shall comply with Federal and State Environmental Protection Agency recommendations and regulations. All wooden materials should be free of any chemicals that are toxic to aquatic life. Lumber pressure-treated with Alkaline Copper Quaternary (AQC) process is very corrosive therefore specialcareshould be used when selecting fasteners and hardware. (US ACOE Rule #3) Galvanized or plated hardware should be used in dock construction.
- 9) The dock (including any ramp, attachment(s) and including any vessel(s)) may not extend greater than forty (40) feet from the on shore platform or twenty five percent (25%) of the width of the channel at that point, whichever is less. The overall area of any dock, including any vessel(s) docked at that location, may not exceed twenty-six (26) feet in width (parallel to shore) The forty (40) feet will be the measurement of the length of the dock and ramp at the point it is attached to the landing platform or otherwise affixed to shore and not the distance it extends into the reservoir due to the angle of attachment.
- 10) The floating dock structure shall not have any walls or enclosed areas. An open sided canopy may be permitted provided that the overall height of the canopy structure does not exceed twelve (12) feet from the surface of the dock. Canopy covers must be metal, canvas, nylon or other fabric and no advertising may be displayed on the canopy.
- 11) As part of the floating dock permit there may be a landing platform area on shore, not to exceed eighty (80) square feet in size. The only purpose of this platform is to provide a secure structure to serve as an attachment point for the floating dock. No concrete, cement or mortar is permitted as part of this platform. This structure may not include any walls, roofs or other improvements except an approved handrail if desired. The landing platform shall be constructed at ground level unless the terrain is not even, then only elevated enough so that the platform may be level as close to the ground as possible. The landing platform may not extend over the water beyond the ordinary high water mark (as defined by the U.S. Army Corps of Engineers). The specific site of the landing platform will be determined by the Director based upon best management practices.
- 12) No part of the floating dock, stake(s), or permitted landing platform may be constructed from any materials or constructed in any manner to be considered a permanent structure. (i.e. there will be no use of concrete and all sections must be removable by use of common hand tools). Tying to trees (either the dock or any watercraft) or attachment to any natural feature (rocks, stumps, etc.) is strictly prohibited.
- 13) Each qualified, contiguous, private property owner will be permitted a maximum of one private floating dock permit. Each private floating dock may be permitted to moor no more than three vessels registered to that private property owner (provided that all three vessels and dock fit into the area described in item 9).
- 14) The proposed location of the private floating dock, stake(s) or mooring shall be determined by the Director and contained within the area of City of Columbus owned shoreline defined by an extension of the contiguous, private property owner's boundary lines. In cases where the angles are not perpendicular, or nearly perpendicular, this area will be determined by drawing a line perpendicular to the shoreline back to the contiguous, private property owner's sideline. In the case of private moorings, the length of the mooring rope/chain/cable shall not allow the vessel to exceed this area. If there is not a suitable site within this area, the request may be denied.
- 15) When permitted, private moorings must be located no farther than fifty (50) feet from the normal pool shoreline, but may not be any further than 25% of the width of the channel at that point. Moorings will only be considered for use on Hoover and O'Shaughnessy Reservoirs. Mooring anchors must be approved before placement and should be properly sized for the boat being moored (items such as used engine blocks are specifically prohibited). Each private mooring must be marked with at least a twelve (12) inch round diameter, orange marine buoy. The owner's address must be clearly marked upon the buoy.

- 16) When an application is approved, a contiguous, private property owner may install a boat stake or stakes. The stake(s) shall be driven or set into the ground by the permit holder at a site designated by the Director. No concrete or cement may be used. The stake(s) shall have a space for the permit decal and owner's address to be displayed, facing the water. The stake(s) shall be maintained in a safe condition by the permit holder and removed by the permit holder in the event that the stake permit is not renewed for any succeeding year. Boat stake(s) may not be relocated (due to low water levels, better access or any other reason) without written permission from the Director.
- 17) If the Director determines that any dock, structure, stairs, or other previously approved improvement (located on or attached to City property has become a detriment to the City, the person who installed such improvement shall remove it at their expense upon receiving written notice of the Director's determination. If the person who installed the improvement is no longer the contiguous property owner, the City may remove and dispose of said encroachment.

