Notice/Advertisement Title: Request For Proposals: Psychometric Evaluation of Social Determinants of Health (SDOH) Screening

Contact Name: Grant Ames

Contact Telephone Number: 614-645-1508

Contact Email Address: Games@coaaa.org

The Central Ohio Area Agency on Aging (COAAA) is seeking proposals from qualified and experienced firms or individuals to conduct a comprehensive psychometric evaluation, including testing validity and reliability, for our Social Determinants of Health (SDOH) screening. We believe that a rigorous evaluation is crucial to ensure the effectiveness and accuracy of our screening in identifying social determinants that impact health outcomes for older adults and individuals with disabilities who require assistance with activities of daily living (ADLs). This is the continuation of an ongoing project that has completed the initial development phase.

The scope of this Request for Proposal (RFP) is limited to item refinement and instrument finalization (Content Validity Phase) and confirmation of the psychometric properties of the instrument (Psychometric Analysis Phase), including construct validity, reliability, and sensitivity to change/responsiveness. The purpose of this RFP is to facilitate selection of the most appropriate organization to complete this project.

The information included in the proposal will be evaluated by COAAA's Administrator, Katie White, and will be considered confidentially.

The proposal submission deadline is close of business on January 26, 2024. Your proposal (electronic document) should be submitted to kwhite@coaaa.org
