SA006096 - OCM-CENTRAL SAFETY BUILDING SPACE STUDY

BID NOTICES - PAGE # 1

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

1.1 Scope: The City of Columbus, Department of Finance and Management is receiving proposals until 1:00 P.M. local time November 17, 2015, 2015, for professional architectural/space planning/programming services for the Central Safety Building Space Study project. Proposals are being received electronically by the Department of Finance and Management, Office of Construction Management. Proposals shall be submitted to DFMRFP@columbus.gov. Hard copies shall not be accepted.

Project Overview:

Professional space planning and programming services are requested for evaluation of existing space usage of the Central Safety Building located at 120 Marconi Boulevard, Columbus, OH 43215, with the goal of conducting a current assessment of space and work adjacencies to determine the most efficient space utilization and stacking of the building to enhance communication and efficiency. Existing walls, mechanical, electrical, and plumbing shall remain "as is" and the City does not expect this to evolve into a renovation project, although some systems furniture may need to be moved around. This eight-story, 176,000 SF building, was built in 1990.

Scope of Improvements:

The Consultant/Interior Designer will be responsible for the complete space planning and programming, including but not limited to: cost estimating, plan drawings (if applicable), furniture layout drawings, electrical/voice/data drawings, security requirements, and other services required for the complete evaluation of the facility.

The services shall be in conformance with all applicable Federal, State, and local laws, codes, ordinances, and regulations. The services shall conform to all Occupational Health and Safety Administration, Environmental Protection Agency, and Americans with Disability Act requirements.

The selected Consultant shall attend a scope meeting anticipated to be held in December or January. The purpose of the scope meeting is to finalize the scope of work and edit the scope of services to match the scope of work.

1.2 Classification: Firms wishing to submit a proposal must meet the mandatory requirements stated in the RFP. A pre-proposal meeting and facility tour shall be held at the Central Safety Building (Police Headquarters), 120 Marconi Boulevard, Columbus, OH 43215, at 10:00 AM on November 2, 2015. Attendance is strongly encouraged. Please limit the number of attendees from your firm to two people. Enter through the Marconi / Long St. entrance and we will first meet in the lobby and walk to the meeting room as a group.

All questions concerning the RFP are to be sent to DFMRFP@columbus.gov. The last day to submit questions is November 9, 2015, noon local time.. Responses will be posted on the Vendor Services web site as an addendum. Phone calls will not be accepted.

PREQUALIFICATION REQUIREMENTS

Bidders must be pre-qualified responsible or provisionally responsible at bid due date to be awarded a contract for city construction work.

Columbus City Code Section 329.20 states the following:

(c) A bid shall be deemed non-responsive if the bidder has not been prequalified responsible or prequalified provisionally responsible at the time of bid due date, pursuant to Section 329.21

(d) A bid submitted by a bidder prequalified responsible or provisionally responsible shall be deemed non-responsive if the bidder fails to submit to the contracting agency as part of its bid submission an affidavit stating one of the following, whichever is applicable:

- (1) That as of the date of bid submission, there have been no changes in the information disclosed in its application for responsibility prequalification; or
- (2) That changes in the information disclosed in the bidder's application for responsibility prequalification have been reported to the [Finance and Management Pre-Qualification Office] and that the bidder is still pre-qualified responsible or provisionally responsible.

The above-referenced affidavit is found in the Bid Forms section of this document. For information on pre-qualification status, contact the Office of Construction Prequalification at (614) 645-0359.

CONTRACT PERFORMANCE AND PAYMENT BOND

The successful bidder will be required to secure a contract performance and payment bond in the amount of 100 percent of the contract price, including the guarantee period, in accordance with Columbus City Code Section 329.14 and the current edition of the City of Columbus, Ohio Construction and Material Specifications (CMS), to assure the faithful performance of the work.

The performance and payment bond shall be issued by a guaranty company authorized to do so under the Ohio Revised Code or by a surety who is: (1) a resident of this state; (2) worth, in the aggregate, double the sum to be secured, beyond the amount of their debts; and (3) have property liable to execution in the state

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

equal to the sum to be secured.

All bonds signed by an agent must be accompanied by a surety power of attorney, most recent surety financial statement, and current Ohio Department of Insurance Certificate of Compliance. Failure to execute the contract and file an acceptable performance and payment bond(s) shall be cause for cancellation of the award and the city may file a claim under the bond.

CONTRACT COMPLIANCE REQUIREMENTS

The City of Columbus encourages the participation of city certified minority and female business enterprises. While participation of and/or partnering with city certified minority and female owned businesses is not a condition of bid award, it is strongly encouraged.

This information is gathered and monitored by the Equal Business Office (EBO). Please contact EBO for assistance with identifying potential Minority contractors. Information on contract compliance certification is available at <http://eboco.columbus.gov>

After review and approval of the scope, schedule, and fee by DOFM, DOFM shall issue a project specific Notice to Proceed.

There will be multiple projects under this contract and the A/E fee for the projects shall vary based upon the approved scope of services.

The A/E will be responsible for the complete architectural design and construction administration for each project, including but not limited to: structural, mechanical, electrical, and civil engineering; programming/space planning, site development, full design, cost estimating, construction inspection, shop drawing review; and geotechnical, environmental site assessment, landscaping, and other services as required for the completion of the project. See Section 2 for a detailed list of services. In addition to typical architectural design/construction projects, DOFM may request that the A/E provide peer review or constructability review services.

The estimated contract amount is \$280,000.00.

1.2 Classification: Firms wishing to submit a proposal must meet the mandatory requirements stated in the RFP. A pre-proposal meeting will be held at Columbus City Hall, 90 W. Broad St, Room 418, at 10:00 AM, on November 11, 2015. Attendance is strongly encouraged. All questions concerning the RFP are to be sent to DFMRFP@columbus.gov. The last day to submit questions is November 16, 2015, at 12:00 PM local time. Responses will be posted on the Vendor Services web site as an addendum. Phone calls will not be accepted.

SA006104 - R&P Alum Crest Park Improvements 2016

I. ADVERTISEMENT FOR BIDS

A. INTRODUCTION

The City of Columbus is accepting bids for Alum Crest Park Improvements 2016, the work for which consists of demolition of playground equipment, repair of pavement, supply and installation of new playground equipment, basketball hoops, site furnishings and other such work as may be necessary to complete the contract, in accordance with the plans and specifications set forth in this Invitation For Bid (IFB).

In addition to the aforementioned plans and specifications, this IFB contains the following sections:

? Section 1: Advertisement for Bids ? This section provides a brief overview of the project and bidding process. Return this section with your bid.

