Approximately 2,500 linear feet of the sewers to be rehabilitated are located in the Near East area near Franklin Park, and 2,400 linear feet of the sewers are located in the Goodale Park area. Approximately 95,300 linear feet of large combined sewer, ranging in diameters from 36 to 108-inch in the near North and East area was previously assessed to determine the extent of deterioration to plan for future improvements. The assessment included field survey of the manholes to determine the state plane coordinates and the top of casting (T/C) elevation; conducting and delivering a Manhole Assessment Certification Program (MACP) manhole inspections reports for the identification of manholes and structure locations, as well as diameter, invert elevation, and construction material of the sewers; performing CCTV pipeline inspections; and production of a technical memorandum summarizing the findings from the assessment to describe the structural and operational conditions of the sewer. As part of the Condition Assessment Report, dated 4/17/2020, approximately 6,800 linear feet of sewers near Franklin Park Area, and 9,500 linear feet of sewers within and near Goodale Park Area were found to be in fair or poor condition and rehabilitation was recommended. The System Condition Risk Enhanced Assessment Model (SCREAM) utilized by the Division of Sewerage & Drainage determined that the optimal life cycle course of action would be to rehabilitate the sewer. Based on the conceptual cost estimates of the proposed work, the City has decided to proceed forward with the rehabilitation of 2,500 linear feet of the sewers near Franklin Park area, and 2,400 linear feet of the sewers within and around Goodale Park area. It should be noted though that while SCREAM determined that shotcrete or centrifugally cast concrete pipe (CCCP) is the optimum rehabilitation method for most of the sewer, more detailed analysis of the site conditions and construction requirements during design phase may yield that cured- in-place pipe (CIPP) is a competitive alternative to include in the construction bid documents. The Consultant shall furnish services in accordance with the provisions of Tasks A1 through A15 for the combined sewer near Franklin Park, as follows in this document. The inclusion of the Schedules attached hereto in no way supersedes the work delineated below. As part of this project, the City expects the Consultant to conduct a thorough review and analysis of the project design aspects including the existing pipe conditions, hydraulics, construction methods, project access right of way and easements, cost, operational & maintenance considerations as well as the impact each of these aspects has on the others. A comprehensive documentation of these factors is to be provided in a Detailed Design Memo (DDM). The project will require coordination with stakeholders including: Ohio EPA, City of Columbus Department of Public Utilities, Department of Public Service, Columbus City School, and several other property owners. Proposals shall be uploaded to the Bonfire website at <https://columbus.bonfirehub.com/projects/72765/details>. Proposals will be received by the City until 1:00PM Local Time on Friday, September 2, 2022. No proposals will be accepted thereafter. Direct Proposals to: Bonfire at <https://columbus.bonfirehub.com/projects/72765/details> No hard copy proposals will be received nor considered. 6.2 Questions Direct questions via e-mail only to: Contract Manager, DPUCapitalRFP@columbus.gov No contact is to be made with the City other than with the Contract Manager through e-mail with respect to this proposal or its status. The deadline for questions is Wednesday, August 24, 2022. Answers to questions received will be posted on the City's Vendor Services web site by Friday, August 26, 2022.

