2016 Special Event Application and Park Rental Fees

In researching park rates for dozens of the largest cities around the country we identified that there is no formula that can be copied to determine park rental costs in Columbus. Rates fluctuate from city to city, with many downtown city parks renting for thousands per day. Columbus’ riverfront park rental fees have remained at \$50/hour since 2000. For 2016, the fee changes below are still based on a \$50/hr model for events that are free of admission, but the fee is doubled for private/gated events (still much less than other cities).

In the past, as riverfront parks were brought on-line there was no consistency in how park fees were applied. Now that the riverfront parks are connected, uniformity is needed to allow for more efficient management of the parks. Through policy accompanying these rates, each park will now have its own identity and purpose. Uniformity will be visible through implementation of a rental structure based on blocks of time. In the block structure all available riverfront parks can be reserved for a half-day (6 hour) or full day (12 hours), with features such as the Bicentennial Park stage and North Bank Pavilion being made available for an additional fee.

It is also necessary to recognize that event set-up creates an impact on public access to riverfront parks. With several major festivals and over thirty race events scheduled for 2016, event set-up could easily affect the visitor experience. We will continue to provide free community events with one (1) set-day and one (1) tear-down day, per park, at no-charge (Mon-Fri only), however, private/gated events, and those choosing to extend set-up over multiple days, will now pay for use.

Policy for Regional and Neighborhood Parks

There is no park rental fee for use of a regional or neighborhood park. However, events must rent all facilities located in the designated park for all event days.

Parks with an Enclosed Shelter House:

- Shelter house time blocks must be rented for all event dates, or times that building access is requested- (8a-12p, 1p-5p, 6p-11p). If multiple blocks are rented the hour between rental blocks is free. In order to reserve the entire day, all 3 blocks must be rented. No set-up day charges to parks outside of the downtown boundaries.
- Goodale Park: Gazebo wedding site must be rented at current rate (no charge for gazebo if set-up occurs on Mon-Thurs).
- Whetstone Park: 3 of 4 wedding time slots must be rented on event day in order to reserve full day (\$1500). No charge for wedding slots if event occurs on a city holiday.

Race Event Policy/Fee Changes (Summary)

In order to more efficiently manage the race event permitting process and minimize impact on downtown businesses, public transportation and city departments we propose the following changes. Changes will allow the City to recover costs incurred by all City Departments involved in the permit process (CRPD, CPD, CFD, Public Service), establish custom course fees for new courses outside of downtown, and to establish pre-approved courses which originate at traditional race venues (McFerson Commons, Columbus Commons, Huntington Park and Genoa Park). A base limit of 1000 participants will now be required for a road course, and all race permits issued for parks with enclosed shelter houses will now recognize the facility “block rental” times established by the Permits Office.

Sec. 3. - Legislative powers.

The legislative powers of the city, except as reserved to the people by this charter, shall be vested in a council, ~~consisting of seven members, elected at large.~~

Sec. 4. - Council members.

~~All council members shall serve for a term of four years; except that at the first election the four candidates having the highest number of votes shall serve for four years, and the three candidates having the next highest number of votes shall serve for two years. Council members shall be elected at large and from districts. There shall be three members elected at large. One member shall be elected from each district drawn pursuant to Section 7 of this Charter. All council members shall serve for a term of four years; except that at the 2017 election the five candidates elected from districts and the two candidates elected at large having the highest number of votes shall serve for four years beginning January 1, 2018 and ending at midnight December 31, 2021, and the five candidates elected from districts and the one candidate elected at large having the next highest number of votes shall serve for two years beginning January 1, 2018 and ending at midnight December 31, 2019. After the 2017 election, all council members shall serve for four years.~~

Sec. 5. - Vacancies.