? Section 2: Bid Forms ? This section contains bid forms B1 through B10. Return all forms with your bid, even if you have no information to report. Please contact the contracting agency with questions.

? Section 3: Contract ? The contract section contains forms and instruments that will be used in the event of contract award.

? Section 4: Special Provisions and Technical Specifications ? This IFB may contain special provisions and technical specifications. When included, these will be found in section three and must be submitted with the bid.

In order for a bid to be considered responsive, the bidder must submit all required information for the project as outlined in the IFB.

All materials submitted in response to this advertisement will become part of the awarded contract; will become the property of the city; will not be returned; and will be considered public records subject to disclosure as contemplated by Ohio Revised Code Section 149.43. All materials received will be open to the public once the sealed bids are publicly opened and/or read.

WHERE & WHEN TO SUBMIT BID

Bids will be received by the City of Columbus, Department of Recreation & Parks, Planning & Design, at 1111 East Broad Street, Buckeye Conference Room, Columbus, OH 43205, until November 24, 2015 at 2:00pm local time. The bids will be publicly opened and read in the Buckeye Conference Room at that date and time for Alum Crest Park Improvements 2016.

TECHNICAL SPECIFICATIONS

Copies of plans and technical specifications are available at ARC, 1159 Dublin Road, Columbus, OH 43215 beginning November 3, 2015, upon a non-refundable payment per bid set to ARC. Bidders may contact ARC at (614) 224-5149 or <http://www.e-arc.com/oh/columbus> for the cost of bid sets.

CONSTRUCTION PRE-QUALIFICATION REQUIREMENT

Pursuant to Columbus City Code Sections 329.20, 329.21, and 329.211, the bidder must demonstrate that it has satisfied the city's construction pre-qualification requirements (note that this includes licensed trade subcontractors); that it is pre-qualified responsible or provisionally responsible at the time of bid due date, and is eligible to bid on City construction projects.

<p>THE CITY BULLETIN BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS</p>
--

Note that these requirements are separate and in addition to the contract compliance requirements of the Equal Business Opportunity Office (described in Section F).

If you are unsure about your construction pre-qualification status, contact the Pre-Qualification Office at (614) 645-0359 or <http://www.columbus.gov/prequalification.aspx>.

PRE-BID CONFERENCE

There will be no pre-bid conference for this project. Contact project manager with questions.

PREVAILING WAGE

Bidders are required to submit bids using current prevailing wage rates on Public Improvements in Franklin County and the City of Columbus, Ohio as determined by the Ohio Bureau of Employment Services, Wage and Hour Division. For information, call (614) 644-2239 or visit <http://www.com.ohio.gov/dico/>.

NOTICE TO PROCEED/CONTRACT COMPLETION

All work shall be substantially complete within 120 calendar days of the Notice to Proceed. The City anticipates issuing a notice to proceed around early February 2016.

BID CANCELLATIONS AND REJECTIONS

The Director of Recreation & Parks may cancel the IFB, reject any or all bids in whole or in part when it is in the best interest of the city, waive technicalities, hold bids for a period of 180 days after the bid opening, and/or advertise for new bids, without liability to the city.

CORRECTION OR WITHDRAW OF BIDS

The Director of Recreation & Parks may allow a bidder responding to an IFB to withdraw a bid by written notice prior to the opening of bids. Correction or withdrawal of construction bids shall be done per the most recent edition of the City of Columbus, Construction and Material Specifications or its supplemental specifications.

QUESTIONS

Questions pertaining to the plans and specifications must be submitted in writing only to the the City of Columbus, Recreation and Parks Department, ATTN: Jeff Anderson, via email at janderson@columbus.gov prior to November 17, 2015 at noon. Questions regarding the IFB (excluding the drawings and specifications) should be submitted to Suzy Johnson, City of Columbus, Recreation & Parks Planning & Design, via email smjohnson@columbus.gov prior to November 23, 2015 at noon.

The City or its representative will not be bound by any oral interpretations which are not reduced to writing and included in addenda. Any interpretations of questions so raised, which in the opinion of the city or its representative require interpretations, will be issued by addenda and posted on:

JOINT VENTURE INSTRUCTIONS

Be sure to complete the ?Joint Venture Statement of Intent? on page 5 of the IFB and include with the bid a fully executed, certified copy of the joint venture agreement between the business entities creating the joint venture.

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

All business entities creating the joint venture must be individually pre-qualified. See page 9 of the IFB for pre-qualification information.

To be considered "local" for application of the local preference for construction contracts, all business entities in the joint venture must meet the definition of a local business, as defined in Columbus City Code section 329.01.

The joint venture will need to be registered with the City of Columbus and receive a contract compliance number. Register at <http://vendorservices.columbus.gov/e-proc/>

If any business entity of the joint venture is a foreign corporation, or an individual or partnership non-resident of the State of Ohio, the business entity shall register with the Ohio Secretary of State's Office for the purpose of accepting service of summons, in any action in law or equity, or both, brought in the State of Ohio.

Complete the bid in the following manner:

1. The business name of the bidder shall be the name of the joint venture.
2. The bid shall be signed by an authorized representative (e.g. managing member) of the joint venture.
3. Form B1 shall include all persons and parties interested in the joint venture.
4. The bid guarantee shall be in the name of the joint venture and signed by an authorized representative of the joint venture.
5. The experience / resources listed shall be that of the business entities making up the joint venture.
6. Form B10 shall be initialed and signed by an authorized representative of the joint venture. Be sure to consider all business entities that created the joint venture when completing the Pre-Qualification Statement portion of this form.

If the contract is awarded to a joint venture, the contract shall be completed in the following manner:

1. The contract shall be signed by an authorized representative of the joint venture.
2. The performance and payment bond shall be in the name of the joint venture and signed by an authorized representative of the joint venture.
3. Insurance and Workers' Compensation Certificates shall be in the name of the joint venture.

The purchase order created by the city shall be in the name of the joint venture.

B. TERMS AND CONDITIONS

GENERAL CONTRACT PROVISIONS AND CONSTRUCTION AND MATERIALS SPECIFICATIONS

The current edition (as of the date of the bid posting) of the City of Columbus, Ohio Construction and Material Specifications (hereafter referred to as CMS) including any Supplemental Specifications published on the Department of Public Service's web site, forms the base of the bid and contract to be awarded.

Hard copies of this document are available for examination or purchase at the Department of Public Service, 50 W. Gay St., Columbus, Ohio 43215 (614) 645-8376, and at the office of the Director of Public Utilities, 910 Dublin Rd., 4th Floor, Columbus, Ohio 43215, (614) 645-6141. Note that the hard copy edition will not include any revisions (i.e., supplemental specifications) added after its publishing on February, 2012. It is the bidder's responsibility to stay current. An electronic version of the document, with revisions, can be viewed at the Department of Public Service's website at www.columbus.gov.