I. Membership

- A. There shall be nine members of the Commission who shall be known as District Commissioners and each shall be elected from one of the districts set forth in Article VII. A Commissioner shall maintain his or her residency in the district from which he or she was elected. Failure to maintain such residency shall constitute resignation from the Commission.
- B. A term of office on the Commission shall be three years, beginning at the annual meeting in January and continuing until the annual meeting three years thereafter. Commissioners elected in 2021 will serve one three and a half year term.
- C. The Commission may declare a vacancy when a member resigns or can no longer serve as a Commissioner.
 1. A simple majority of members present at a regular meeting is sufficient to accept a resignation and declare a vacancy.
 2. If a Commissioner can no longer serve as Commissioner and a resignation is not submitted, a vacancy exists only if at least three quarters of members present vote to declare a vacancy.
 3. If the Commission declares a vacancy at least twelve months before the term expires, the Commission shall call for a special election to fill the unexpired term. If a vacancy is declared less than twelve months before the term expires, the Commission shall recommend to the Mayor a candidate for appointment to the unexpired term.
 4. In the case of a special election, the Election Committee shall, within two weeks of the call for a special election, announce an election date. The election date shall be at least ten weeks after the Election Committee's announcement. The election shall proceed using the same schedule and process as an annual election. If only one valid candidate petition is received for a special election, the Commission shall declare the candidate the winner of the election and cancel the election.
 5. If no special election is called, the Commission shall give public notice of the vacancy before the date on which the Commission will vote to recommend a candidate to fill the vacancy. The Commission shall require interested individuals to submit a petition and any other materials it deems necessary seven days prior to the meeting at which the vacancy is to be filled. The Commission shall, by a majority vote of members present at a scheduled meeting, select a candidate to fill the vacancy. The Commission Secretary shall send written notice of the successful candidate for appointment to the Mayor, pursuant to section 3313.10 of the Columbus City Code.
- D. A Commissioner who will be absent from a Commission meeting shall notify the Commission Chairperson prior to the meeting. A Commissioner who is absent from three Commission meetings between annual meetings without such prior notice to the Chairperson shall be deemed a resignation and notice of such shall be communicated to the Mayor or the Mayor's designee and the City Council. The Secretary shall send written notice to a Commissioner who has been absent from two meetings without prior notice to the Chairperson, informing the Commissioner that his or her absence without prior notification from one more meeting before the next annual meeting will constitute resignation from the Commission and notice of such shall be communicated to the Mayor or the Mayor's designee and the City Council.
- E. No Commissioner shall represent the Commission, except as specifically authorized by the Commission. This shall not be construed as a restriction upon the right of the individual Commissioners to represent their own views before public or private bodies, whether in agreement or disagreement with the Commission.

II. Officers

- A. The Commission shall elect from among its members a Chairperson, a Vice-Chairperson, a Secretary, and a Treasurer. The officers shall be elected at the annual meeting and shall serve for a period of one year, until the next July annual meeting.
1. **Chairperson:** The Chairperson shall be a voting member of the Commission, preside at meetings of the Commission, prepare the agenda for the Commission meetings, approve the spending of all funds, and, in consultation with the other Commission members, appoint chairpersons of standing and special committees of the Commission. No person who has served three consecutive full terms in the office of Chairperson shall be eligible for election to a fourth consecutive term in that same office, but shall be eligible for election to any office in subsequent years.
 2. **Vice-Chairperson:** The Vice-Chairperson shall perform the duties of the Chairperson in the Chairperson's absence or incapacity. In addition the Vice-Chairperson shall be the Commission's liaison with the Clintonville Resource Center and other public and private agencies in the Clintonville area that provide social services.
 3. **Secretary:** The Secretary shall maintain a file of minutes and such other records as the Commission may direct and shall send written notice to the Board of Zoning Adjustment or other appropriate entities of zoning-related actions of the Commission. The minutes of all Commission meetings shall be open to public examination. The Secretary shall perform the duties of the Chairperson in the absence or incapacity of the Chairperson and Vice-Chairperson.
 4. **Treasurer:** The Treasurer shall receive all monies and disburse all payments for the Commission as directed by the Chairperson; shall report on the financial condition of the Commission at each regular meeting; shall comply with the fiscal requirements within the memorandum of agreement with the City; and shall perform other duties as directed by the Commission.
- B. In the event that the Chairperson, the Vice-Chairperson, and the Secretary are absent or incapacitated, a Commissioner shall convene a regular or special meeting of the Commission, the first order of business being the election of a Chairperson Pro Tem to preside over that meeting.
- C. The Chairperson may appoint a Recording Secretary, subject to the approval of the Commission. The Recording Secretary shall record votes, take minutes of Commission meetings, distribute minutes and agenda to Commissioners and perform such other duties as determined by the Commission. If there is no Recording Secretary, the Secretary shall perform the duties of the Recording Secretary.
- D. The Chairperson may appoint additional officers deemed necessary to conduct the Commission's business, subject to the approval of the Commission. Additional appointed officers shall serve until the next January annual meeting.

