SIGNING OF LEGISLATION

(Note: There was no City Council meeting on *Monday, September 01, 2014*; subsequently, there is no legislation that was passed or defeated this week included in this edition. Clerk's Note: Ordinance 1795-2014 contained herein was passed on Monday, July 28, 2014 and appeared in the Minutes within the August 2, 2014 City Bulletin but was inadvertently not published in its entirety. The ordinance was signed by Council President Andrew J. Ginther on the night of the Council meeting, *Monday, July 28, 2014*; by Mayor, Michael B. Coleman on *Tuesday, July 29, 2014*; and attested by the City Clerk, prior to Bulletin publishing.)

The City Bulletin **Official Publication of the City of Columbus**

Published weekly under authority of the City Charter and direction of the City Clerk. The Office of Publication is the City Clerk's Office, 90 W. Broad Street, Columbus, Ohio 43215, 614-645-7380. The City Bulletin contains the official report of the proceedings of Council. The Bulletin also contains all ordinances and resolutions acted upon by council, civil service notices and announcements of examinations, advertisements for bids and requests for professional services, public notices; and details pertaining to official actions of all city departments. If noted within ordinance text, supplemental and support documents are available upon request to the City Clerk's Office.

Legislation Number: 1795-2014

Drafting Date: 7/21/2014

Current Status: Passed

Version: 2

Matter Type: Ordinance

BACKGROUND: The Building and Zoning Services Department has a need to appropriate and transfer additional funds from the Jobs Growth Fund, and expend same from the Development Services in the amount of ~~\$50,000.00~~ **\$100,000.00** to cover 2014 payroll costs ~~through pay period 26~~ for a new Assistant Director position effective through ~~December 20, 2014~~ **the exhaustion of the aforementioned funds**. The person hired for this new position will work with small business entities to help make the business of doing business with the City (of Columbus) easier and more efficient, especially for new and startup small businesses. The purpose of this legislation is to appropriate and transfer from the Jobs Growth Fund, and expend these funds from the Development Services Fund for the ~~period ending December 20, 2014~~ **aforementioned purpose**. The Columbus City Council, ~~Department 20~~, is authorizing the use of these funds for the stated purpose.

FISCAL IMPACT: ~~\$50,000.00~~ **\$100,000.00** is available in the Jobs Growth Fund, Fund 15, upon Council authorization.

To authorize the supplemental appropriation and expenditure of ~~\$50,000.00~~ **\$100,000.00** from the Jobs Growth Fund to the Building and Zoning Services Department to fund the new position of Assistant Director created to fulfill the mission of small business liaison ~~throughout the 2014 calendar year~~. ~~\$50,000.00~~ **\$100,000.00**)

WHEREAS, ~~\$50,000.00~~ **\$100,000.00** has been allocated and is available in the Jobs Growth Fund for the ~~period ending December 20, 2014~~ for the newly created position of Assistant Director is the department of Building and Zoning Services; and

WHEREAS, it is necessary to authorize, transfer, appropriate and expend these funds from the Jobs Growth Fund to support the Assistant Director position ~~through 2014~~ **until the funds are exhausted**; and

WHEREAS, this position is being established to help ease and expedite the process of working with the City of Columbus when starting and/or maintaining a small business in Columbus; and

~~**WHEREAS,** an emergency exists in the usual daily operation of the City of Columbus in that it is immediately necessary to appropriate and transfer said funds to have funding available for necessary expenditures; now, therefore:~~

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That from the unappropriated monies in the fund known as the Jobs Growth Fund, Fund No. 15, the sum of ~~\$50,000.00~~ **\$100,000.00** is hereby appropriated as follows:

Fund: 015| Dept: 20| Div: 2001| OCA: 200115| OL3: 5501

SECTION 2: That the transfer of ~~\$50,000.00~~ **\$100,000.00** is authorized as follows:

FROM:

Dept: 20| Div: 2001| OCA: 200115| OL3: 5501

To:

Fund: 240| Dept: 43| Div: 4301| OCA: 430382| OL3: 0886

SECTION 3. That from the unappropriated monies in the fund known as Development Services Fund 240, the sum of ~~\$50,000.00~~ **\$100,000.00** is hereby appropriated as follows:

Fund: 240| Dept: 43| Div: 4301| OCA 430382| OL1: 01

Section 4. That the expenditure of ~~\$50,000.00~~ \$100,000.00, or so much thereof as may be necessary, be and is hereby authorized as follows:

Fund: 240| Dept: 43| Div: 4301| OCA 430382| OL1: 01

SECTION 5. That the monies appropriated in the foregoing Sections 1 and 2 shall be paid upon the order of the Director of the Building and Zoning Services Department and that no order shall be drawn or money paid except upon voucher, the form of which shall be approved by the City Auditor.

SECTION 6. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

SA005576 - LAND REDVT-DEMOLITION & ASBESTOS REMOVAL

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

DEMOLITION, ASBESTOS REMOVAL, AND DECONSTRUCTION SERVICES - LAND BANK PROGRAM

The City of Columbus Department of Development has demolished over 400 structures since the beginning of 2013 and seeks to establish contracts to demolish structures for the remainder of 2014 and 2015. The demolition contractors will be selected on criteria contained in this Request for Proposals (RFP) and will be eligible to receive contracts to provide all labor, material, and equipment necessary to demolish structures and perform asbestos abatement services.

Interested contactors must respond to this RFP and submittals will be reviewed by an Evaluation Committee. The City seeks to hire multiple contractors to perform the services at the same price. An initial list of contractors will be selected based the list of qualifications and selection criteria contained herein and will negotiate final pricing with those contractors. The initial contracts will total \$2,000,000. The City reserves the right to cap the dollar amount of contracts awarded to one contractor at any one time and may increase contract amounts as additional funds become available.

In addition, contractors may submit a proposal for deconstruction projects. Deconstruction projects will require additional work, performance standards, and the submittal of a work manifest itemizing materials deconstructed.

For additional information concerning this bid, including procedures for obtaining a copy of the bid document(s) and how to submit a proposal, you must go to the City of Columbus Vendor Services web page (<http://vendorservices.columbus.gov>) and view this bid number in the open solicitations listing. Note: Detailed specifications are attached to page 2 of Solicitation.

SA005575 - Roadway Imps - General Engineering 2014

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

1.1 Scope: The City of Columbus, Department of Public Service, is receiving proposals until 1:00 P.M. September 18, 2014, for professional engineering consulting services for the Roadway, Bikeway, and Pedestrian Improvements - General Engineering (2014) project. Proposals are being received electronically by the Department of Public Service, Office of Support Services. Proposals shall be submitted to DPSRFP@columbus.gov.

The intent of this project is to provide the Department of Public Service with additional resources to perform various professional engineering and surveying tasks. The projects developed under this program are typically small to moderate size improvements, and frequently include a significant emphasis on pavement rehabilitation, curb replacement, sidewalks, multi-use paths, curb ramps, drainage, minor intersection improvements, bridge repair/rehabilitation, bikeway markings and signage, and other minor rehabilitations as requested.

The selected Consultant shall be expected to work on multiple projects concurrently and shall be readily available to perform necessary tasks to provide the desired deliverables when requested by the City. The ability to complete projects in a short timeframe will be a critical point in the evaluation process.

The selected Consultant shall attend a scope meeting anticipated on or about October 6, 2014. If the Project Manager is not available, the Consultant may designate an alternate(s) to attend in his/her place.

1.2 Classification: Firms wishing to submit a proposal must meet the mandatory requirements stated in the RFP. All questions concerning the RFP are to be sent to capitalprojects@columbus.gov. The last day to submit questions is September 11, 2014. Responses will be posted on the Vendor Services web site as an addendum. Phone calls will not be accepted.