C. SPECIAL PROVISIONS

<p>THE CITY BULLETIN BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS</p>
--

The above noted terms and conditions in the CMS may be modified by Special Provisions, contained herein. See Section III, entitled "SPECIAL PROVISIONS" for more detail.

D. BID REQUIREMENTS - RESPONSIVENESS PROVISIONS

The city reserves the right to reject a bid it deems non-responsive. Factors used to determine responsiveness are included in Columbus City Code Section 329.23(f)(1), throughout the IFB, and in the current edition of the City of Columbus, Ohio Construction and Material Specifications, and, if necessary, its supplemental specifications.

SUBCONTRACTOR REQUIREMENTS

Bidders shall provide information in their bid about subcontractors and subcontracted work. Failure to provide the required information shall result in the bid being deemed non-responsive.

Regarding subcontractors, a bidder shall comply with all of the following requirements:

- (1) Provide a list with its bid submission of all subcontractors the bidder intends to utilize for the project and the list shall be divided into two parts, base bid (including contingency and allowances, if applicable) and alternate(s), if alternates are included in the city's bid document;
- (2) Indicate which subcontractors are licensed construction trade subcontractors, as defined in 329.01;
- (3) State, via affidavit, that the bidder's licensed construction trade subcontractors are, prequalified responsible or prequalified provisionally responsible at the time of bid submission;
- (4) List only subcontractors who are not currently suspended or debarred by the city; and
- (5) List one subcontractor for each division of work to be performed as listed in the technical specifications, or section of work in the current edition of the City of Columbus Construction and Material Specifications, whichever is applicable, of the city's bid document. In circumstances where the bidder determines that more than one subcontractor is needed to complete a division or section of work, a bidder shall explain in writing the reason(s) why multiple subcontractors are necessary, describe the work to be performed within any subdivision of a division or subsection of a section of work, and the dollar amount allocated to any subdivision of a division or subsection of work.

Form B6 shall be used to report the required subcontractor information. In addition to the information above, also provide the following subcontractor information: type of work being performed by each subcontractor, prequalification expiration date of licensed trade subcontractors, subcontractor's contract compliance number, and proposed subcontract dollar value. Please be sure to submit this form with your bid submission, even if you are not proposing use of subcontractors. Failure to do so shall render your bid non-responsive.

CHANGING SUBCONTRACTORS

After execution of a contract a Contractor must contact and receive written approval from the contracting department prior to changing subcontractors.

PREQUALIFICATION REQUIREMENTS

Bidders must be pre-qualified responsible or provisionally responsible at bid due date to be awarded a contract for city construction work.

Columbus City Code Section 329.20 states the following:

- (c) A bid shall be deemed non-responsive if the bidder has not been prequalified responsible or prequalified provisionally responsible at the time of bid due date, pursuant to Section 329.21

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

(d) A bid submitted by a bidder prequalified responsible or provisionally responsible shall be deemed non-responsive if the bidder fails to submit to the contracting agency as part of its bid submission an affidavit stating one of the following, whichever is applicable:

- (1) That as of the date of bid submission, there have been no changes in the information disclosed in its application for responsibility prequalification; or
- (2) That changes in the information disclosed in the bidder's application for responsibility prequalification have been reported to the [Finance and Management Pre-Qualification Office] and that the bidder is still pre-qualified responsible or provisionally responsible.

The above-referenced affidavit is found in the Bid Forms section of this document. For information on pre-qualification status, contact the Office of Construction Prequalification at (614) 645-0359.

PROPOSAL GUARANTEE

Each bid shall contain the full name of every person or company interested in the same and shall require a bid guarantee that if the bid is accepted a contract shall be executed. The resulting contract shall require a performance and payment bond.

The bid guarantee may take the form of a bid or proposal bond, a certified or cashier's check drawn on a solvent bank, or a letter of credit pursuant to Chapter 1305 of the Ohio Revised Code. If a bid bond is submitted, the bid bond shall be issued by a guaranty company authorized to do so under the Ohio Revised Code or by a surety who is: (1) a resident of this state; (2) worth, in the aggregate, double the sum to be secured, beyond the amount of their debts; and (3) have property liable to execution in the state equal to the sum to be secured. All proposal bonds signed by an agent must be accompanied by a surety power of attorney, most recent surety financial statement, and current Ohio Department of Insurance Certificate of Compliance.

In the event there are mutually exclusive alternates listed on the bid sheet, the Bid Guarantee shall include the maximum value of the highest alternates which increase the Bid. The Bid Guaranty amount shall be equal to or exceed (10%) percent of this total amount. Note that if the bidder submits a bid bond, the amount of said bond shall be expressed either as a percentage of the total bid or numerically in dollars and cents.

Failure to submit an acceptable bid guarantee shall result in the bid being deemed non-responsive.

SUBSTITUTIONS

Pursuant to Columbus City Code Sections 329.22 and 329.23, a bid will be found to be non-responsive if it contains alterations, omissions, or errors such that, in the judgment of the city, the bid does not respond to the IFB in all material respects, or contains irregularities or deviations from the IFB that affect the amount of the bid or otherwise gives the bidder a competitive advantage.

There are cases however where the bidding of substitutions may be permissible. When allowed by the contracting agency, Form B5 shall be used to propose substitutions to specifications and/or provisions put forth herein. Proper procedures for proposing substitutions are found in Section II (entitled "Bid Forms"). Be sure to follow these procedures carefully; failure to follow them may result the bid being deemed non-responsive.

SUBSTITUTIONS: ARE ? ARE NOT ? PERMITTED WITH THIS BID.

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

OTHER RESPONSIVENESS PROVISIONS

Other responsiveness provisions, on which your bid will be evaluated include:

- ? Whether bidder has submitted more than one proposal for the same work from an individual or entity under the same or different name, or corporation under the same name, or corporations with one or more of the same persons as officers or directors of such corporations, or corporations which are holding companies, parent companies or holding companies that are subsidiaries of such corporations;
- ? Whether bid prices are materially unbalanced as defined in the relevant sections of the technical specifications manual specified in the IFB, where applicable;
- ? Whether bidder has failed to comply with [technical] pre-qualification requirements as defined in the relevant sections of the technical specifications manual specified in the IFB, where applicable;
- ? Whether the bid contains conditions or qualifications not provided in the IFB;
- ? Whether bidder adds a provision reserving the right to accept or reject an award;
- ? Whether bidder fails to submit a unit price for each contract item listed, when required by the bid specification; and
- ? Whether bidder fails to submit a lump sum price where required.