III. Meetings

- IV. All meetings of the Commission shall be open to the public. The regular meetings of the Commission shall be on the first Thursday of each month. Each meeting shall be held in the Commission's normal place. The Commission may change the date, time, or location of the regular meeting, providing fifteen (15) days prior notice to the public except in the event of an emergency requiring immediate official action.
- V. The regular meeting in January shall be known as the annual meeting and shall include the election of officers.
- VI. Special meetings may be called by the Chairperson or by a majority of the Commissioners during a meeting. Special meetings may also be called upon written request of at least five (5) Commissioners to the Chairperson. The purpose of the meeting, the date, time, and location shall be stated in the call. Except in cases of emergency requiring immediate official action, at least three (3) days' notice shall be given for a special meeting.
- VII. The time and place of all regularly scheduled meetings and the time, place, and purpose of all special meetings shall be made available on the website maintained by the Commission. If no website is maintained, the Commission shall establish a reasonable method whereby any person may determine the time and place of all regularly scheduled meetings and the time, place, and purpose of all special meetings. The Commission Chairperson shall provide reasonable advance notification of Commission meetings and the agenda for Commission meetings via e-mail to any person who requests such notification.
- VIII. The quorum shall consist of a minimum of five members of the Commission. A majority of Commissioners present and voting shall be required to approve a motion, except as otherwise provided. Actions taken by the Commission shall remain in effect until amended or rescinded by subsequent action of the Commission, unless otherwise specified in these Bylaws.
- IX. In all zoning, variance, graphics and other special permit applications, wherever initiated, and in all matters in which Commission approval is requested by sources other than Commissioners, the issue shall be placed initially before the Commission by a statement by the Chair, of the form, "the question before the Commission is: Shall the application (request, proposal) for _____ be approved?" Once stated, this question shall immediately have the status of a main motion to approve, subject to amendment, refer to committee, and all other actions and dispositions that apply to such a main motion under Robert's Rules of Order Newly Revised. In particular, a motion to disapprove such an application shall not be in order. Except as provided under referral to the Zoning & Variance Committee, an affirmative majority of the quorum of the Commission shall be required for approval of all such applications, requests or proposals. The Secretary shall include the vote in any report of the Commission's action to City government bodies.
- X. The Chairperson may recognize members of the public who wish to address the Commission regarding issues under discussion. Time limits for such presentations may be set by the Chairperson in consultation with other Commissioners.
- XI. Dissenting or non-concurring reports may be filed with the Secretary by a Commissioner and shall be attached to the majority report.

IV. Public Hearings

Upon an affirmative majority vote of the Commission at a regular or special meeting, the Commission may hold hearings for specific purposes.

V. Committees

- A. There shall be six (6) standing committees to assist with the regular work of the Commission: Planning & Development, Zoning & Variance, Historic Buildings Committee, Technology and Community Relations, Greenspot, and Election. In the event a matter overlaps the area of two or more committees the Chairperson of the Commission shall have the authority to assign such issues to a specific committee, or charge two or more of the committees to work as a special committee for the issue.

Article X- Amendment of Bylaws

These Bylaws may be amended at any regular meeting of the Commission by an affirmative vote of two-thirds (2/3) of the Commission Members provided that the amendment was submitted in writing at the previous regular meeting. The Secretary

shall file any approved amendment immediately after its adoption with the City Clerk for publication in the City Bulletin. Such amendment shall take effect ten (10) days after such publication per C.C. 121.05.

It has been brought to my attention by the City Attorney's office related to the City code sections referenced below that Area Commission by-laws filed with the clerk (and for publication in the City Bulletin) need to be "certified" copies. To accomplish that, each of them (going forward) needs to have a signed statement from the Chairperson stating:

I, Vangela Barnes, Chairperson of the Greater South East Area Commission, certify the forgoing to be true and exact copy of the by-laws of this commission as adopted by the Greater South East Area Commission on the 5, day of August, 2022.
Signed: Vangela Barnes, Chairperson

*If the copy is accompanied by this certification statement, it would be considered "certified". Please also update the language to add that within the public notice for publication.