BID OPENING DATE - September 19, 2014 2:00 pm

SA005580 - OCM-ROOF FOR CPD @ 2077 PARKWOOD AVE

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

ADVERTISEMENT FOR BIDS

Paper proposals will be received by the City of Columbus, Department of Finance and Management, Office of Construction Management, at 90 West Broad Street, Suite 416, Columbus, Ohio 43215 until September 19, 2014 at 2:00 p.m. local time, and publicly opened and read in the Suite 416 conference room at that time for the RENOVATION OF ROOF FOR THE DIVISION OF POLICE AT 2077 PARKWOOD AVENUE, COLUMBUS, OHIO 43219. The work for which proposals are invited consists of providing a new roof coating of approximately 30,000 square feet to an existing building, and other such work as may be necessary to complete the contract in accordance with the plans and specifications set forth in the Bid Submittal Documents.

Copies of plans and specifications are available beginning Friday, September 5, 2014 at ARC Industries for a non-refundable fee of \$25.00 per set, plus shipping costs if applicable. Contact ARC Industries, 1159 Dublin Road, Suite 300, Columbus, Ohio 43215 via phone (614) 224-5149, or via the internet at www.e-arc.com. A plan holder's list will be published via the internet site. Addenda will be issued accordingly.

Questions pertaining to the drawings and specifications must be submitted in writing only to the Architect, Feinknopf, Macioce & Schappa, ATTN: Mike Paplow via fax (614-291-1020) or email (mpaplow@fmsarchitects.com) prior to noon on Friday, September 12, 2014. Questions regarding the bid documents (excluding the drawings and specifications) should be submitted to Jennifer Henderson, City of Columbus Office of Construction Management, via fax (614-645-0254) or email (jrhenderson@columbus.gov) prior to noon on Friday, September 12, 2014. Any interpretations of questions so raised, which in the opinion of the City or its representative require interpretations, will be issued by Addenda posted on <http://vendorservices.columbus.gov/e-proc/venSolicitationsAll.asp?link=Open+Solicitations> (the City's bid solicitation web site) no later than five (5) days prior to the date fixed for the opening of bids. The City or its representative will not be bound by any oral interpretations which are not reduced to writing and included in the addenda.

In order for a Proposal to be considered responsive, the bidder must submit all required information for the project as outlined in the advertisement for bids.

All materials submitted in response to this advertisement will become part of the awarded contract; will become the property of the City and will not be returned; and will be considered public records subject to disclosure as contemplated by Ohio Revised Code Section 149.43. All materials received will be open to the public once the sealed proposals are publicly opened and read.

PREQUALIFICATIONS

Effective January 01, 2015 (per Section 329.21(g)); only potential bidders prequalified responsible or prequalified provisionally responsible may be awarded a contract for city construction service work. Only licensed construction trade subcontractors prequalified responsible or prequalified provisionally responsible may subcontract or perform on city construction service work. No business entity prequalified not responsible may receive or perform city construction service work.

For specific questions regarding the application process, bidders are encouraged to visit the website: <http://www.columbus.gov/prequalification.aspx>.

CONSTRUCTION AND MATERIAL SPECIFICATIONS

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

Unless otherwise specified or modified by special provisions contained herein, the current edition of the City of Columbus, Ohio Construction and Material Specifications (CMS) will become part of the terms and conditions of the proposal and the contract to be awarded. Hard copies of this document are available for examination or purchase at the Department of Public Service, 109 N. Front St, 3rd Floor, Room 301, Columbus, Ohio 43215 (614) 645-8376, and at the office of the Director of Public Utilities, 910 Dublin Rd., 4th Floor, Columbus, Ohio 43215, (614) 645-6141. An electronic version of the document can be viewed at <http://publicservice.columbus.gov/DocListing.aspx?id=47645>.

PROPOSAL GUARANTY

The bidder is required to submit a Proposal Guaranty, in the form of a Proposal Bond or Certified Check, with a surety or sureties licensed to conduct business in the State of Ohio. The amount of the guaranty shall be ten (10) percent of the bid amount or numerically in dollars and cents, including all alternates submitted which increases the amount of the bid. All bonds signed by an agent must be accompanied by a surety power of attorney, most recent surety financial statement, and current Ohio Department of Insurance Certificate of Compliance.

PREVAILING WAGE RATE

Bidders must comply with the prevailing wage rates on Public Improvements in Franklin County and the City of Columbus, Ohio as determined by the Ohio Bureau of Employment Services, Wage and Hour Division (614) 644-2239.

CONTRACT PERFORMANCE AND PAYMENT BOND

A contract performance and payment bond in the amount of 100 percent of the contract price with a surety or sureties licensed to conduct business in the State of Ohio according to Section 103.05 of the City of Columbus Construction & Materials Specifications, current edition, will be required to assure the faithful performance of the work. All bonds signed by an agent must be accompanied by a surety power of attorney, most recent surety financial statement, and current Ohio Department of Insurance Certificate of Compliance.

PRE-BID CONFERENCE

There will be a pre-bid and walk-thru at the site on Thursday, September 8, 2014 at 11:00 a.m. at the site.

CONTRACT COMPLETION

All work is to be substantially complete within 30 calendar days of the Notice to Proceed.

BID CANCELLATION AND REJECTIONS

The Director of Finance and Management may cancel the Advertisement for Bids, reject any or all bids, waive technicalities, or hold bids for a period of 180 days after the bid opening, and/or advertise for new bids, without liability to the City.

CONTRACT COMPLIANCE REQUIREMENTS

The City of Columbus encourages the participation of city certified minority and female business enterprises. While participation of and/or partnering with city certified minority and female owned businesses is not a condition of bid award, it is strongly encouraged.

On the following pages, bidders shall identify all subcontractor(s) to whom they propose to subcontract any part of this project on which they are bidding/proposing. All bidders shall include in their bid/proposal, the anticipated cost and scope of work that will be performed by all subcontractor(s), along with their contract compliance number(s).

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

Bidders will be given seven (7) business days after the bid submittal date to update expired contract compliance information for renewal of numbers or to initially apply for a number. If said information has not been updated within 7 business days from the bid submittal date, the bid/proposal will be deemed non-responsive and will no longer be considered.

All contractors and subcontractors who are party to a contract as defined in Columbus City Code 3901.01, must hold valid contract compliance certification numbers before the contract is executed.

This information is gathered and monitored by the Equal Business Opportunity Commission Office (EBOCO). Please contact EBOCO for assistance with identifying potential Minority contractors. Information on contract compliance certification is available at <http://eboco.columbus.gov>

SA005562 - DOSD WOODWARD AVE DETENTION BASIN IMPROV

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

SCOPE: The City of Columbus, Ohio is inviting professional engineering consulting firms, or teams including such firms, to submit Proposals to furnish professional services for the City of Columbus, Department of Public Utilities, Division of Sewerage and Drainage (DOSD), for Capital Improvement Project Number 610792-100002 --- Woodward Avenue Detention Basin Improvements pursuant to Columbus City Code 329.14. Proposals will be received at the Division of Sewerage and Drainage, 1250 Fairwood Avenue, Room 1021, Columbus, Ohio 43206 until close of business on Friday, September 19, 2014. The primary scope of this project is the preparation of construction documents to modify the existing Woodward Avenue detention basin to include water quality features such as forebay and micropool and to replace all or portions of existing mowed grassed areas with plantings that will increase nutrient removal, increase water infiltration, and reduce maintenance. The project area is located on the south side of Woodward Avenue approximately 1000 feet west of Woodland Avenue.

Project Manager or Lead Project Engineer must have design experience for a minimum of 2 constructed detention basins of similar size to this project. The basins must have included forebays and micropools and been in operation for at least a year. Also project team must have design experience preparing landscape plans for a minimum of 2 constructed projects at least one year old that included vegetation applicable to this project.

Proposals will be reviewed by the City and the City will enter into contract negotiations with the highest ranked offeror. If negotiations fail with offeror they shall be terminated and the City will enter into contract negotiations with the next highest ranked offeror. This process will continue until the contract is successfully negotiated.

CLASSIFICATIONS: ALL OFFERORS ARE REQUIRED TO OBTAIN A COPY OF THE INFORMATION PACKAGE, which will be available for pick-up at 1250 Fairwood Avenue, Room 1021, Columbus, Ohio 43206. Contact Lisa Diller, 614-645-0485 lldiller@columbus.gov, with questions on obtaining Information Package or to have package sent via mail. There is no charge for the first information package. Any subsequent packages shall be \$25.00.