E. BID REQUIREMENTS ? RESPONSIBILITY PROVISIONS

Pursuant to Columbus City Code Sections 329.22 and 329.23, each bid submitted shall be evaluated for the following project-specific responsibility factors:

- (a) Whether the bidder has actively engaged in the construction industry and has experience in the area of construction service for which the bid has been submitted.
 - (b) Whether the bidder has a successful record of complying with and meeting completion deadlines as well as controlling costs on similar construction projects.
 - (c) Whether the bidder has demonstrated to the city?s satisfaction adequate and appropriate resources, including, but not limited to, specialized equipment, human resources and bonding capacity for the project.
 - (d) Whether the bidder has substantial uncompleted work that would hinder the success of the project.
- Complete and submit Forms B7, B8, and B9 (found in Section II, entitled ?Bid Forms?) to fulfill the responsibility provision requirement of your bid.

F. MISCELLANEOUS PROVISIONS

LOCAL PREFERENCE PROVISIONS

Columbus City Code Section 329.212 requires the contracting agency to follow local preference procedures if the lowest, responsive, responsible, and best bid is not from a local bidder, and one or more responsive, responsible, and best bids submitted by local bidders are within 1% of that non-local bid. Submission of bid constitutes bidder?s acknowledgement and acceptance of these provisions.

The Local Preference provisions are as follows:

- (1) The contracting agency shall notify, in writing, any local bidders within 1% of the non-local bid that they may be awarded the contract if they meet the lowest bid price, and shall provide a copy of this notification, in writing, to the non-local bidder who submitted the lowest, responsive, responsible bid.
- (2) The notified local bidder(s) shall have two (2) business days from the date of notification to inform the city in writing if they agree to meet the lowest bid price and to provide a revised bid to demonstrate the same.
- (3) If one notified local bidder agrees to meet the lowest price and the city is satisfied that the revised bid is the lowest, responsive, responsible, and best, the city shall award the contract to that local bidder.
- (4) If two or more notified local bidders agree to meet the lowest bid price and the city is satisfied that one or more of the revised bids is the lowest, responsive, responsible, and best, the city shall award the contract

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

to such local bidder with the lowest original bid.

(5) If no notified local bidder agrees to meet the lowest price or if the city is not satisfied that any notified local bidder's revised bid is the lowest, responsive, responsible, and best, the city shall award the contract to the bidder with the lowest, responsive, responsible, and best bid.

(6) Submission of a revised bid does not constitute a tie bid for the purposes of Section 329.212.

The provisions of this section shall not apply to joint ventures unless all members of the joint venture are local businesses, as defined in section 329.01 of Columbus City Code.

For construction contracts procured under Columbus City Code Section 329, Article III, and if Section 329.212 applies to the evaluation, the local preference in Section 329.212 shall be applied first and the environmental preference in Section 329.17 shall be applied second.

ENVIRONMENTAL PREFERENCE PROVISIONS

Columbus City Code Section 329.17 allows for the city to give preference to an environmentally preferable bidder. An environmentally preferable bidder, as defined in Columbus City Code Section 329.01(n), is a bidder or offeror whose bid or offer consists of materials, supplies, equipment, construction and/or services which have a lesser or reduced effect on human health and the environment when compared to competing materials, supplies, equipment, construction and services that serve the same purpose. This comparison may consider any aspect of the procurement cycle, including but not limited to raw materials acquisition, production, manufacturing, packaging, distribution, reuse, operation, maintenance, or disposal of the material, supply, equipment, construction, or service. To be considered an environmentally preferable bidder or offeror, the bidder or offeror must clearly specify in their bid how their materials, supplies, equipment, construction or services qualify their bid or offer as "environmentally preferable."

In evaluating bids for construction services, preference will be given to an environmentally preferable bidder who offers a construction service equal to or superior to that of a non-environmentally preferable bidder where the environmentally preferable bid does not exceed by more than five (5) percent (up to a maximum of twenty thousand dollars (\$20,000)) the lowest, responsive, responsible, and best bid from any non-environmentally preferable bid. The environmentally preferable bidder will be required to demonstrate to the city agency procuring the construction service how their bid is equal to or superior to that of a non-environmentally preferable bidder and how the bid meets the agency's specifications as required above.

For construction contracts procured under Columbus City Code Section 329, Article III, and if Section 329.212 applies to the evaluation, the local preference in Section 329.212 shall be applied first and the environmental preference in Section 329.17 shall be applied second.

Examples of practices that would meet the definition of "environmentally preferable" shall include, but are not limited to:

a. Construction Site Waste Management Plan: Has the bidder adopted a construction site Waste Management Plan for its company in conformance with LEED New Construction Material and Resource Credit 2.1 (Construction Waste Management) that will result in at least 50% (by weight) of the construction debris generated on site being reused or recycled?

b. Fleet Policy: Has the bidder adopted a fleet policy for reducing vehicle emissions from its fleet of on and off-road vehicles? The policy should include, at a minimum, an anti-idling directive for its construction

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

sites, use of ultra-low sulfur diesel and/or alternative fuels (such as biodiesel), and a schedule for replacing or retrofitting current vehicles with emission reduction technologies.

c. Project-Specific Environmental Proposal: Has the bidder proposed the use of materials, supplies, equipment, or construction practices having a lesser or reduced effect on human health and the environment? PLEASE NOTE: Any proposed substitutions for materials or supplies must comply with City's standard specifications and the "or equal" requirements of the bid.

Does the bidder meet the definition of Environmentally Preferable Bidder?

YES? NO ?

If yes, please attach a copy of bidder's construction site waste management plan or fleet policy, as well as documentation on the adoption and implementation of said policy by the bidder. If making a project specific environmental proposal, the bidder must submit documentation citing its environmental benefits. All documentation must be received at time of bid submission for receipt of environmental preference.

Documentation attached: ?

CONTRACT PERFORMANCE AND PAYMENT BOND

The successful bidder will be required to secure a contract performance and payment bond in the amount of 100 percent of the contract price, including the guarantee period, in accordance with Columbus City Code Section 329.14 and the current edition of the City of Columbus, Ohio Construction and Material Specifications (CMS), to assure the faithful performance of the work.

The performance and payment bond shall be issued by a guaranty company authorized to do so under the Ohio Revised Code or by a surety who is: (1) a resident of this state; (2) worth, in the aggregate, double the sum to be secured, beyond the amount of their debts; and (3) have property liable to execution in the state equal to the sum to be secured.

All bonds signed by an agent must be accompanied by a surety power of attorney, most recent surety financial statement, and current Ohio Department of Insurance Certificate of Compliance. Failure to execute the contract and file an acceptable performance and payment bond(s) shall be cause for cancellation of the award and the city may file a claim under the bond.

