However, where the supplier is the manufacturer of the product supplied, Bidders/Proposers will receive MBE/WBE credit for 100% of the dollar amount of the supply contract. The Office of Diversity and Inclusion (ODI) has the sole responsibility for determining what spend is eligible to be counted toward the contract MBE/WBE subcontracting goals and how it will be counted. At the sole discretion of ODI as to matters pertaining to the City's MBE/WBE Program, the bidder may be asked or allowed to clarify information in their response related to the MBE/WBE Program, or may be asked or allowed to correct an obvious error in the information submitted in the relation to the MBE/WBE Program, or may be allowed to submit required or corrected MBE/WBE Program forms after the proposal due date. A Bidder may still submit a bid if the Bidder's Utilization Plan does not meet the MBE/WBE goal. Legislation is being introduced that would set a standard for certain hiring practices among Columbus employers that will prohibit employers from asking applicants about their previous salary history and from using a credit score during the application process. The latter will have some exemptions. One of the ways that employers can address the issue of pay equity is by modernizing hiring processes to implement best practices that acknowledge the diverse circumstances of folks across the workforce. This helps to make Columbus a more equitable city for all people. Hearing will take place Tuesday, February 21st at 5:30pm in Council Chambers. To provide public or written testimony, email Amaris Lemus at ASLemus@columbus.gov <<mailto:ASLemus@columbus.gov>> by 4:00pm the day of the hearing.