QUESTIONS: All questions regarding this RFP are to be submitted in writing via email as soon as possible but no later than the close of business on Wednesday September 10, 2014, to Mike Griffith, PE mpgriffith@columbus.gov. If necessary an addenda will be issued by Friday, September 12, 2014.

For additional information concerning this request, including procedures for obtaining a copy of the of the RFP, you must go to the City of Columbus Vendor Services web page (<http://vendorservices.columbus.gov>) and view this bid number in the open solicitations listing.

BID OPENING DATE - September 24, 2014 3:00 pm

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

SA005569 - POWER-CONVERSION OF CIRCUIT 7218

Paper proposals will be received by the City of Columbus, Department of Public Utilities, Division of Power, at 910 Dublin Road, 4th Floor, Columbus, Ohio until 3:00 P.M. local time, and publicly opened and read at 910 Dublin Road, 1st Floor Auditorium, Columbus, Ohio at 3:00 P.M. local time on September 24, 2014 for Conversion of Circuit 7218, C.I.P. No. 670829-100001. The work for which proposals are invited consists of providing the necessary labor, equipment and material to convert existing Circuit 7218 to 14.4kV. This will require the contractor to upgrade poles, conductor, insulators, switches and other equipment, and transferring street lighting and other such work as may be necessary to complete the contract in accordance with the plans and specifications set forth in the Bid Submittal Documents.

Copies of plans and specifications are available to prospective bidders at the Utility Permit Office, 3rd Floor, 910 Dublin Road, Columbus, Ohio, 43215. The first bid set is free, additional sets will be \$25 (no partial sets).

Questions must be submitted by email and can be submitted to Dan Clark, Division of Power at DClark@Columbus.Gov. Questions must be received by noon on September 17, 2014.

In order for a Proposal to be considered responsive, the bidder must submit all required information for the project as outlined in the advertisement for bids.

All materials submitted in response to this advertisement will become part of the awarded contract; will become the property of the City and will not be returned; and will be considered public records subject to disclosure as contemplated by Ohio Revised Code Section 149.43. All materials received will be open to the public once the sealed proposals are publicly opened and read.

CONSTRUCTION AND MATERIAL SPECIFICATIONS

Unless otherwise specified or modified by special provisions contained herein, the City of Columbus, Ohio Construction and Material Specifications (CMS), 2012 edition will become part of the terms and conditions of the proposal and the contract to be awarded. Hard copies of this document are available for examination or purchase at the Department of Public Service, 50 W. Gay St., First Floor, Room 100, Columbus, Ohio 43215 (614) 645-8376, and at the office of the Director of Public Utilities, 910 Dublin Rd., 4th Floor, Columbus, Ohio 43215, (614) 645-6141. An electronic version of the document can be viewed at <http://columbus.gov/Templates/Detail.aspx?id=65097>

PROPOSAL GUARANTY

The bidder is required to submit a Proposal Guaranty, in the form of a Proposal Bond or Certified Check, with a surety or sureties licensed to conduct business in the State of Ohio. The amount of the guaranty shall be ten (10) percent of the bid amount or numerically in dollars and cents, including all alternates submitted which increases the amount of the bid. All bonds signed by an agent must be accompanied by a surety power of attorney, most recent surety financial statement, and current Ohio Department of Insurance Certificate of Compliance.

PREVAILING WAGE RATE

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

Bidders must comply with the prevailing wage rates on Public Improvements in Franklin County and the City of Columbus, Ohio as determined by the Ohio Bureau of Employment Services, Wage and Hour Division (614) 644-2239. The City recommends the Prime Contractor obtain the completed Prevailing Wage affidavit from all subcontractors upon completion of the sublet portions of work, and prior to providing final payment to subcontractors.

CONTRACT PERFORMANCE AND PAYMENT BOND

A contract performance and payment bond in the amount of 100 percent of the contract price with a surety or sureties licensed to conduct business in the State of Ohio according to Section 103.05 of the City of Columbus Construction & Materials Specifications, 2012 edition, will be required to assure the faithful performance of the work. All bonds signed by an agent must be accompanied by a surety power of attorney, most recent surety financial statement, and current Ohio Department of Insurance Certificate of Compliance

PRE-BID CONFERENCE

There will be a Pre-bid Conference for this project on September 11, 2014 at 10:00 A.M. at 3500 Indianola Avenue, Columbus, Ohio 43214.

CONTRACT COMPLETION

The work under this contract shall be completed in a manner acceptable to the City within 180 calendar days after the date of the Notice to Proceed.

BID CANCELLATION AND REJECTIONS

The Director of Public Utilities may cancel the Advertisement for Bids, reject any or all bids, waive technicalities, or hold bids for a period of 180 days after the bid opening, and/or advertise for new bids, without liability to the City.

CONTRACT COMPLIANCE REQUIREMENTS

The City of Columbus encourages the participation of city certified minority and female business enterprises. While participation of and/or partnering with city certified minority and female owned businesses is not a condition of bid award, it is strongly encouraged.

SA005573 - O'Shaughnessy Dam Hydroelectric Project

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

The City of Columbus, Ohio is now soliciting proposals from experienced professional consulting/engineering firms to provide full-service assistance to the City for the investigation, inspection and safety evaluation of the O'Shaughnessy Dam Hydroelectric Project for the Seventh Independent Consultant's Part 12D Safety Inspection, for the Department of Public Utilities, Division of Water (DOW). The Columbus Division of Water (DOW) owns and operates a high hazard dam, water supply reservoir and hydroelectric power generating plant on the Scioto River near Shawnee Hills, Ohio known as the O'Shaughnessy Dam Hydroelectric Project (Project), Federal Energy Regulatory Commission (FERC) Project No. P-2943, NID No. OH00751. As a condition for continued operation in accordance with the Federal Power Act, the DOW must commission periodic inspections of the Project by a qualified Independent Consultant as defined in CFR Title 18, Part 12, Sub-part D. The work for which proposals are sought consists of the performance of one such periodic inspection in fulfillment of FERC requirements as outlined in CFR TITLE 18, PART 12, SUB-PART D. CFR TITLE 18, PART 12, SUB-PART D can be found at the Federal Energy Regulatory Commission website (www.ferc.gov).

SA005584 - DOW-PAWP TRTMT UPG LT/ELECTRIC PT 1095A

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

Sealed proposals will be received by the City of Columbus, Department of Public Utilities, Division of Water, at 910 Dublin Road, Room 4015 Columbus, Ohio until 3:00 P.M. local time, and publicly opened and read at 910 Dublin Road, First Floor Auditorium, thereafter on October 1, 2014 for Parson Avenue Water Plant Treatment Upgrades, LIGHTING and ELECTRICAL RECEPTACLES INSTALLATION, Contract No. 1095 Part A, Project No. 690488. The work for which proposals are invited consists of: furnish and install cable, conduit, and power outlets and install (only) lighting fixtures provided by others and all other such work as may be necessary to complete the Contract in accordance with the plans and specifications set forth in the Bid Documents. The contract will be assigned to the General Contractor for Contract 1095.

Bidding Documents may be examined at the following locations:

1. Division of Water, Office of Water Supply & Treatment Coordinator, Utilities Complex-910 Dublin Road, 2nd Floor, Columbus, OH 43215.
2. CH2M HILL, 1103 Schrock Road, Suite 400, Columbus, OH 43229.
3. URS Corporation, 277 West Nationwide Boulevard, Columbus, Ohio 43215 2566.
4. Minority Contractors and Business Assistance Center, 1393 East Broad Street, Columbus, Ohio

Copies of bidding documents may be obtained on September 2, 2014 by contacting the Design Professional, CH2M HILL, (Telephone 614 888 3100 or Fax 614-888-0043) and providing the following information:

1. Contact information including name, address, phone, email and website address.
2. City of Columbus Contract Compliance Number (or copy of completed application) or Federal Tax ID.
3. Identify requester's trade or interest as being one of the following: Bidder, Subcontractor, or Material Supplier.