If the current contiguous property owner wishes to continue to use the improvement in conjunction with a pre-existing dock or stake, that property owner (referred to herein as the "responsible party") may submit a request to the Director to allow the improvement to remain. If the Director allows the improvement to remain, the responsible party must do all of the following:

- 1.) Submit a new or renewal dock/stake permit application
- 2.) Submit a signed Responsibility Form
- 3.) Keep the dock or stake permit current and valid.

If at any time the responsible party fails to renew their dock or stake permit by the annual March 15 deadline, the improvement shall no longer be approved and must be removed at the expense of the responsible party.

In areas where it is necessary, as determined by the Director, a single set of wood or properly reinforced steps may be approved to access the dock as part of an approved path. Installation of new stairs must be in compliance with City of Columbus building codes. The stairs must not be set in concrete.

18. In cases where there are violations with the land stewardship agreement, contiguous property owners shall have up to one calendar year from the notice of violation to resolve said violations. If the violations are not resolved after one year, the Director may revoke the private dock, stake or mooring permit.

- 19) The five (5) foot wide path to allow access to the private dock or stake (as described in Columbus City Code 921.01-8 (N) may be mown, but must be maintained in as natural a condition as possible and may not include cement, mortar, bricks or boardwalks. The Director must approve the location of this path. The path must follow the most direct line to the shoreline that affects the least amount of vegetation or natural features of the City of Columbus property. Permission to cut down trees or alter the landscape to create a path will not be granted, except that cutting of trees and brush less than 1" in diameter at the ground may be approved on a limited basis with permission.

- a) When necessary due to site conditions, the following improvements may be considered for a permit.
- i) Washed river gravel on top of filter fabric, not to exceed three (3) inches in depth.
 - ii) Pavers or natural stones not to exceed sixteen (16) inches in diameter and not to be set closer than six (6) inches together.
 - iii) Options "i" and "ii" combined provided all conditions of both are met.

- b) Paths may not be approved if the following conditions exist:

- i) If location of the path would threaten rare or endangered species of plants or wildlife. The Ohio Department of Natural Resources shall be considered the naming authority for these species.
- c) Areas of shoreline that are within designated Nature Preserve areas will not be permitted any modifications to accommodate a dock or path, but may be approved if the naturally existing conditions are acceptable (pursuant to City Code (Title 9, Chapter 921.01-8 (A)(2)).

- 20) The installation of facilities conducive to human habitation; including but not limited to household furnishings, water or electrical lines or hook ups, living quarters, sewers, toilets, or fueling facilities are not permitted on any private

floating or permanent dock.

- 21) Electrical service existing as of the effective date of these Administrative Rules on City of Columbus property that was previously authorized by the City of Columbus in writing will be allowed to remain until such time as there is a failure to submit an annual permit application with the applicable rental fee. In the event of a failure to submit an annual permit application the electrical service must be removed by the contiguous property owner at their expense. If the contiguous property owner fails to remove the electrical service the City may do so. Future dock permits will not be considered until the electrical service is removed.

For as long as the electrical service remains, the adjacent property owner must provide and maintain a lath marker where the electric line crosses the private property line onto City property and a like marker near the dock marking the same. The marker should indicate, in writing, "under-ground electric - do not dig". The material for the marker should be the same as markers used for roads and highways that is flexible plastic, which would not pose any threat of impaling a person. Failure to maintain these markers in accordance with this section at all times will be cause for immediate suspension or revocation of the dock permit.

In the event that there is any question as to whether the installation or the device meets all codes, the permit holder will be required to submit a letter from a licensed electrical contractor stating that he/she has personally inspected the device and installation and affirming that the installation and the device meets all City, State and Federal codes.

Solar powered, battery operated or self contained generator operated devices may be approved by the Director. Before any such device is installed the property owner must provide a sketch of the proposed electrical devices to be installed in connection with the dock permit. This sketch must include all lights, outlets, and related accessories. If the permit holder elects to use an extension cord to power a permitted electrical device at a dock then the cord may only be used when the permit holder is at the dock actively using the device. Extension cords must be plugged into a GFCI (ground fault circuit interrupter) outlet on the adjacent, private property. At all other times the extension cord must be removed from the park property.

The quantity of lights must be kept to a minimum, and are limited to the path and dock/stake/mooring. All lights must be directed downward and not toward the water, other residences or parks areas.

