The report establishes the estimated amount of the assessment proposed to be levied against each lot or parcel of land based on the proportional benefit to each such parcel; applicable deductions or credits; and the estimated amount of the City's portion including the portion assumed within the preliminary resolution. The Special Assessments shall be calculated as of each Determination Date and allocated to each Benefitted Parcel in the Short North Special Improvement District (the "District") based on the Apportionment Formula, which apportions the Special Assessments among the Assessed Parcels based on the special benefits to be received by each such Assessed Parcel. The Apportionment Formula determines the proportional benefit for each Benefitted Parcel to be (a) one-half of the product of (b) the District Assessment, multiplied by (c) the Assessment Multiplier. The Special Assessments shall be assessed in phases and only with respect to each Benefitted Parcel, and no Special Assessments shall be assessed with respect to any Assessed Parcel prior to the Completion of the phase in which such Assessed Parcel is located or as soon thereafter as permitted by law. This Assessment Report is on file in the offices of the City Clerk located within City Hall, 90 W. Broad Street, Columbus, Ohio 43215.

Your Assessment: The amount proposed to be levied against the lots or parcels of land standing in your name are as follows:

| Parcel ID Number | Owner | Per the County Auditor | Semi-Annual Assessment Amount | Annual Assessment Amount | 20 |
|--------------------------------------|------------------|------------------------|-------------------------------|--------------------------|----|
| -Year Total Assessment Amount | | | | | |
| 010-187795 | CITY OF COLUMBUS | \$2,309.22 | \$4,618.44 | \$92,368.88 | |
| 010-187794 | CITY OF COLUMBUS | \$5,773.05 | \$11,546.11 | \$230,922.19 | |
| 010-054645 | CITY OF COLUMBUS | \$2,640.98 | \$5,281.97 | \$105,639.31 | |

Objection of Assessment: The owner of any lot or parcel who objects to their estimated assessment of the apportionment calculation of the assessment shall file an objection, in writing, with the City Clerk within two (2) weeks from the last date of service of this notice, estimated to be June 10, 2017, and any owner who fails to do so shall be deemed to have waived any objections to such assessment to the extent of the amount estimated. If and when objections to such assessments have been filed within the required two week notice period, the Columbus City Council shall appoint a Board of Revision, consisting of three disinterested free holders of the City, residents of the City, and shall fix the time and place for the hearing by such board of such objections, of which at least one week's notice shall be given in the City Bulletin which is available for inspection and/or purchase from the offices of the City Clerk located within City Hall, 90 W. Broad Street, Columbus, Ohio 43215

PLEASE NOTE: The Board of Revision has very limited authority to recommend that an estimated assessment be changed. The Board IS authorized to consider issues such as a calculation error (for example, the proportional benefit of the property to be assessed is inaccurate). However, the Board IS NOT authorized to consider issues such as the property owner's ability to afford the estimated assessment or the property owner's desire not to take part in the planned improvement.

Proceeding with the Improvements: If a Board of Revision is convened and a revision or amendment to the Assessment Report is required, all property owners will be issued notices of revised estimated assessments. In the event that no objections were filed with the City Clerk, Columbus City Council shall declare its determination to proceed with the improvements by passage of an ordinance. This ordinance shall require the vote of at least five members of council in accordance with the provisions of Section 173 of the Columbus City Charter.