The Design Professional will issue bidding documents as follows:

1. Prime Bidders may receive one (1) set of paper bidding documents and one (1) printable CD. Deposit for all of these materials will be \$250. in the form of a company check with an expiration of no less than 120 days after issuance or a certified check payable to the City of Columbus.
2. Prime Bidders and Major Subcontractors may make limited paper copies of sheets for distribution to minor subcontractors/suppliers to obtain prices for small and minor items that require application of one technical specification and not more than twenty (20) plan sheets or for work less than \$50,000. Prime Bidders and Major Subcontractors will maintain a Document Log to account for all distributed sheets. Document Log will include the date, name, contact information, business, sheets and specification provided.
3. Subcontractors and suppliers may receive one (1) read-only, nonprintable CD. Deposit will be \$250.00 in the form of a company check with an expiration of no less than 120 days after issuance or a certified check payable to the City of Columbus.
4. Placement of bidding documents in whole or in part on an FTP site or other digital distribution of bidding documents is absolutely prohibited.
5. Deposits will be refunded upon return of the printed/electronic media and receipt of completed and attested Document Logs. Procedures are detailed in Section 00 20 00, Instructions to Bidders, and will be provided upon request to the Design Professional.
6. Bidding documents are property of the City of Columbus, and must be returned to the City. Forfeiture of deposits is not the only remedy the City has under law for failure to return the bidding documents. Noncompliance will cause violating plan holder to be placed on a watch-list to alert other City Departments of bid process issues.

All materials submitted in response to this advertisement will become part of the awarded contract; will become the property of the City and will not be returned; and will be considered public records subject to disclosure as contemplated by Ohio Revised Code Section 149.43. All materials received will be open to the public once the sealed proposals are publicly opened and read.

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

PROPOSAL GUARANTY

The bidder is required to submit a Proposal Guaranty, in the form of a Proposal Bond or Certified Check, with a surety or sureties licensed to conduct business in the State of Ohio. The amount of the guaranty shall be five (5) percent of the bid amount or numerically in dollars and cents, including all alternates submitted which increases the amount of the bid. All bonds signed by an agent must be accompanied by a surety power of attorney, most recent surety financial statement, and current Ohio Department of Insurance Certificate of Compliance.

PREVAILING WAGE RATE

Bidders must comply with the prevailing wage rates on Public Improvements in Franklin County and the City of Columbus, Ohio as determined by the Ohio Bureau of Employment Services, Wage and Hour Division (614) 644-2239.

CONTRACT PERFORMANCE AND PAYMENT BOND

A contract performance and payment bond in the amount of 50 percent of the contract price with a surety or sureties licensed to conduct business in the State of Ohio will be required to assure the faithful performance of the work. All bonds signed by an agent must be accompanied by a surety power of attorney, most recent surety financial statement, and current Ohio Department of Insurance Certificate of Compliance.

PRE-BID CONFERENCE AND SITE VISIT

There will be a mandatory pre-Bid conference held at the Lower Level Conference Room, Parsons Avenue Water Plant, 5600 Parsons Avenue Lockbourne, Ohio, on September 10, 2014 at 9:00 A.M. Following the pre-Bid conference, the CMT will conduct an overview of the sequencing of work and a tour will be given to allow Bidders to inspect the project areas and facilities.

1. Bidders who are preparing bids as prime contractors are required to attend the conference.
2. The City will reject the proposal of any bidder who fails to attend the pre-Bid conference.
3. Attendees at the pre-Bid meeting tours are required to wear hard hats, safety glasses and safety shoes.

CONTRACT COMPLETION

The contract time between Notice to Proceed and Final Completion is 1280 calendar days.

VENDOR OUTREACH

Bidders who are preparing bids as prime contractors are strongly encouraged to participate in a Pre-Bid vendor Workshop held Wednesday, September 10, 2014, at 1:00 P.M. at Auditorium and Library, 910 Dublin Road, Columbus, Ohio. The purpose of this vendor workshop is to provide interested subcontractors the opportunity to meet with the prospective prime contractors.

BID CANCELLATION AND REJECTIONS

The Director of Public Utilities may cancel the Advertisement for Bids, reject any or all bids, waive technicalities, or hold bids for a period of 180 days after the bid opening, and/or advertise for new bids, without liability to the City.

CONTRACT COMPLIANCE REQUIREMENTS

The City of Columbus encourages the participation of city certified minority and female business enterprises. While participation of and/or partnering with city certified minority and female owned businesses is not a condition of bid award, it is strongly encouraged. Bidders will receive, with the bidding documents, a CD with a list of certified City of Columbus Minority and Female Business Enterprises (M/FBE) vendors/contractors sorted by trades associated with this project.

Bidders will be given seven (7) business days after the bid submittal date to update expired contract compliance information for renewal of numbers or to initially apply for a number. If said information has not been updated within seven (7) business days from the bid submittal date, the bid/proposal will be deemed non-responsive and will no longer be considered.

BID OPENING DATE - October 3, 2014 5:00 pm

SA005538 - DESIGN INTERACTIVE EDUCATION ST EXHIBIT

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

SCOPE: The City of Columbus, Ohio is inviting professional engineering consulting firms, or teams including such firms, to submit Proposals to furnish professional services for the City of Columbus, Department of Public Utilities, Division of Sewerage and Drainage (DOSD), for Capital Improvements Project Number 611023-100000 - DESIGN OF AN INTERACTIVE EDUCATIONAL STORMWATER EXHIBIT pursuant to Columbus City Code 329.14. Proposals will be received at the Division of Sewerage and Drainage, 1250 Fairwood Avenue, Room 1021, Columbus, Ohio 43206 until 5:00 P.M. on Friday, October 3, 2014.

General Project Descriptions

611023-100000 --- DESIGN OF AN INTERACTIVE EDUCATIONAL STORMWATER EXHIBIT

The City of Columbus Division of Sewerage and Drainage (DOSD) initiated CIP 611023 in partnership with the Grange Insurance Audubon Center (GIAC) and Columbus and Franklin County Metropolitan Parks District to create a cohesive, interactive educational site with unique experiences that engage visitors in learning about how individual behaviors impact the community. The Environmental Protection Agency has said that pollution carried by stormwater is the biggest threat to our waterways and individual daily activities; can greatly reduce the amount of pollution entering our streams.

The project area is the GIAC facility at 505 West Whittier St., Columbus, OH 43215, and the land immediately surrounding it. This area already houses many green features in and around its building, including examples of stormwater BMPs which will be made interactive and part of a comprehensive educational site as part of this project. The site contains space available for the construction of one new stormwater management feature which will be included in this design.

giac-audubon.org/Tour/home.html hosts a view of the GIAC and Scioto Audubon Metro Parks site and highlights some of the features found there.

Target Audiences shall include but may not be limited to:

- * All age groups
- * Students
- * Families
- * Home Owner Associations
- * Developers/contractors

Visitor Experiences shall include but may not be limited to:

- * Guided as part of educational program
- * STEM-compatible curriculum for grades 3 through 8
- * Self-guided opportunities through exhibits/displays, apps, website, brochures and signage
- * Convey our message to developers/contractors/building owners and managers (USGBC, BOMA)
- * Metro Parks and GIAC's story is captured and conveyed (lessons learned)
- * Cost/benefits of implementing stormwater BMPs
- * Demonstrate life cycle cost

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

- * Inspire confidence, expertise, credibility
- * Convey understanding of watersheds, flow of water to tributaries, rivers, and ultimately to the Gulf of Mexico

Learning Outcomes and visitor take-aways shall include but may not be limited to:

- * Able to apply what was learned
- * Understand large scale (example: cistern) applications vs. small scale (example: rain barrel) applications
- * Buy-in and support for stormwater BMPs
- * Expand range of known options to choose from
- * Know that what we each do matters
- * Inform people on how we can become a part of policy change
- * We are/this is part of a shift in culture - not impossible, part of a process, how can you start
- * Collaboration - we are each part of the success
- * Spectrum from formal to natural plantings and styles
- * An understanding of the causes of stream bank erosion and how BMPs can help slow erosion
- * Know the connection between what goes on in your yard and the quality of our waterways
- * What a healthy stream/river looks like
- * Myth or fact on pests (rats, ticks, mosquitoes) in BMP areas
- * Advantage of meadow vs. mowed area
- * Effect of pesticides and fertilizers on water quality
- * Importance of backyard habitat especially during changes in climate that are occurring
- * Limit paper, brochures, handout materials and other disposable content

Other Considerations:

- * Add a page that features the project onto GIAC's existing web site
- * Built-in allowance for evolution of green technologies
- * Keep information current
- * Plan for regular updates and ongoing maintenance
- * Measurements of success
- * Public Art: The City of Columbus has initiated a Public Art Program. It is anticipated that specific opportunities for public art will be identified by the design team as the project plan is developed and that a separate artist call, or calls, will be issued by the Public Art Program around these opportunities.