- 22) A hand powered or mechanical boatlift will be permitted so long as all other rules pertaining to docks are followed. Lifts that require electricity must comply with the established electric service rules contained within these Administrative Rules (item #21). Application for a boatlift must be **in writing** as part of the proposed dock plan and include specifications of the lift device.
- 23) No pilings may be driven through the water into the riverbed. Guide or support poles attached to the dock (or lift device) must have flat *feet* that rest on the riverbed or use non-driven spuds. Spuds must be removable using common hand tools and the permit holder must be able to demonstrate this upon request of the Recreation and Parks Department. Failure or inability to remove the spuds will be considered grounds for revoking dock privileges.
- 24) All floating docks, stakes and associated structures not previously authorized by the City prior to the effective date of these Administrative Rules must be designed and constructed to have the least impact visually and physically upon the City of Columbus owned property and dock must be maintained in a safe condition. Permittees must make every reasonable effort to construct and operate the authorized dock or stake(s) in a manner so as to minimize any adverse impact on fish, wildlife and natural environmental values including water quality.
- 25) Permitted docks and stakes must properly display the annual permit and property address (address must include at least the house numbers in three (3) inch high letters) on the dock structure or stake(s). The permit and address shall be placed on the dock or stake and face the open navigable water, visible to patrol watercraft.
- 26) The primary purpose of the private floating dock structure shall be as a safe mooring for permitted watercraft. This regulation does not exclude the permit holder, his/her family and guests from legally fishing from the dock. Personal property used in connection with recreational water activities, such as chairs, dock boxes, mooring lines, and so forth, shall be permitted on dock structures so long as such property is not otherwise prohibited by paragraph 18, this Section

or other Sections of these Rules. Private docks may not have any items attached to them or be used for any purpose other than safe mooring of permitted watercraft. Guest watercraft meeting code requirements, may moor to the permit holder's dock, however if the duration exceeds sixteen (16) hours on any date, the permit holder must obtain a temporary permit from the Columbus Recreation and Parks Permit and Rental Services Section, and all related regulations apply.

- 27) Requests for modifications or renovations to an existing dock must be in writing and approved by the Director. No work shall commence until the Director's written approval is received by the property owner. The property owner is hereby authorized to make minor repairs to the dock and associated structure when necessary to ensure the safety of the users. These repairs must use identical replacement materials and may not alter the appearance or dimensions of the permitted structure. No chemical treatments may be applied (paint, waterproofing, etc.) while the dock structure is in the water or sitting on City of Columbus owned property.
- 28) Private boat docks, stakes, associated structures and fixtures, other encroachments or private property discovered on or attached to City of Columbus park land without permission or in violation of Columbus City Code or these Rules will be considered abandoned and may be removed and disposed of by the Recreation and Parks Department; the Columbus Division of Power and Water acting as an agent of the Recreation and Parks Department under the terms of the "Water Supply Reservoir Cooperative Management Agreement", or by any law enforcement officer within their jurisdiction.
- a) Prior to removing abandoned private, personal property from City of Columbus property, the City will send notice to the contiguous property owner to allow them the opportunity to remove the personal property on their own. A letter sent via first class, U.S. mail to the name and address listed on the county auditor's web site for the contiguous property requesting removal within 30 days shall be deemed sufficient notice.

The Recreation and Parks Commission and the Director of the Columbus Recreation and Parks Department hereby adopt and authorize these Administrative Rules.

**PLACEMENT OF TRAFFIC CONTROL DEVICES AS RECOMMENDED BY THE
DIVISION OF TRAFFIC MANAGEMENT**

EFFECTIVE DATE: AUGUST 13, 2014

Whereas, an emergency exists in the usual daily operation of the Department of Public Service, Division of Traffic Management, in that certain traffic control devices must be authorized immediately in order to preserve the public health, peace, property, and safety; now, therefore,

Under the power vested in me by Chapters 2105 and 2155 of the Traffic Code of Columbus, Ohio, I hereby determine that based on studies conducted by and recommendations made by the Division of Traffic Management, that the following traffic regulations are necessary and I hereby authorize on the effective date of this order, or as soon thereafter as practical, the installation and/or removal of appropriate traffic control devices as follows:
