## ADJOURNMENT

### Testifying at the Council Meeting

Until further notice, Columbus City Council meetings will be held in a teleconference format, with members attending via WebEx. While the standard protocols and practices for considering legislation will be followed, interested parties seeking to testify at the meeting are advised as follows:

- Any residents seeking to submit testimony in favor of or in opposition to an ordinance are **strongly advised** to submit their testimony in writing to the City Clerk. Written testimony must be received by 3:00 p.m. on the day of the meeting. Testimony should be emailed to [cityclerkrequests@columbus.gov](mailto:cityclerkrequests@columbus.gov) <<mailto:cityclerkrequests@columbus.gov>>
- Testimony can also be mailed to Columbus City Council, Attn: City Clerk Speaker testimony, 90 West Broad Street, Columbus, Ohio, 43215. Please include contact information (email preferably) and the ordinance/resolution number that you wish to address.
- All parties wishing to speak during Council meeting via WebEx must submit an online speaker slip form available on the Council website at: [https://www.columbus.gov/council/information/Online-Speaker-Slip/?utm\\_medium=email&utm\\_source=govdelivery](https://www.columbus.gov/council/information/Online-Speaker-Slip/?utm_medium=email&utm_source=govdelivery) <[https://www.columbus.gov/council/information/Online-Speaker-Slip/?utm\\_medium=email&utm\\_source=govdelivery](https://www.columbus.gov/council/information/Online-Speaker-Slip/?utm_medium=email&utm_source=govdelivery)> no later than 3:00 pm on the day of the Council meeting to request attendance at the meeting. The Clerk will provide the WebEx meeting information allowing those parties to attend the meeting electronically. Those submitting testimony must join the WebEx meeting no later than 5:00 pm on the day of the Council meeting.
- In accordance with public meeting access provisions, residents may still attend the meeting in person at City Hall and submit speaker slips to testify which must be submitted by 5:00 p.m. for the regular

meeting and 6:30 p.m. for the Zoning meeting. However, in consideration of the State of Ohio’s stay-at-home policy and social distancing guidelines, Columbus City Council **urges** residents to submit their testimony in writing or via WebEx rather than attend the meeting in person. The protocols of the social distancing guidelines will be duly enforced within Council Chambers prohibiting overcrowding, and thus the capacity in Chambers will be correspondingly reduced.

### Sworn Testimony at the Zoning Committee Meeting of City Council

Any party that is presenting testimony to Columbus City Council on a Council Variance is required to be sworn in prior to giving testimony. In order to accommodate this, parties will be required to attend the meeting, preferably via WebEx.

All parties planning to present testimony on a Zoning Committee ordinance must email the City Clerk at [cityclerkrequests@columbus.gov](mailto:cityclerkrequests@columbus.gov) <<mailto:cityclerkrequests@columbus.gov>> no later than 3:00 pm on the day of the zoning meeting to request attendance at the meeting. The Clerk will provide the WebEx meeting information allowing those parties to attend the meeting electronically, and those submitting testimony must join the WebEx meeting no later than 6:30 pm on the day of the zoning meeting. The Zoning Chair will swear in all parties signed up to testify on a Council Variance just prior to the reading of that piece of legislation.

Please note, parties attending the meeting via WebEx and that have presentations on Zoning Committee ordinances can provide those presentations using the WebEx platform. However, when emailing the Clerk to request attendance at the meeting, please attach any presentation that will be provided to Councilmembers.

### Other Ways to contact City Council Members

In lieu of submitting speaker testimony at/for the Council meeting, interested parties are also encouraged to reach out to Councilmember offices by phone in advance of council meetings to share concerns or support. Contact information for individual Councilmember offices can be found at [columbus.gov/council/Contact-City-Council/](https://www.columbus.gov/council/Contact-City-Council/) <<https://www.columbus.gov/council/Contact-City-Council/>>.

**Resolution No. 20-10**

**WHEREAS**, Columbus Public Health is committed to protect the health and improve the lives of all our residents and holds equity and fairness as core values; and

**WHEREAS**, the foundations of racism were laid concurrently with the beginnings of the nation in 1619, when race-based chattel slavery was introduced to the first European settlements in North America – an evil institution that would endure 246 years, until the end of the Civil War in 1865; and

**WHEREAS**, Jim Crow laws would replace the institution of slavery in the United States for the next 100 years as the legal jurisprudence of the nation, providing an enduring legal framework to justify state-sanctioned racism and discrimination against non-whites, in particular the descendants of African slaves; and

**WHEREAS**, communities around the United States have had 54 years to address the aforementioned 346-year legacy of race-based laws and discrimination; and

**WHEREAS**, on February 13, 2020, Mayor Andrew J. Ginther proclaimed racism a public health issue at the State of the City address, and charged the Health Commissioner and Columbus Public Health with drafting policies and issuing recommendations to improve the general health and well-being of Columbus; and

**WHEREAS**, the Health Commissioner created the Center for Public Health Innovation in April of 2020 to respond to the Mayor's call of racism being a public health issue and draft recommendations to increase life expectancy and raise the quality of life for Columbus' minority communities; and

**WHEREAS**, race is a social and political construct that has no biological basis; and

**WHEREAS**, racism takes on multiple forms: individual racism, whereby an individual pre-judges or discriminates against another; institutional racism, where policies, practices and procedures are established that serve one population better than another, even if unintentional; and structural racism, which is the history and current reality of institutional racism across all institutions, combine to create a society that negatively impacts specific communities; and

**WHEREAS**, the COVID-19 pandemic has shone a light on the disparities that have existed for 400 years – discriminatory practices that have negatively impacted the economic stability, physical environments, education, food stability and access, health care access and social cohesion of African Americans, which lead to excess mortality, morbidity, reduced life expectancy, diminished health statuses, and functional limitations to inhibit minority communities from realizing their full potential; and

**WHEREAS**, the current pandemic has been one of the first instances where a fraction of the day-to-day realities of minorities have become the day-to-day reality of the country's majority population around economic and health issues, creating a new awareness; and

**WHEREAS**, Columbus Public Health has a responsibility to address racism as it impacts the health of a large proportion of population; and

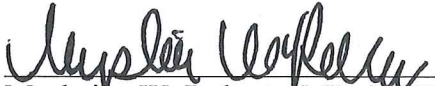

**WHEREAS**, racial equity will exist when race can no longer be used to predict life outcomes and the outcomes for all groups are improved.

**NOW THEREFORE BE IT BE RESOLVED:**

The Columbus Board of Health and Columbus Public Health will:

1. Dedicate the time and talents of the staff of the Center for Public Health Innovation to lead the collective response of the Department in addressing racism as a public health crisis.
2. Use a racial equity lens when changing or developing policies, programs and practices. This will be done by using a racial equity impact assessment to ensure racial equity is explicitly addressed in decision-making.
3. Advocate for policies that improve health in communities of color because those policies that improve health for communities of color will also improve the health of the entire community.
4. Continue its work to normalize conversations about race and equity and operationalize new behaviors and policies to achieve racial equity.
5. Continue to build staff and organizational capacity and skills through training and build infrastructure to support the work.
6. Continue to be data driven and be accountable for the health of the community by creating clear goals and objectives on the path to a healthier Columbus for all residents, regardless of color.
7. Partner with communities and other institutions to achieve meaningful results to address the effects of interpersonal, institutional and structural racism.