General Design Requirements

The lead Consultant shall be responsible for all work necessary to establish and/or verify existing site conditions including stormwater BMP's and Green Infrastructure; proposed stormwater design flows in existing and proposed stormwater systems impacted by this improvement; securing existing plan information; perform additional investigations as required to design this improvement; prepare required hydraulic calculations; summarize all preliminary design findings, investigations, and recommendations into a BCE report and a final Design Report; collect all necessary site survey information; prepare construction drawings, cost estimate(s), specifications, and bid documents; investigate need for and document all required construction permits (such as zoning, electrical, building, regulatory (EPA, City, etc.)); prepare,

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

submit, and secure all such construction permits; review construction shop drawing submittals and associated documents during construction of this project; provide oversight during the course of construction to ensure proper implementation of the proposed improvements and modifications to the GIAC.

The lead consultant shall submit a design report, construction plans in CC drawing format, specification documents, and complete all project tasks (excluding construction phase) for this project within 365 days after the notice to proceed is issued.

The lead Consultant shall submit information to document prior experience and qualifications of the Design Team members. The team shall have previous experience in the design of stormwater infrastructure, BMPs and Green Infrastructure; designing creative, interesting and fun interactive displays using a variety of technologies; developing project-based learning to support STEM curriculum; identifying specific public art opportunities within the larger project plan so a specific artist call can be developed; and providing design services during construction.

The team members shall research various alternatives and recommend the most economical and best solution to the City. The final project submittal will include the production of all design documents, drawings, specifications and contract documents required to construct the proposed facilities. This work shall also include utility conflict sewer redesign and shop drawing review services during construction.

Proposals will be reviewed by the City; the City will enter into contract negotiations with the highest ranked offeror. If negotiations fail with the offeror they shall be terminated and the City will enter into contract negotiations with the next highest ranked offeror. This process will continue until the contract is successfully negotiated.

CLASSIFICATIONS: ALL OFFERORS ARE REQUIRED TO OBTAIN A COPY OF THE INFORMATION PACKAGE, which will be available for pick-up at 1250 Fairwood Avenue, Room 1021, Columbus, Ohio 43206 beginning Wednesday, July 30, 2014. There is no charge for the first information package. Any subsequent packages shall be \$25.00.

QUESTIONS: All questions regarding this RFP should be presented via email submittal as soon as possible but no later than the 5:00 p.m. on Friday, September 12, 2014 to Mark Timbrook, P.E. mdtimbrook@columbus.gov and Anita Musser almusser@columbus.gov Answers to RFP questions will be given and addenda will be issued, if necessary by Friday September 19, 2014.

For additional information concerning this request, including procedures for obtaining a copy of the of the RFP, you must go to the City of Columbus Vendor Services web page (<http://vendorservices.columbus.gov>) and view this bid number in the open solicitations listing.

BID OPENING DATE - October 17, 2014 3:00 pm

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

SA005581 - DOW- RINEHART DPU COMPLEX EXT SITE IMP

The City of Columbus Department of Public Utilities, Division of Water is requesting proposals for the Dana G. `Buck? Rinehart Public Utilities Complex Exterior Site Improvements project, C.I.P No. 690026-100010. The work for which the proposals are requested consists of professional engineering design services for the exterior improvements of the Public Utilities Complex site. Proposals will be received by the City until 3:00 p.m. EST, Friday, October 17, 2014. No proposals will be accepted thereafter.

All offerors are required to obtain an information package containing instructions on the expected format for the proposals. These may be obtained beginning Tuesday, September 2, 2014 at the Division of Water, Distribution Engineering Office, 910 Dublin Road, 2nd Floor, Columbus, OH 43215.

Offerors may examine existing studies by appointment only at the Water Distribution Engineering Office, 910 Dublin Road, 2nd Floor, Columbus, Ohio 43215. No copies or photographs of the studies will be allowed. Contact Evan DiSanto, P.E., LEED AP at (614) 645-7677, emdisanto@columbus.gov, to schedule an appointment to review the studies.

A pre-proposal meeting will be held on Tuesday, September 30, 2014, at 10:00 A.M. EST at 910 Dublin Road, Columbus, Ohio 43215 in the 1st floor Auditorium. A walk-through of the site will follow the pre-proposal meeting. Attendance is not mandatory, but it is highly encouraged.

All questions shall be submitted in writing to Evan DiSanto, P.E., LEED AP, Water Distribution Engineering Section, Division of Water, 910 Dublin Road, Columbus, Ohio 43215, (614) 645-7677, emdisanto@columbus.gov, no later than 3:00 p.m. EST, Wednesday, October 8, 2014. All questions and responses will be shared with all parties obtaining a project information package.

For additional information concerning this request, including procedures for obtaining a copy of the Request for Proposals and how to submit a proposal, you must go to the City of Columbus Vendor Services web page (<http://vendorservices.columbus.gov>) and view this bid number in the open solicitations listing.

Columbus Recreation and Parks Permit and Rental Services Section

Revised

Administrative Rules for private boat docks and stakes on City Reservoirs (not to include boat club leased properties):

Columbus City Code, section 921.01-8 (O)(1) provides that: **“The Recreation and Parks Commission may adopt administrative rules for floating boat dock construction, maintenance and other privileges pertaining to the use of undeveloped city parkland. Violation of administrative rules shall result in the temporary or permanent revocation of docking privileges and/or impoundment of vessel(s) and removal of associated structures on parkland.”** Pursuant to the above-mentioned authority, the Recreation and Parks Commission does hereby approve and adopt the following administrative rules listed below.

These Administrative Rules shall be effective thirty days after being approved and signed by the Recreation and Parks Commission and the Director of the Recreation and Parks Department and published in the City Bulletin. These Rules may be superseded by an act of City Council.

Existing authorized docks exceeding any applicable design limitations as specified in these rules, may continue to be authorized until such time as the contiguous property owner either (i) fails to **renew the annual permit** or (ii) **transfers title to the property**.

The Recreation and Parks Department reserves the right to require general liability insurance naming the City of Columbus as an addition insured from private dock, stake, or mooring customer with at least a ninety (90) day notice.

As used in these Rules, the following definitions shall apply:

1. Abandoned - means any personal property, including a dock or other structure, that has remained on or attached to City property for at least 48 hours that does not have a valid dock permit, or is extensively damaged, or is considered a navigational hazard, regardless of whether it is being actively used by a contiguous property owner.
2. Header dock - The primary structure of a floating dock. The section of dock in which other dock sections or a ramp is attached to.
3. Finger dock - A secondary dock extension from the header dock.
4. Mooring - buoy or float providing a tie off for a boat, set to an anchor to hold the boat secure.
5. Ramp - The section of the dock that connects the floating portion of the dock to the shore (some docks may be on feet or wheels).
6. “I” Dock - For purposes of these administrative rules, an “I” dock shall mean a dock extending from shore in a straight line, generally perpendicular to the shoreline, with no sections attached to the header dock.
7. “T” Dock - For purposes of these administrative rules, a dock generally consisting of a header dock with a finger dock attached in the shape of a “T”, or can be an inverted “T” shape.
8. “L” Dock - For purposes of these administrative rules, an “L” dock is a dock shaped like an “L”, with one side being the header dock and the other side a finger dock, and can be placed in several positions according to need or preference.

