Requesting reports in lieu of public presentation at Human Services Hearings

Dear Social Services Partners:

I would like to thank you all for your service to Columbus residents. As there continues to be rapid changes about Coronavirus Disease 2019 (COVID-19), we want to make sure we take measures to protect public health.

Therefore, we are cancelling the Human Services hearings that were scheduled for [Tuesday, March 24](#) and [Thursday, March 26](#). If there is an opportunity to reschedule the hearings we will update you with new dates.

Although we will not be using a public hearing as a forum to hear about the impact that your programs are making, it is important that Council is provided with an update on the progress you have made in meeting the outcomes for which you are receiving funding. **I am requesting that each organization getting social service grant funding submit a written report no longer than two pages by [Tuesday, April 7](#).**

I am including the same guidance that you have received in the past to provide you with direction on information that should be included in your submission.

We thank you for your consideration and appreciate your patience as we are compelled to take emergency action to protect the health of our residents during this pandemic. Please feel free to reach out to Ms. Nicole Harper in Council Member Tyson's (Chair of the Health & Human Services committee) office if you have any questions or concerns.

Ms. Harper can be reached directly at [614-645-2932](tel:614-645-2932).

Your written report should address the following:

1. How does your program or the services you provide benefit the residents of Columbus and Central Ohio - please provide information about your outcomes in relation to the program the City is funding?
2. Who are some of the significant financial partners that support your work?
3. List any partners that may assist with supplementing some of the services for your program or who provide assistance to some of your program participants? *(We recognize that one organization may not be able to serve all of your clients needs - so please list any programs that you refer clients to for additional services)*
For example, if your program provides job training and a participant does not have clothes for an interview where would you refer him or her to?
4. **Contact information** if someone wants to learn more about the program or sign-up to participate?