If a city council member dies, resigns, is removed from office, ceases to hold any qualification for office, or the office is otherwise vacated during the term of office, the successor shall be appointed by council to serve until ~~the first day of January~~ midnight December 31 following the next regular municipal election. If such election be the time for the regular election of the council member, a council member shall then be elected to serve for a term of four years; otherwise, for the unexpired term. If a council member elected from a district vacates his or her office, the successor appointed shall be an elector of the district and shall have resided in that district for not less than one consecutive year preceding the date of appointment. Vacancies in the council shall be filled by the council; provided, however, that, if the vacancies in the council are not filled by the council within thirty (30) days from the date following the occurrence of such vacancy, the mayor shall have in all future balloting a vote on the question of filling such vacancies.

Sec. 5-1. - Temporary inability.

If a city council member is unable to discharge the powers and duties of office, such inability being of temporary duration, the member, or the member's agent, shall transmit to the presiding officer of council a signed, written declaration setting forth the reasons for such inability and the city clerk shall be notified of the same. Such declaration shall be in effect until such time as the declaration is rescinded in like manner, or six months have passed, or the office is vacated. For the purpose of this section, each council member shall file with the city clerk a notarized statement, on a form prescribed by

the city clerk, setting forth the name of one or more persons designated as the member's agent(s). The filing shall be made by the second meeting of council each January and may be amended at any time.

Sec. 5-2. - Permanent inability.

If a city council member has been unable to discharge the powers and duties of office for ninety consecutive days, and no written declaration of temporary inability was in effect during such ninety consecutive days, such act shall work a forfeiture of office and the presiding member of council shall request that the appropriate official commence in the appropriate court an action in quo warranto to vacate the office. If judgment be made that the office be vacated, a successor shall be named as provided for in this charter.

Sec. 6. - Qualifications of council members.

Members of council shall be electors of the city, shall have resided within the corporate limits of the city of Columbus for not less than one consecutive year preceding the date of the regular primary election for such office, and shall, at all times during the term of office, maintain residence in the city of Columbus. Any member who shall cease to possess any of the qualifications herein required shall forthwith forfeit the office and the vacancy shall be filled as provided for herein.

Sec. 6-1. - Revised district borders not cause for disqualification.

No member of council representing a district shall be disqualified for office by reason of a change of district borders of a member's current district made during that member's term, provided that member remains a resident of the city of Columbus. For elections following the adoption of redistricting plans, members shall have been residents of the districts they seek to represent before filing a nominating petition for that office.

Sec. 7. - District Apportionment.

Within two hundred forty days following adoption of this amendment, an apportionment committee shall apportion the city into ten districts based on the city's population as determined by estimate population figures compiled by the U.S. Census Bureau in its 2010 decennial census. Within forty five days following the adoption of this amendment, and within forty five days following the release of each federal decennial census thereafter, the council, by majority vote, shall appoint one member from the party then holding the majority of seats in council, one member from the largest minority party then holding seats in council and one member who shall be unaffiliated or a member of a party holding no seats in council. The remaining three members shall be appointed by a majority vote of the first six members. All elections provided for in this charter shall be by secret ballot, and such ballots shall be nonpartisan, without party marks or designations.

(b) When a vacancy occurs during the term of office of an elected city official and an appointment to fill that vacancy has been made less than thirty days before the deadline for filing nominating petitions for the next regular municipal election but more than ninety days before the next regular municipal election, then candidates seeking election to the unexpired term shall file nominating petitions otherwise in compliance with this charter not less than thirty day after the appointment to fill such vacancy has been made, and there shall be no primary election.

(c) Notwithstanding other provisions of this charter, in that case the election authorities shall place on the ballot at the next regular municipal election all candidates who have filed valid nominating petitions otherwise in compliance with this charter, and the candidate who shall receive the greatest number of votes shall be declared elected for the unexpired term.

(d) Notwithstanding other provisions of this charter, an election for the remainder of an unexpired term of office is not required by this charter when an appointment to fill the vacancy occurs less than ninety days before the next regular municipal election.