9. “U” Dock - For purposes of these administrative rules, a “U” dock consists of a header dock generally parallel to the shore (but may be perpendicular), with at least two finger docks extending from the header dock into the shape of a “U”, “F”, “E” or similar type shape.
10. Platform Dock - For purposes of these administrative rules, a platform dock is a dock that is attached to shore by a ramp, and generally is described as a square or rectangular shape (although it may take different shapes), and can moor multiple vessels from respective sides.
11. Spuds - For the purpose of these administrative rules, spuds are defined as metal posts, no wider than 4” in diameter, inside a sleeve attached to the dock that stabilize the dock by use of friction against the riverbed and not by being driven, drilled, augured or pushed into the riverbed. The “foot” end of the spud (the portion against the river bottom) must be capped or otherwise closed and not be an open pipe. Spuds should not have chisel shaped or pointed ends.
12. Stake - A metal or wood post, not to exceed four (4) inches in diameter, extending a minimum of four (4) feet and a maximum of six (6) feet above the ground, to secure a watercraft to shore.
13. Rip rap - The placement of rocks or other similar materials as approved by the Division of Power and Water in accordance with United States Army, Corps of Engineers regulations to prevent or reduce shoreline erosion.
14. Director - “Director” shall mean the Director of Recreation and Parks or his or her duly authorized designee.
15. Structure - “Structure” means a combination of materials, other than a building, to form a construction that is safe and stable including, but not limited to, docks, stadium, gospel or circus tent, reviewing stand, platforms, staging, observation tower, shed, coal bin, or fence in excess of six (6) feet in height. The term “structure” shall be construed as if followed by the words “or parts thereof.”
16. Building - “Building” means any structure having a roof supported by columns or walls, or any series of structures separated only by “fire separations” but contained under a common roof or within common walls, and requiring a building permit in accordance with Title 41 of the Building Code that is used for shelter, occupancy, enclosure, or support of persons, animals, or property.
17. Encroachment - “Encroachment” means any building, structure, or personal property that extends beyond the property line of a contiguous property owner and trespasses onto City owned or controlled property.

Administrative Rules:

- 1) Plans for new docks and stakes or for alterations to existing docks and stakes must be submitted to the Columbus Recreation and Parks, Permit and Rental Services Section. All structures must comply with the current City of Columbus Code (CCC 921.01-8), and all specifications authorized by the United States Army Corps of Engineers under federal regulation. When in conflict, whichever code is more restrictive takes precedence. In cases where private property meets the water’s edge, dock permits are still required pursuant to the following rules, as the City of Columbus regulates all City waterways. A valid Land Stewardship Agreement must be on file with the City of Columbus prior to the issuance of any dock or stake permit.
- 2) Plans for new docks and stakes or alterations to existing docks and stakes must include the following:
 - a) Plat plan of the property with the owner’s name and address and the proposed location of the dock or stake plainly marked.
 - b) Detailed plan of the dock illustrating:
 - i) Dimensions
 - ii) Materials
 - iii) Method of attachment to shore
 - iv) Proposed alterations
 - c) Proposed dates for construction and installation (which must be at least 10 business days later than the date of submission) are subject to the approval of the plan.
 - d) Requests for stairs, if necessary, must be included in the application (certain restrictions apply, see items 17 and 18).
- 3) The overall width of any section of any private floating dock may not be less than four (4) feet.
- 4) The overall width of any Finger dock may not exceed six (6) feet.

- 5) The overall width of any header dock may not exceed eight (8) feet.
- 6) The overall width of any platform dock may not exceed twelve (12) feet.
- 7) The overall width of any ramp section may not exceed eight (8) feet.
- 8) Flotation for the floating docks must meet or exceed Federal and Ohio Department of Natural Resources standards. Metal drums and plastic barrels are not permitted. Treated wood materials used for decking and/or walkways shall comply with Federal and State Environmental Protection Agency recommendations and regulations. All wooden materials should be free of any chemicals that are toxic to aquatic life. Lumber pressure-treated with Alkaline Copper Quaternary (AQC) process is very corrosive therefore specialcareshould be used when selecting fasteners and hardware. (US ACOE Rule #3) Galvanized or plated hardware should be used in dock construction.
- 9) The dock (including any ramp, attachment(s) and including any vessel(s)) may not extend greater than forty (40) feet from the on shore platform or twenty five percent (25%) of the width of the channel at that point, whichever is less. The overall area of any dock, including any vessel(s) docked at that location, may not exceed twenty-six (26) feet in width (parallel to shore) The forty (40) feet will be the measurement of the length of the dock and ramp at the point it is attached to the landing platform or otherwise affixed to shore and not the distance it extends into the reservoir due to the angle of attachment.
- 10) The floating dock structure shall not have any walls or enclosed areas. An open sided canopy may be permitted provided that the overall height of the canopy structure does not exceed twelve (12) feet from the surface of the dock. Canopy covers must be metal, canvas, nylon or other fabric and no advertising may be displayed on the canopy.
- 11) As part of the floating dock permit there may be a landing platform area on shore, not to exceed eighty (80) square feet in size. The only purpose of this platform is to provide a secure structure to serve as an attachment point for the floating dock. No concrete, cement or mortar is permitted as part of this platform. This structure may not include any walls, roofs or other improvements except an approved handrail if desired. The landing platform shall be constructed at ground level unless the terrain is not even, then only elevated enough so that the platform may be level as close to the ground as possible. The landing platform may not extend over the water beyond the ordinary high water mark (as defined by the U.S. Army Corps of Engineers).The specific site of the landing platform will be determined by the Director based upon best management practices.
- 12) No part of the floating dock, stake(s), or permitted landing platform may be constructed from any materials or constructed in any manner to be considered a permanent structure. (i.e. there will be no use of concrete and all sections must be removable by use of common hand tools). Tying to trees (either the dock or any watercraft) or attachment to any natural feature (rocks, stumps, etc.) is strictly prohibited.
- 13) Each qualified, contiguous, private property owner will be permitted a maximum of one private floating dock permit. Each private floating dock may be permitted to moor no more than three vessels registered to that private property owner (provided that all three vessels and dock fit into the area described in item 9).
- 14) The proposed location of the private floating dock, stake(s) or mooring shall be determined by the Director and contained within the area of City of Columbus owned shoreline defined by an extension of the contiguous, private property owner's boundary lines. In cases where the angles are not perpendicular, or nearly perpendicular, this area will be determined by drawing a line perpendicular to the shoreline back to the contiguous, private property owner's sideline. In the case of private moorings, the length of the mooring rope/chain/cable shall not allow the vessel to exceed this area. If there is not a suitable site within this area, the request may be denied.
- 15) When permitted, private moorings must be located no farther than fifty (50) feet from the normal pool shoreline, but may not be any further than 25% of the width of the channel at that point. Moorings will only be considered for use on Hoover and O'Shaughnessy Reservoirs. Mooring anchors must be approved before placement and should be properly sized for the boat being moored (items such as used engine blocks are specifically prohibited). Each private mooring must be marked with at least a twelve (12) inch round diameter, orange marine buoy. The owner's address must be clearly marked upon the buoy.

- 16) When an application is approved, a contiguous, private property owner may install a boat stake or stakes. The stake(s) shall be driven or set into the ground by the permit holder at a site designated by the Director. No concrete or cement may be used. The stake(s) shall have a space for the permit decal and owner's address to be displayed, facing the water. The stake(s) shall be maintained in a safe condition by the permit holder and removed by the permit holder in the event that the stake permit is not renewed for any succeeding year. Boat stake(s) may not be relocated (due to low water levels, better access or any other reason) without written permission from the Director.
- 17) If the Director determines that any dock, structure, stairs, or other previously approved improvement (located on or attached to City property has become a detriment to the City, the person who installed such improvement shall remove it at their expense upon receiving written notice of the Director's determination. If the person who installed the improvement is no longer the contiguous property owner, the City may remove and dispose of said encroachment.