If a contractor has not commenced his work within a reasonable time, or does not carry the same forward with reasonable progress, or is improperly performing his work, or has abandoned, or fails or refuses to complete a contract entered into under Section 329 of the Columbus City Code, the director of the contracting agency shall make a finding to that effect and so notify the contractor in writing, and the rights of the contractor to control and supervise the work shall immediately cease, per the CMS.

The director shall forthwith give written notice to the sureties on the bonds of such contractor of such action. If, within ten days after the receipt of such notice, such sureties on the contract performance and payment bond or any one or more of them notify the director in writing of their intention to enter upon and complete the work covered by such contract, such sureties shall be permitted to do so and the director shall allow them thirty days, after the receipt of such notice in writing, within which to enter upon the work and resume construction, unless such time is extended by the director for good cause shown. If such sureties do not carry the same forward with reasonable progress, or if they improperly perform, abandon, or fail to complete the work covered by any such contract, the director shall complete the same in the manner provided in this section. In the event the sureties on the contract performance and payment bond, or any one or more of them, notify the director in writing of their intention to enter upon and complete the work covered by such contract, and then fail or refuse to so complete, any additional costs reasonably incurred by the director as a result of such failure or refusal shall be computed by the director and become the liability

<p>THE CITY BULLETIN BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS</p>
--

of such surety, which is not limited by the amount of the contract performance and payment bond. If the surety fails to pay such amount, the director shall certify the facts to the Columbus City Attorney, who shall proceed to collect such additional costs from the surety.

If, after receiving notice of the action of the director in terminating the control of the contractor over the work covered by his contract, the sureties on such contract performance and payment bond do not within ten days give the director the written notice provided for in this section, the director shall cause that portion of the work which remains uncompleted to be re-estimated and relet in accordance with the requirements applicable to original bids; or in the event the director determines with the approval of the Mayor an extraordinary emergency exists, he may contract for the completion of the work without advertising the bids if he considers it to be in the best public interest.

Before entering into a contract for the completion of any such improvement, the director shall require a contract performance and payment bond with sufficient sureties each in an amount equal to one hundred per cent of the estimated cost of completing the work, and conditions relating to the bonds of original contractors shall apply to such bonds.

If the cost of completing any such improvement exceeds the portion of the contract price remaining unpaid to the original contractor at the time of his default, such excess shall be computed by the director and becomes the liability of such contractor or surety or both. If either the contractor or surety fails to pay such amount, the director shall certify the facts to the Columbus City Attorney, who shall proceed to collect such excess cost from the contractor and the sureties upon his contract performance and payment bond, and the amount so collected shall be paid into the city treasury to the credit of the fund from which the excess cost was originally paid.

CONTRACT SIGNATURE AFFIDAVIT

Form C3, "Contract Signature Affidavit" shall be used if the individual signing the contract is NOT an Officer or Member of the Company. As with Form C1, this should only be completed when necessary by the successful bidder.

CONTRACT COMPLIANCE REQUIREMENTS

The City of Columbus encourages the participation of city certified minority and female business enterprises. While participation of and/or partnering with city certified minority and female owned businesses is not a condition of bid award, it is strongly encouraged.

Bidders will be given seven (7) business days after the bid submittal date to update expired contract compliance information for renewal of numbers or to initially apply for a number. If said information has not been updated within 7 business days from the bid submittal date, the bid may be deemed non-responsive and may no longer be considered. All contractors and subcontractors who are party to a contract as defined in Columbus City Codes must hold valid contract compliance certification numbers before the contract is executed. The City is not responsible for notifying bidders of expired contract compliance numbers after bid submission.

This information is gathered and monitored by the Equal Business Office (EBO). Please contact EBO for assistance with identifying potential Minority contractors. Information on contract compliance certification is available at <http://eboco.columbus.gov>

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

I. ADVERTISEMENT FOR BIDS

A. INTRODUCTION

The City of Columbus is accepting bids for Harrison West Park Improvements 2016, the work for which consists of demolition of existing pavement and playground equipment, repair of existing walls and pavers, supply and installation of new playground equipment, concrete pavement, sign, landscaping, and other such work as may be necessary to complete the contract, in accordance with the plans and specifications set forth in this Invitation For Bid (IFB).

In addition to the aforementioned plans and specifications, this IFB contains the following sections:

? Section 1: Advertisement for Bids ? This section provides a brief overview of the project and bidding process. Return this section with your bid.

? Section 2: Bid Forms ? This section contains bid forms B1 through B10. Return all forms with your bid, even if you have no information to report. Please contact the contracting agency with questions.

? Section 3: Contract ? The contract section contains forms and instruments that will be used in the event of contract award.

? Section 4: Special Provisions and Technical Specifications ? This IFB may contain special provisions and technical specifications. When included, these will be found in section three and must be submitted with the bid.

In order for a bid to be considered responsive, the bidder must submit all required information for the project as outlined in the IFB.

All materials submitted in response to this advertisement will become part of the awarded contract; will become the property of the city; will not be returned; and will be considered public records subject to disclosure as contemplated by Ohio Revised Code Section 149.43. All materials received will be open to the public once the sealed bids are publicly opened and/or read.

WHERE & WHEN TO SUBMIT BID

Bids will be received by the City of Columbus, Department of Recreation & Parks, Planning & Design, at 1111 East Broad Street, Buckeye Conference Room, Columbus, OH 43205, until November 24, 2015 at 2:00pm local time. The bids will be publicly opened and read in the Buckeye Conference Room at that date and time for Harrison West Park Improvements 2015.

TECHNICAL SPECIFICATIONS

Copies of plans and technical specifications are available at ARC, 1159 Dublin Road, Columbus, OH 43215 beginning November 3, 2015, upon a non-refundable payment per bid set to ARC. Bidders may contact ARC at (614) 224-5149 or <http://www.e-arc.com/oh/columbus> for the cost of bid sets.

CONSTRUCTION PRE-QUALIFICATION REQUIREMENT

Pursuant to Columbus City Code Sections 329.20, 329.21, and 329.211, the bidder must demonstrate that it has satisfied the city's construction pre-qualification requirements (note that this includes licensed trade subcontractors); that it is pre-qualified responsible or provisionally responsible at the time of bid due date, and is eligible to bid on City construction projects.

Note that these requirements are separate and in addition to the contract compliance requirements of the Equal Business Opportunity Office (described in Section F).