(e) The nomination and election for the remainder of an unexpired term of a council member shall be conducted separately from other council nominations and elections that may be on the ballot at that regular municipal election.

Sec. 41-5. - Election of council members and other officers.

The candidates for nomination to the office of city council member who shall receive the greatest vote in such primary shall be placed on the ballot at the next regular municipal election in number not to exceed twice the number of vacancies in the city council to be filled, and the two candidates for nomination for each of the other offices to be filled who shall receive the greatest number of votes shall also be placed on the ballot at such regular municipal election, and the candidates at the regular municipal election, equal in number to the places to be filled, who shall receive the highest number of votes at such regular municipal election, shall be declared elected. A tie between two or more candidates for the office of city council member, or between candidates for any other office, shall be decided by lot under the direction of the election authorities, as provided by the general election laws of the state.

2016 Special Event Application and Park Rental Fees

In researching park rates for dozens of the largest cities around the country we identified that there is no formula that can be copied to determine park rental costs in Columbus. Rates fluctuate from city to city, with many downtown city parks renting for thousands per day. Columbus' riverfront park rental fees have remained at \$50/hour since 2000. For 2016, the fee changes below are still based on a \$50/hr model for events that are free of admission, but the fee is doubled for private/gated events (still much less than other cities).

In the past, as riverfront parks were brought on-line there was no consistency in how park fees were applied. Now that the riverfront parks are connected, uniformity is needed to allow for more efficient management of the parks. Through policy accompanying these rates, each park will now have its own identity and purpose. Uniformity will be visible through implementation of a rental structure based on blocks of time. In the block structure all available riverfront parks can be reserved for a half-day (6 hour) or full day (12 hours), with features such as the Bicentennial Park stage and North Bank Pavilion being made available for an additional fee.

It is also necessary to recognize that event set-up creates an impact on public access to riverfront parks. With several major festivals and over thirty race events scheduled for 2016, event set-up could easily affect the visitor experience. We will continue to provide free community events with one (1) set-day and one (1) tear-down day, per park, at no-charge (Mon-Fri only), however, private/gated events, and those choosing to extend set-up over multiple days, will now pay for use.

Policy for Regional and Neighborhood Parks

- **There is no park rental fee for use of a regional or neighborhood park.** However, events must rent all facilities located in the designated park for all event days.

Parks with an Enclosed Shelter House:

- Shelter house time blocks must be rented for all event dates, or times that building access is requested- (8a-12p, 1p-5p, 6p-11p). If multiple blocks are rented the hour between rental blocks is free. In order to reserve the entire day, all 3 blocks must be rented. No set-up day charges to parks outside of the downtown boundaries.
- Goodale Park: Gazebo wedding site must be rented at current rate (no charge for gazebo if set-up occurs on Mon-Thurs).
- Whetstone Park: 3 of 4 wedding time slots must be rented on event day in order to reserve full day (\$1500). No charge for wedding slots if event occurs on a city holiday.

Race Event Policy/Fee Changes (Summary)

In order to more efficiently manage the race event permitting process and minimize impact on downtown businesses, public transportation and city departments we propose the following changes. Changes will allow the City to recover costs incurred by all City Departments involved in the permit process (CRPD, CPD, CFD, Public Service), establish custom course fees for new courses outside of downtown, and to establish pre-approved courses which originate at traditional race venues (McFerson Commons, Columbus Commons, Huntington Park and Genoa Park). A base limit of 1000 participants will now be required for a road course, and all race permits issued for parks with enclosed shelter houses will now recognize the facility “block rental” times established by the Permits Office.

Such resignation shall be irrevocable, and the vacancy shall be filled in the manner of filling vacancies provided in this charter. If the elective

officer whose removal is sought does not resign within five days after such notice, the city clerk shall thereupon forthwith order and provide for an election to determine the question of the removal of the elective officer. The city clerk shall solicit from such official a general statement in not more than two hundred words of the grounds upon which the person should retain office.