If the current contiguous property owner wishes to continue to use the improvement in conjunction with a pre-existing dock or stake, that property owner (referred to herein as the "responsible party") may submit a request to the Director to allow the improvement to remain. If the Director allows the improvement to remain, the responsible party must do all of the following:

- 1.) Submit a new or renewal dock/stake permit application
- 2.) Submit a signed Responsibility Form
- 3.) Keep the dock or stake permit current and valid.

If at any time the responsible party fails to renew their dock or stake permit by the annual March 15 deadline, the improvement shall no longer be approved and must be removed at the expense of the responsible party.

In areas where it is necessary, as determined by the Director, a single set of wood or properly reinforced steps may be approved to access the dock as part of an approved path. Installation of new stairs must be in compliance with City of Columbus building codes. The stairs must not be set in concrete.

18. In cases where there are violations with the land stewardship agreement, contiguous property owners shall have up to one calendar year from the notice of violation to resolve said violations. If the violations are not resolved after one year, the Director may revoke the private dock, stake or mooring permit.

- 19) The five (5) foot wide path to allow access to the private dock or stake (as described in Columbus City Code 921.01-8 (N) may be mown, but must be maintained in as natural a condition as possible and may not include cement, mortar, bricks or boardwalks. The Director must approve the location of this path. The path must follow the most direct line to the shoreline that affects the least amount of vegetation or natural features of the City of Columbus property. Permission to cut down trees or alter the landscape to create a path will not be granted, except that cutting of trees and brush less than 1" in diameter at the ground may be approved on a limited basis with permission.

a) When necessary due to site conditions, the following improvements may be considered for a permit.

- i) Washed river gravel on top of filter fabric, not to exceed three (3) inches in depth.
- ii) Pavers or natural stones not to exceed sixteen (16) inches in diameter and not to be set closer than six (6) inches together.
- iii) Options "i" and "ii" combined provided all conditions of both are met.

b) Paths may not be approved if the following conditions exist:

- i) If location of the path would threaten rare or endangered species of plants or wildlife. The Ohio Department of Natural Resources shall be considered the naming authority for these species.
- c) Areas of shoreline that are within designated Nature Preserve areas will not be permitted any modifications to accommodate a dock or path, but may be approved if the naturally existing conditions are acceptable (pursuant to City Code (Title 9, Chapter 921.01-8 (A)(2)).

- 20) The installation of facilities conducive to human habitation; including but not limited to household furnishings, water or electrical lines or hook ups, living quarters, sewers, toilets, or fueling facilities are not permitted on any private

floating or permanent dock.

- 21) Electrical service existing as of the effective date of these Administrative Rules on City of Columbus property that was previously authorized by the City of Columbus in writing will be allowed to remain until such time as there is a failure to submit an annual permit application with the applicable rental fee. In the event of a failure to submit an annual permit application the electrical service must be removed by the contiguous property owner at their expense. If the contiguous property owner fails to remove the electrical service the City may do so. Future dock permits will not be considered until the electrical service is removed.

For as long as the electrical service remains, the adjacent property owner must provide and maintain a lath marker where the electric line crosses the private property line onto City property and a like marker near the dock marking the same. The marker should indicate, in writing, "under-ground electric - do not dig". The material for the marker should be the same as markers used for roads and highways that is flexible plastic, which would not pose any threat of impaling a person. Failure to maintain these markers in accordance with this section at all times will be cause for immediate suspension or revocation of the dock permit.

In the event that there is any question as to whether the installation or the device meets all codes, the permit holder will be required to submit a letter from a licensed electrical contractor stating that he/she has personally inspected the device and installation and affirming that the installation and the device meets all City, State and Federal codes.

Solar powered, battery operated or self contained generator operated devices may be approved by the Director. Before any such device is installed the property owner must provide a sketch of the proposed electrical devices to be installed in connection with the dock permit. This sketch must include all lights, outlets, and related accessories. If the permit holder elects to use an extension cord to power a permitted electrical device at a dock then the cord may only be used when the permit holder is at the dock actively using the device. Extension cords must be plugged into a GFCI (ground fault circuit interrupter) outlet on the adjacent, private property. At all other times the extension cord must be removed from the park property.

The quantity of lights must be kept to a minimum, and are limited to the path and dock/stake/mooring. All lights must be directed downward and not toward the water, other residences or parks areas.

- 22) A hand powered or mechanical boatlift will be permitted so long as all other rules pertaining to docks are followed. Lifts that require electricity must comply with the established electric service rules contained within these Administrative Rules (item #21). Application for a boatlift must be **in writing** as part of the proposed dock plan and include specifications of the lift device.
- 23) No pilings may be driven through the water into the riverbed. Guide or support poles attached to the dock (or lift device) must have flat *feet* that rest on the riverbed or use non-driven spuds. Spuds must be removable using common hand tools and the permit holder must be able to demonstrate this upon request of the Recreation and Parks Department. Failure or inability to remove the spuds will be considered grounds for revoking dock privileges.
- 24) All floating docks, stakes and associated structures not previously authorized by the City prior to the effective date of these Administrative Rules must be designed and constructed to have the least impact visually and physically upon the City of Columbus owned property and dock must be maintained in a safe condition. Permittees must make every reasonable effort to construct and operate the authorized dock or stake(s) in a manner so as to minimize any adverse impact on fish, wildlife and natural environmental values including water quality.
- 25) Permitted docks and stakes must properly display the annual permit and property address (address must include at least the house numbers in three (3) inch high letters) on the dock structure or stake(s). The permit and address shall be placed on the dock or stake and face the open navigable water, visible to patrol watercraft.
- 26) The primary purpose of the private floating dock structure shall be as a safe mooring for permitted watercraft. This regulation does not exclude the permit holder, his/her family and guests from legally fishing from the dock. Personal property used in connection with recreational water activities, such as chairs, dock boxes, mooring lines, and so forth, shall be permitted on dock structures so long as such property is not otherwise prohibited by paragraph 18, this Section

or other Sections of these Rules. Private docks may not have any items attached to them or be used for any purpose other than safe mooring of permitted watercraft. Guest watercraft meeting code requirements, may moor to the permit holder's dock, however if the duration exceeds sixteen (16) hours on any date, the permit holder must obtain a temporary permit from the Columbus Recreation and Parks Permit and Rental Services Section, and all related regulations apply.

- 27) Requests for modifications or renovations to an existing dock must be in writing and approved by the Director. No work shall commence until the Director's written approval is received by the property owner. The property owner is hereby authorized to make minor repairs to the dock and associated structure when necessary to ensure the safety of the users. These repairs must use identical replacement materials and may not alter the appearance or dimensions of the permitted structure. No chemical treatments may be applied (paint, waterproofing, etc.) while the dock structure is in the water or sitting on City of Columbus owned property.
- 28) Private boat docks, stakes, associated structures and fixtures, other encroachments or private property discovered on or attached to City of Columbus park land without permission or in violation of Columbus City Code or these Rules will be considered abandoned and may be removed and disposed of by the Recreation and Parks Department; the Columbus Division of Power and Water acting as an agent of the Recreation and Parks Department under the terms of the "Water Supply Reservoir Cooperative Management Agreement", or by any law enforcement officer within their jurisdiction.
- a) Prior to removing abandoned private, personal property from City of Columbus property, the City will send notice to the contiguous property owner to allow them the opportunity to remove the personal property on their own. A letter sent via first class, U.S. mail to the name and address listed on the county auditor's web site for the contiguous property requesting removal within 30 days shall be deemed sufficient notice.

The Recreation and Parks Commission and the Director of the Columbus Recreation and Parks Department hereby adopt and authorize these Administrative Rules.

