The following individuals have agreed to serve on the Task Force for the Mideast Area Community Commission from the time it's established by City Council until the Area Commission formally organized:

To that goal, we established 2 new community civics and expanded an additional 2 to cover more unrepresented areas. Also during that time, the organization supported the Main St. Special Improvement District, helped the City Attorney and Code Offices shut down Motel One, and provided support to the City Attorney's office to closed Lounge 13. **Kim Watkins, Resident of Beechwood Community, 1249 Carolwood Ave, 43227,
614-239-9451, k.watkins1249@yahoo.com**

Hello my name is Kim M. Watkins, I am a resident and a home owner of 23 years in “Beechwood Community” and Astor Park. Along with my husband of 26 years, we have raised 5 beautiful girls in this disenfranchised community. As a resident I, have had my car broke into, my home burglarized and my yard vandalized just to name a few things. I have seen the deconstruction of this neighborhood in the last 8 years and I am ready to take a stand. As a member of this community, I share the common interest in the betterment of the neighborhood through the sharing of common attitudes, interest, resources and goals. I joined the block watch to be a voice to make an impact on city codes and ordinances, help keep our community free from drugs, loitering, and prostitution by reporting these suspicious activities, and help with community events.

I embrace the Mideast Area Community Collaborative (MACC) beliefs of community empowerment through collaboration of the civic association and block watches working together with code enforcement and police to improve "OUR" neighborhood. I understand the philosophy of the MACC, having the power of many voices, which fights for the core values of a community collectively.

I am a graduate of Capital University with a Bachelor's Degree in Social Work. I have been employed for 16 years. I have worked with families dealing with domestic violence, drug and alcohol addictions, and Homelessness. I was able to provide these families with valuable resources to aid them in having healthy families and healthy environments. I have worked closely with the Homeless Families Foundation, YWCA Family Shelter and Volunteers of America to coordinate services to aid families in overcoming barriers.

I am committed in representing my neighborhood who have also embarked on this journey to improve this community.

Article II: History

MACC was established in 2002 and became an active collaborative of neighborhood associations and block watches in 2006. The MACC consist of concerned citizens in the Far East Neighborhood Pride Center area which encompasses designated police districts 9 and part of 14.

The MACC objective is to improve communication among the 12 civic associations and block watches, to increase the efficiency of resources and activities and to better serve each member organization.

The MACC seeks to show UNITY and STRENGHT in reporting issues to community and government sources. The MACC works with the Far East Neighborhood Pride Center to address community issues through progress in stabilizing zoning issues, increasing community engagement for safety and beautification efforts.

Through knowing each other and with a history of collaboration, we have achieved various accomplishments by working together in finding solutions toward a common goal, to reduce violence and build safer communities.

We the members, embrace the MACC belief of community empowerment through collaboration of the civic associations and block watches working together with city government, code enforcement and police to improve “OUR” collective neighborhood. We understand the philosophy of the MACC, having the power of many voices, which fights for the core values of a community collectively.

Through this process our core values will not change.

- Each neighborhood would continue to sit at the table. Equal representation for all!
- Each neighborhood will make its own decisions concerning internal matters.

- Support will be offered when requested. This could be in form of, but not inclusive to: MACC wide or individual community support letters, attendance at hearings and calling mass meetings to raise awareness and show strength in numbers for that particular issue or concern.
- Promote mass meetings of general interest for all the residents of all member organizations.

For the past six (6) years the MACC has met monthly (excluding June and July). Attendance is composed of representatives from each member neighborhood group.

The MACC believes in COMMUNITY BUILDING. One of the major goals for the MACC organization is to have all communities within the MACC boundaries to have civic association representation. To that goal, we established two (2) new community civics and expanded an additional two (2) to cover more unrepresented areas. We have only 2 unestablished areas remaining. Also during that time, the organization supported the Main Street Special Improvement District (SID), helped the City Attorney and Code Offices shut down Motel One, and provided support to the City Attorney's office in the effort to close Lounge 13.

A list of our accomplishments thus far is listed as an attachment.