Complete the bid in the following manner:

1. The business name of the bidder shall be the name of the joint venture.
2. The bid shall be signed by an authorized representative (e.g. managing member) of the joint venture.
3. Form B1 shall include all persons and parties interested in the joint venture.
4. The bid guarantee shall be in the name of the joint venture and signed by an authorized representative of the joint venture.
5. The experience / resources listed shall be that of the business entities making up the joint venture.
6. Form B10 shall be initialed and signed by an authorized representative of the joint venture. Be sure to consider all business entities that created the joint venture when completing the Pre-Qualification Statement portion of this form.

If the contract is awarded to a joint venture, the contract shall be completed in the following manner:

1. The contract shall be signed by an authorized representative of the joint venture.
2. The performance and payment bond shall be in the name of the joint venture and signed by an authorized representative of the joint venture.
3. Insurance and Workers' Compensation Certificates shall be in the name of the joint venture.

The purchase order created by the city shall be in the name of the joint venture.

B. TERMS AND CONDITIONS

GENERAL CONTRACT PROVISIONS AND CONSTRUCTION AND MATERIALS SPECIFICATIONS

The current edition (as of the date of the bid posting) of the City of Columbus, Ohio Construction and Material Specifications (hereafter referred to as CMS) including any Supplemental Specifications published on the Department of Public Service's web site, forms the base of the bid and contract to be awarded.

Hard copies of this document are available for examination or purchase at the Department of Public Service, 50 W. Gay St., Columbus, Ohio 43215 (614) 645-8376, and at the office of the Director of Public Utilities, 910 Dublin Rd., 4th Floor, Columbus, Ohio 43215, (614) 645-6141. Note that the hard copy edition will not include any revisions (i.e., supplemental specifications) added after its publishing on February, 2012. It is the bidder's responsibility to stay current. An electronic version of the document, with revisions, can be viewed at the Department of Public Service's website at www.columbus.gov.

C. SPECIAL PROVISIONS

The above noted terms and conditions in the CMS may be modified by Special Provisions, contained herein. See Section III, entitled "SPECIAL PROVISIONS" for more detail.

D. BID REQUIREMENTS - RESPONSIVENESS PROVISIONS

The city reserves the right to reject a bid it deems non-responsive. Factors used to determine responsiveness

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

are included in Columbus City Code Section 329.23(f)(1), throughout the IFB, and in the current edition of the City of Columbus, Ohio Construction and Material Specifications, and, if necessary, in its supplemental specifications.

SUBCONTRACTOR REQUIREMENTS

Bidders shall provide information in their bid about subcontractors and subcontracted work. Failure to provide the required information shall result in the bid being deemed non-responsive.

Regarding subcontractors, a bidder shall comply with all of the following requirements:

- (1) Provide a list with its bid submission of all subcontractors the bidder intends to utilize for the project and the list shall be divided into two parts, base bid (including contingency and allowances, if applicable) and alternate(s), if alternates are included in the city's bid document;
- (2) Indicate which subcontractors are licensed construction trade subcontractors, as defined in 329.01;
- (3) State, via affidavit, that the bidder's licensed construction trade subcontractors are, prequalified responsible or prequalified provisionally responsible at the time of bid submission;
- (4) List only subcontractors who are not currently suspended or debarred by the city; and
- (5) List one subcontractor for each division of work to be performed as listed in the technical specifications, or section of work in the current edition of the City of Columbus Construction and Material Specifications, whichever is applicable, of the city's bid document. In circumstances where the bidder determines that more than one subcontractor is needed to complete a division or section of work, a bidder shall explain in writing the reason(s) why multiple subcontractors are necessary, describe the work to be performed within any subdivision of a division or subsection of a section of work, and the dollar amount allocated to any subdivision of a division or subsection of work.

Form B6 shall be used to report the required subcontractor information. In addition to the information above, also provide the following subcontractor information: type of work being performed by each subcontractor, prequalification expiration date of licensed trade subcontractors, subcontractor's contract compliance number, and proposed subcontract dollar value. Please be sure to submit this form with your bid submission, even if you are not proposing use of subcontractors. Failure to do so shall render your bid non-responsive.

CHANGING SUBCONTRACTORS

After execution of a contract a Contractor must contact and receive written approval from the contracting department prior to changing subcontractors.

PREQUALIFICATION REQUIREMENTS

Bidders must be pre-qualified responsible or provisionally responsible at bid due date to be awarded a contract for city construction work.

Columbus City Code Section 329.20 states the following:

- (c) A bid shall be deemed non-responsive if the bidder has not been prequalified responsible or prequalified provisionally responsible at the time of bid due date, pursuant to Section 329.21
- (d) A bid submitted by a bidder prequalified responsible or provisionally responsible shall be deemed non-responsive if the bidder fails to submit to the contracting agency as part of its bid submission an affidavit stating one of the following, whichever is applicable:
 - (1) That as of the date of bid submission, there have been no changes in the information disclosed in its application for responsibility prequalification; or

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

(2) That changes in the information disclosed in the bidder's application for responsibility prequalification have been reported to the [Finance and Management Pre-Qualification Office] and that the bidder is still pre-qualified responsible or provisionally responsible.

The above-referenced affidavit is found in the Bid Forms section of this document. For information on pre-qualification status, contact the Office of Construction Prequalification at (614) 645-0359.

PROPOSAL GUARANTEE

Each bid shall contain the full name of every person or company interested in the same and shall require a bid guarantee that if the bid is accepted a contract shall be executed. The resulting contract shall require a performance and payment bond.

The bid guarantee may take the form of a bid or proposal bond, a certified or cashier's check drawn on a solvent bank, or a letter of credit pursuant to Chapter 1305 of the Ohio Revised Code. If a bid bond is submitted, the bid bond shall be issued by a guaranty company authorized to do so under the Ohio Revised Code or by a surety who is: (1) a resident of this state; (2) worth, in the aggregate, double the sum to be secured, beyond the amount of their debts; and (3) have property liable to execution in the state equal to the sum to be secured. All proposal bonds signed by an agent must be accompanied by a surety power of attorney, most recent surety financial statement, and current Ohio Department of Insurance Certificate of Compliance.

In the event there are mutually exclusive alternates listed on the bid sheet, the Bid Guarantee shall include the maximum value of the highest alternates which increase the Bid. The Bid Guaranty amount shall be equal to or exceed (10%) percent of this total amount. Note that if the bidder submits a bid bond, the amount of said bond shall be expressed either as a percentage of the total bid or numerically in dollars and cents.

Failure to submit an acceptable bid guarantee shall result in the bid being deemed non-responsive.

SUBSTITUTIONS

Pursuant to Columbus City Code Sections 329.22 and 329.23, a bid will be found to be non-responsive if it contains alterations, omissions, or errors such that, in the judgment of the city, the bid does not respond to the IFB in all material respects, or contains irregularities or deviations from the IFB that affect the amount of the bid or otherwise gives the bidder a competitive advantage.