GRAPHICS COMMISSION
CITY OF COLUMBUS, OHIO
SEPTEMBER 16, 2014**

The City Graphics Commission will hold a public hearing on **TUESDAY, SEPTEMBER 16, 2014**

at 4:15 p.m. in the First Floor Hearing Room, Department of Building & Zoning Services, 757 Carolyn Avenue.

The City Graphics Commission hears requests for Variances, Special Permits, Appeals, Graphics Plans and certain Miscellaneous Graphics, as provided by the Columbus Graphics Code, Title 33, Article 15 of the City Codes.

SPECIAL NOTE TO APPLICANT: YOU OR YOUR REPRESENTATIVE MUST ATTEND THIS MEETING. It is the rule of the Commission to withdraw an application when a representative is not present.

Meeting Accommodations: It is the policy of the City of Columbus that all City-sponsored public meetings and events are accessible to people with disabilities. If you need assistance in participating in this meeting or event due to a disability as defined under the ADA, please call the City's ADA Coordinator at (614) 645-7671 or email raisbell@columbus.gov at least three (3) business days prior to the scheduled meeting or event to request an accommodation.

1. Application No.: 14320-00461 (POSTPONED)

Location: 2189 EAKIN ROAD (43223), located on the south side of Eakin Rd., approximately 866 ft. west of Harrisburg Pk.

Area Comm./Civic: Hilltop Area Commission

Existing Zoning: M, Manufacturing District

Request: Variances and Graphics Plan(s) to Section(s):

3377.24, Wall signs for individual uses.

To increase the allowable square footage of a wall sign on a wall with a public entrance but which does not face a public street from 284 sq. ft. to 1,000 sq. ft. Also, to allow the display of a wall sign on a façade of a building that does not have a public entrance to a street and to permit the use of the Table of Elements to determine the maximum allowable size of a sign that would be allowed if there was a public entrance on the street frontage. (To increase the allowable square footage of a wall sign facing Eakin Rd. from 348 sq. ft. to 1,408 sq. ft.)

3377.20, Permanent on-premises wall and window signs.

To allow the installation of wall signs on the north and east elevations of a commercial building that exceed the allowable graphic area as determined by the Graphics Code.

3375.12, Graphics requiring graphics commission approval.

To allow the installation of a wall sign to identify a use on a wall enclosing a use but which does not have a direct public entrance to the use on the same façade.

Proposal: To allow the display of wall signs that exceeds the allowable square footages by the graphics code and to allow a graphic display on a wall facing a street without a public entrance.

E-mail: JFFreise@Columbus.gov

5. Application No.: 14320-00376

Location: 2140 NORTH FOURTH STREET (43201), located at the Southeast corner of East Northwood and North Fourth Street.

Area Comm./Civic: University Area Commission

Existing Zoning: AR-4, Apartment Residential District

Request: Variance and Special Permit(s) to Section(s):

3376.04(B), Residential complex identification signs.

To reduce the setback of a ground sign from 15 feet to 5 feet.

3376.04(C), Residential complex identification signs.

To reduce the setback of an illuminated ground sign in a residentially or institutionally zoning district from 50 feet to 0 feet.

3378.01(D), General provisions.

A special permit shall be required to allow installation of any permanent or temporary off-premises sign not specifically provided for in this Graphics Code, including, but not limited to, any off-premises directional sign.

Proposal: To install an illuminated ground sign for a residential apartment complex.

Applicant(s): DaNite Sign Co., c/o Stanley W. Young, III; 1640 Harmon Avenue; Columbus, Ohio 43223

Property Owner(s): Richard A. Talbott, TR; 442 East Northwood Avenue; Columbus, Ohio 43201

Attorney/Agent: Applicant

Case Planner: Jamie Freise, 645-6350

E-mail: JFFreise@Columbus.gov

6. Application No.: 14320-00609

Location: 3140 & 3160 OLENTANGY RIVER ROAD (43202), located on the east side of Olentangy River Rd., approximately 922 ft. north of Riverview Dr.

Area Comm./Civic: None

Existing Zoning: C-4, Commercial District

Request: Variance(s), Special Permit or Graphics Plan

3375.12, Graphics requiring graphics commission approval.

To allow the display of an off-premises graphic at a neighboring property.

3372.806, Graphics.

To reduce the minimum sign setback from 6 ft. to 3 ft. To increase the allowable sign area from 60 sq. ft. to 181 sq. ft. and the graphic area from 40 sq. ft. to 157 sq. ft. To not display the business address on the sign.

To not construct the base of the sign with limestone veneer with flush raked mortar joints.

Proposed Use: To allow the installation of an off-premises panel to identify a hotel on an existing restaurant ground sign and to install signs with combined area that exceed the allowable height, sign size and graphic area.

Applicant: D.F.F. Hampton, L.L.C.; 511 N. Park St.; Columbus, Ohio 43215

Property Owner: Sandra Davidson & Sharon Von Maur; c/o Bob Evans Farms, Inc.; 3776 S. High St., P.O. Box 7863; Columbus, Ohio 43207

Attorney/Agent: Same as applicant.

Notice/Advertisement Title: Hearing on Car-Sharing Services Ordinance

Contact Name: Annie Marsico

Contact Telephone Number: (614) 645-5344

Contact Email Address: AEMarsico@columbus.gov

Columbus City Councilmember Michelle M. Mills, chair of the Environment Committee, will hold a public hearing to discuss a proposed ordinance that would allow the operation of car-sharing services in the city of Columbus. This ordinance would amend Title 21 of the Columbus City Code to establish regulations for car-sharing services.

With passage of Ordinance 2105-2013 on September 23, 2013, Columbus City Council approved a one-year pilot of car-sharing. The pilot was recommended by the Columbus Transportation and Pedestrian Commission, and received support from many civic associations, business associations and area commissions in the area proposed for the pilot. The Department of Public Service has monitored the performance of the pilot and recommends that the Columbus City Code be amended to allow the Director of Public Service to promulgate rules and regulations and administer annual permits to allow car-sharing services.

Date: Wednesday, September 17, 2014

Time: 5:00

Location:

City Hall
Columbus City Council Chambers
90 West Broad Street
Columbus, OH 43215

Public testimony will be accepted. General rules of speaking before Council apply. Anyone wishing to address City Council on this matter must fill out a speaker slip before 5:30 pm on the day of the hearing. The meeting will broadcast live on CTV, Columbus' cable access channel 3.

Information regarding examinations, for which the Civil Service Commission is currently accepting applications, is located on our website at www.csc.columbus.gov and is also posted at the Commission offices located at 77 North Front Street, 3rd Floor, Columbus, Ohio as well as on the 1st Floor in the City Job Center. Please note that all visitors are required to produce a picture ID, authenticating their identity, in order to visit the applications area on the 3rd Floor. Applicants interested in City jobs should check our website or visit the Commission offices.

**PLACEMENT OF TRAFFIC CONTROL DEVICES AS RECOMMENDED BY THE
DIVISION OF TRAFFIC MANAGEMENT**

EFFECTIVE DATE: AUGUST 13, 2014

Whereas, an emergency exists in the usual daily operation of the Department of Public Service, Division of Traffic Management, in that certain traffic control devices must be authorized immediately in order to preserve the public health, peace, property, and safety; now, therefore,

Under the power vested in me by Chapters 2105 and 2155 of the Traffic Code of Columbus, Ohio, I hereby determine that based on studies conducted by and recommendations made by the Division of Traffic Management, that the following traffic regulations are necessary and I hereby authorize on the effective date of this order, or as soon thereafter as practical, the installation and/or removal of appropriate traffic control devices as follows:

SECTION 2105.08 STOP AND YIELD INTERSECTIONS

Yield signs shall be removed from intersections as follows:

OLENTANGY RIVER RD shall no longer yield to BETHEL RD

SECTION 2105.09 TURNS AT INTERSECTIONS

Turn prohibitions shall be removed as follows:

westbound left turns
from CLEVELAND AVE at HUDSON ST

Any existing traffic restrictions, prohibitions or traffic control devices which conflict with these orders shall be declared null and void and shall be removed.
