Requesting reports in lieu of public presentation at Human Services Hearings

Dear Social Services Partners:

I would like to thank you all for your service to Columbus residents. As there continues to be rapid changes about Coronavirus Disease 2019 (COVID-19), we want to make sure we take measures to protect public health.

Therefore, we are cancelling the Human Services hearings that were scheduled for [Tuesday, March 24](#) and [Thursday, March 26](#). If there is an opportunity to reschedule the hearings we will update you with new dates.

Although we will not be using a public hearing as a forum to hear about the impact that your programs are making, it is important that Council is provided with an update on the progress you have made in meeting the outcomes for which you are receiving funding. **I am requesting that each organization getting social service grant funding submit a written report no longer than two pages by [Tuesday, April 7](#).**

I am including the same guidance that you have received in the past to provide you with direction on information that should be included in your submission.

We thank you for your consideration and appreciate your patience as we are compelled to take emergency action to protect the health of our residents during this pandemic. Please feel free to reach out to Ms. Nicole Harper in Council Member Tyson's (Chair of the Health & Human Services committee) office if you have any questions or concerns.

Ms. Harper can be reached directly at [614-645-2932](tel:614-645-2932).

Your written report should address the following:

1. How does your program or the services you provide benefit the residents of Columbus and Central Ohio - please provide information about your outcomes in relation to the program the City is funding?
2. Who are some of the significant financial partners that support your work?
3. List any partners that may assist with supplementing some of the services for your program or who provide assistance to some of your program participants? *(We recognize that one organization may not be able to serve all of your clients needs - so please list any programs that you refer clients to for additional services)*
For example, if your program provides job training and a participant does not have clothes for an interview where would you refer him or her to?
4. **Contact information** if someone wants to learn more about the program or sign-up to participate?

Leaders,

The virus is now considered a pandemic. So all unnecessary meetings should be cancelled. I looked at our agenda from last month and don't see anything urgent that needs to be addressed this month. So, due to the virus and because I also do not like to waste your time on unnecessary meetings, I am canceling the March 17th meeting. If we need to deal with anything, we can do it through email.

As the information and development concerning the virus continues - we will have to revisit the proposed MAC Mass Meeting April 21st. Bishop Hartley is HS may decide that for us. Governor DeWine recommends that organizers of any events involving a large gathering of individuals in close proximity be canceled or postponed, such as parades. We will see if that holds for late April. Watch for additional information.

Remember ALL ATTENDANCE IS VOLUNTARY. If you are uncomfortable in ANY WAY do not attend.

Blessings! Quay

Notice/Advertisement Title: Parking Benefit District Rules and Regulations

Contact Name: Robert Ferrin

Contact Telephone Number: 614-724-4439

Contact Email Address: rsferrin@columbus.gov

**DEPARTMENT OF PUBLIC SERVICE
CITY OF COLUMBUS, OHIO**

SUBJECT: Parking Benefit District Rules and Regulations

EFFECTIVE DATE: March 30, 2020

BY: Division of Parking Services

I. PURPOSE

A Parking Benefit District is one possible recommendation of a parking management plan to improve parking availability and encourage the use of alternate forms of transportation. A parking benefit district is a geographical area in which a portion of parking revenues can be collected and reinvested to fund a wide range of transportation related enhancements.

As paid parking rates are adjusted based on demand in congested areas, it can often be met with resistance from residents and businesses concerned about the vitality and economic development of their neighborhood. The creation of a parking benefit district can often be a compromise and create a funding source to improve the neighborhood.

The purpose of these rules and regulations is to establish guidelines for a Parking Benefit District in areas with a mixture of residential and commercial attractions creating higher than optimal parking demand. The goal of a Parking Benefit District is to reinvest a portion of the on-street parking revenue into a defined area to enhance quality of life for residents and businesses and promote walking, biking, and public transportation.

II. AUTHORITY

- A. Pursuant to the authority granted under Section 2105.21 of the Columbus City Codes, 1959, as amended, the Director of Public Service hereby adopts, establishes, and publishes these rules and regulations to be effective at the earliest time allowed by law.
- B. These rules and regulations establish administrative policy for the Director of Public Service to create parking benefit districts and share parking revenues with geographically defined areas.

III. DEFINITIONS

The following words, terms, and phrases, when used in these rules and regulations, shall have the meanings ascribed to them, except when the context clearly indicates a different meaning:

- A. *Department* means the City of Columbus Department of Public Service.
- B. *Director* means the Director of the Department of Public Service, or designee.
- C. *Parking Benefit District (PBD)* means a defined geographical area in which a portion of paid parking revenue is reinvested into the district to finance improvements that enhance quality of life for residents and businesses and promote walking, biking, and public transportation.
- D. *Parking Revenue* means the revenue generated from single space or multi-space parking meters and/or mobile payment only zones within the boundaries of the PBD.
- E. *Parking Services Personnel* means any employee or agent of the city of Columbus, Division of Parking Services.

IV. GENERAL PROVISIONS

- A. Established PBD boundaries are defined in Table 1.
- B. In order to be eligible to establish a PBD, the area must have a parking management plan approved by the City in place that may include permit parking, time limited parking, and paid parking in the form of single space or multi-space parking meters and/or mobile payment only parking zones.
- C. A PBD must have an organization to receive funds from the City to implement an agreed upon scope of work to further transportation and parking initiatives in the designated area. Examples of organizations include special improvement districts or other types of geographically specific organizations that can receive funds from the City and implement projects and initiatives.
- D. The City may terminate a PBD if paid parking revenue does not generate more than the amount needed to pay all annual administrative and operational expenses.

V. PROCEDURE TO ESTABLISH, MODIFY, OR REMOVE A PBD

- A. Intake
 - 1. A request to establish, modify, or remove a PBD must be made by the appropriate area commission, civic association, business district, special improvement district, or initiated by the Division of Parking Services.
- B. Outreach