There are cases however where the bidding of substitutions may be permissible. When allowed by the contracting agency, Form B5 shall be used to propose substitutions to specifications and/or provisions put forth herein. Proper procedures for proposing substitutions are found in Section II (entitled "Bid Forms"). Be sure to follow these procedures carefully; failure to follow them may result the bid being deemed non-responsive.

SUBSTITUTIONS: ARE ? ARE NOT ? PERMITTED WITH THIS BID.

OTHER RESPONSIVENESS PROVISIONS

Other responsiveness provisions, on which your bid will be evaluated include:

? Whether bidder has submitted more than one proposal for the same work from an individual or entity under the same or different name, or corporation under the same name, or corporations with one or more of

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

the same persons as officers or directors of such corporations, or corporations which are holding companies, parent companies or holding companies that are subsidiaries of such corporations;

? Whether bid prices are materially unbalanced as defined in the relevant sections of the technical specifications manual specified in the IFB, where applicable;

? Whether bidder has failed to comply with [technical] pre-qualification requirements as defined in the relevant sections of the technical specifications manual specified in the IFB, where applicable;

? Whether the bid contains conditions or qualifications not provided in the IFB;

? Whether bidder adds a provision reserving the right to accept or reject an award;

? Whether bidder fails to submit a unit price for each contract item listed, when required by the bid specification; and

? Whether bidder fails to submit a lump sum price where required.

E. BID REQUIREMENTS ? RESPONSIBILITY PROVISIONS

Pursuant to Columbus City Code Sections 329.22 and 329.23, each bid submitted shall be evaluated for the following project-specific responsibility factors:

(a) Whether the bidder has actively engaged in the construction industry and has experience in the area of construction service for which the bid has been submitted.

(b) Whether the bidder has a successful record of complying with and meeting completion deadlines as well as controlling costs on similar construction projects.

(c) Whether the bidder has demonstrated to the city?s satisfaction adequate and appropriate resources, including, but not limited to, specialized equipment, human resources and bonding capacity for the project.

(d) Whether the bidder has substantial uncompleted work that would hinder the success of the project.

Complete and submit Forms B7, B8, and B9 (found in Section II, entitled ?Bid Forms?) to fulfill the responsibility provision requirement of your bid.

F. MISCELLANEOUS PROVISIONS

LOCAL PREFERENCE PROVISIONS

Columbus City Code Section 329.212 requires the contracting agency to follow local preference procedures if the lowest, responsive, responsible, and best bid is not from a local bidder, and one or more responsive, responsible, and best bids submitted by local bidders are within 1% of that non-local bid. Submission of bid constitutes bidder?s acknowledgement and acceptance of these provisions.

The Local Preference provisions are as follows:

(1) The contracting agency shall notify, in writing, any local bidders within 1% of the non-local bid that they may be awarded the contract if they meet the lowest bid price, and shall provide a copy of this notification, in writing, to the non-local bidder who submitted the lowest, responsive, responsible bid.

(2) The notified local bidder(s) shall have two (2) business days from the date of notification to inform the city in writing if they agree to meet the lowest bid price and to provide a revised bid to demonstrate the same.

(3) If one notified local bidder agrees to meet the lowest price and the city is satisfied that the revised bid is the lowest, responsive, responsible, and best, the city shall award the contract to that local bidder.

(4) If two or more notified local bidders agree to meet the lowest bid price and the city is satisfied that one or more of the revised bids is the lowest, responsive, responsible, and best, the city shall award the contract to such local bidder with the lowest original bid.

(5) If no notified local bidder agrees to meet the lowest price or if the city is not satisfied that any notified local bidder?s revised bid is the lowest, responsive, responsible, and best, the city shall award the contract to the bidder with the lowest, responsive, responsible, and best bid.

(6) Submission of a revised bid does not constitute a tie bid for the purposes of Section 329.212.

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

The provisions of this section shall not apply to joint ventures unless all members of the joint venture are local businesses, as defined in section 329.01 of Columbus City Code.

For construction contracts procured under Columbus City Code Section 329, Article III, and if Section 329.212 applies to the evaluation, the local preference in Section 329.212 shall be applied first and the environmental preference in Section 329.17 shall be applied second.

ENVIRONMENTAL PREFERENCE PROVISIONS

Columbus City Code Section 329.17 allows for the city to give preference to an environmentally preferable bidder. An environmentally preferable bidder, as defined in Columbus City Code Section 329.01(n), is "A bidder or offeror whose bid or offer consists of materials, supplies, equipment, construction and/or services which have a lesser or reduced effect on human health and the environment when compared to competing materials, supplies, equipment, construction and services that serve the same purpose. This comparison may consider any aspect of the procurement cycle, including but not limited to raw materials acquisition, production, manufacturing, packaging, distribution, reuse, operation, maintenance, or disposal of the material, supply, equipment, construction, or service. To be considered an environmentally preferable bidder or offeror, the bidder or offeror must clearly specify in their bid how their materials, supplies, equipment, construction or services qualify their bid or offer as "environmentally preferable?"

In evaluating bids for construction services, preference will be given to an environmentally preferable bidder who offers a construction service equal to or superior to that of a non-environmentally preferable bidder where the environmentally preferable bid does not exceed by more than five (5) percent (up to a maximum of twenty thousand dollars (\$20,000)) the lowest, responsive, responsible, and best bid from any non-environmentally preferable bid. The environmentally preferable bidder will be required to demonstrate to the city agency procuring the construction service how their bid is equal to or superior to that of a non-environmentally preferable bidder and how the bid meets the agency's specifications as required above.

For construction contracts procured under Columbus City Code Section 329, Article III, and if Section 329.212 applies to the evaluation, the local preference in Section 329.212 shall be applied first and the environmental preference in Section 329.17 shall be applied second.

Examples of practices that would meet the definition of "environmentally preferable" shall include, but are not limited to:

- a. Construction Site Waste Management Plan: Has the bidder adopted a construction site Waste Management Plan for its company in conformance with LEED New Construction ? Material and Resource Credit 2.1 (Construction Waste Management) that will result in at least 50% (by weight) of the construction debris generated on site being reused or recycled?
- b. Fleet Policy: Has the bidder adopted a fleet policy for reducing vehicle emissions from its fleet of on and off-road vehicles? The policy should include, at a minimum, an anti-idling directive for its construction sites, use of ultra-low sulfur diesel and/or alternative fuels (such as biodiesel), and a schedule for replacing or retrofitting current vehicles with emission reduction technologies.
- c. Project-Specific Environmental Proposal: Has the bidder proposed the use of materials, supplies, equipment, or construction practices having a lesser or reduced effect on human health and the

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

environment? PLEASE NOTE: Any proposed substitutions for materials or supplies must comply with City's standard specifications and the "or equal" requirements of the bid.

Does the bidder meet the definition of Environmentally Preferable Bidder?

YES?

NO ?

If yes, please attach a copy of bidder's construction site waste management plan or fleet policy, as well as documentation on the adoption and implementation of said policy by the bidder. If making a project specific environmental proposal, the bidder must submit documentation citing its environmental benefits. All documentation must be received at time of bid submission for receipt of environmental preference.

Documentation attached: ?

CONTRACT PERFORMANCE AND PAYMENT BOND

The successful bidder will be required to secure a contract performance and payment bond in the amount of 100 percent of the contract price, including the guarantee period, in accordance with Columbus City Code Section 329.14 and the current edition of the City of Columbus, Ohio Construction and Material Specifications (CMS), to assure the faithful performance of the work.

The performance and payment bond shall be issued by a guaranty company authorized to do so under the Ohio Revised Code or by a surety who is: (1) a resident of this state; (2) worth, in the aggregate, double the sum to be secured, beyond the amount of their debts; and (3) have property liable to execution in the state equal to the sum to be secured.

All bonds signed by an agent must be accompanied by a surety power of attorney, most recent surety financial statement, and current Ohio Department of Insurance Certificate of Compliance. Failure to execute the contract and file an acceptable performance and payment bond(s) shall be cause for cancellation of the award and the city may file a claim under the bond.

If a contractor has not commenced his work within a reasonable time, or does not carry the same forward with reasonable progress, or is improperly performing his work, or has abandoned, or fails or refuses to complete a contract entered into under Section 329 of the Columbus City Code, the director of the contracting agency shall make a finding to that effect and so notify the contractor in writing, and the rights of the contractor to control and supervise the work shall immediately cease, per the CMS.

The director shall forthwith give written notice to the sureties on the bonds of such contractor of such action. If, within ten days after the receipt of such notice, such sureties on the contract performance and payment bond or any one or more of them notify the director in writing of their intention to enter upon and complete the work covered by such contract, such sureties shall be permitted to do so and the director shall allow them thirty days, after the receipt of such notice in writing, within which to enter upon the work and resume construction, unless such time is extended by the director for good cause shown. If such sureties do not carry the same forward with reasonable progress, or if they improperly perform, abandon, or fail to complete the work covered by any such contract, the director shall complete the same in the manner provided in this section. In the event the sureties on the contract performance and payment bond, or any one or more of them, notify the director in writing of their intention to enter upon and complete the work covered by such contract, and then fail or refuse to so complete, any additional costs reasonably incurred by the director as a result of such failure or refusal shall be computed by the director and become the liability of such surety, which is not limited by the amount of the contract performance and payment bond. If the surety fails to pay such amount, the director shall certify the facts to the Columbus City Attorney, who shall proceed to collect such additional costs from the surety.

If, after receiving notice of the action of the director in terminating the control of the contractor over the work covered by his contract, the sureties on such contract performance and payment bond do not within ten

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

days give the director the written notice provided for in this section, the director shall cause that portion of the work which remains uncompleted to be re-estimated and relet in accordance with the requirements applicable to original bids; or in the event the director determines with the approval of the Mayor an extraordinary emergency exists, he may contract for the completion of the work without advertising the bids if he considers it to be in the best public interest.

Before entering into a contract for the completion of any such improvement, the director shall require a contract performance and payment bond with sufficient sureties each in an amount equal to one hundred per cent of the estimated cost of completing the work, and conditions relating to the bonds of original contractors shall apply to such bonds.

If the cost of completing any such improvement exceeds the portion of the contract price remaining unpaid to the original contractor at the time of his default, such excess shall be computed by the director and becomes the liability of such contractor or surety or both. If either the contractor or surety fails to pay such amount, the director shall certify the facts to the Columbus City Attorney, who shall proceed to collect such excess cost from the contractor and the sureties upon his contract performance and payment bond, and the amount so collected shall be paid into the city treasury to the credit of the fund from which the excess cost was originally paid.

CONTRACT SIGNATURE AFFIDAVIT

Form C3, "Contract Signature Affidavit" shall be used if the individual signing the contract is NOT an Officer or Member of the Company. As with Form C1, this should only be completed when necessary by the successful bidder.

CONTRACT COMPLIANCE REQUIREMENTS

The City of Columbus encourages the participation of city certified minority and female business enterprises. While participation of and/or partnering with city certified minority and female owned businesses is not a condition of bid award, it is strongly encouraged.

Bidders will be given seven (7) business days after the bid submittal date to update expired contract compliance information for renewal of numbers or to initially apply for a number. If said information has not been updated within 7 business days from the bid submittal date, the bid may be deemed non-responsive and may no longer be considered. All contractors and subcontractors who are party to a contract as defined in Columbus City Codes must hold valid contract compliance certification numbers before the contract is executed. The City is not responsible for notifying bidders of expired contract compliance numbers after bid submission.

This information is gathered and monitored by the Equal Business Office (EBO). Please contact EBO for assistance with identifying potential Minority contractors. Information on contract compliance certification is available at <http://eboco.columbus.gov>

SA006123 - Eng- Blueprint Columbus Comm. Outreach

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

The City of Columbus, Ohio, Department of Public Utilities (Department) is soliciting proposals through the request for proposal (RFP) process to provide for professional consulting services to assist it in providing community outreach to support the implementation of Blueprint Columbus.

The City of Columbus, Department of Public Utilities is in the process of implementing Blueprint Columbus in targeted neighborhoods to address overflows that occur from the City's sanitary sewer system during periods of wet weather. Blueprint Columbus focuses on eliminating the source of the problem, which is rain water entering the sanitary sewer. There are four components that make up Blueprint Columbus: lining resident's sewer lateral, a voluntary sump pump program, redirecting roof water runoff away from the home's foundation drain and installing green infrastructure on right-of-way property to treat the runoff before it enters the storm sewer system.

The purpose of this RFP is to retain a consultant that will work closely with City engineering team(s) to provide the public outreach and engagement necessary to ensure that Blueprint Columbus is successfully implemented. The City anticipates that the consultant will use a variety of avenues to reach diverse populations in the project areas and engage them in a topic rarely discussed sanitary sewer overflows to help them understand the City's solution to this problem and how it affects them.

The budget for the project is subject to negotiation. Contract length will be one year, with two optional renewals of one year each.

Proposal information packages will be available beginning Wednesday, November 11, 2015. Proposals will be received by the City until 4:00 pm on Thursday, December 10, 2015.
