RFQ027339 - Water Reuse Study

The population of the Central Ohio area is expected to grow by more than 700,000 people within the next 25 years, which will increase demand on the City of Columbus's potable water supply system. To help the City meet these increased potable water demands, the Department of Public Utilities (DPU) is evaluating the use of non-potable reuse to supply water to existing and future industrial/commercial users, which in turn will reduce the demand on the potable water supply system. Examples of industrial/commercial users include data centers, industrial cooling, irrigation, and manufacturing. This project will support DPU's evaluation of non-potable reuse. RFQ027302 - Workers Compensation Third Party Administrator

The City of Columbus Department of Human Resources intends to enter into an agreement with a qualified offeror to assist with the Workers' Compensation program by providing cost containment services. The City of Columbus currently participates in the State Fund program. The City self-administers the majority of the claims management and hearing responsibilities, and so this RFP is for a limited service contract for TPA services. All requirements for this RFP can be viewed through the City of Columbus Bonfire hub at <https://columbus.bonfirehub.com/projects>. The reference # for this solicitation in Bonfire is RFQ027302. No bids submitted to this RFQ within the City of Columbus' Vendor Services Portal will be reviewed or considered. No paper or email bids will be accepted.

RFQ027430 - Bi-annual Bridge Assessments RFP

The City of Columbus Recreation and Parks Department (CRPD) owns and maintains over 109 bridge, boardwalk, and culvert structures, with the inventory continually expanding as CRPD advances its greenway trail program and constructs new parks and facilities. The CRPD bridge inspection program is dedicated to upholding the safety standards of bridges while also establishing dependable cost forecasts for future enhancements. Aligned with the protocols of the Ohio Department of Transportation (ODOT) bridge inventory and inspection program, CRPD's approach is tailored to meet its unique objectives and seamlessly integrates with its asset planning software, AssetPlanner™, developed in collaboration with Ameresco. This strategic alignment ensures that the program not only prioritizes safety but also optimizes resource allocation for sustained infrastructure improvements. The offeror is encouraged to propose scope modifications as they see fit. The scope and fee will be negotiated and finalized when an offeror is selected.  Inspect/Audit all CRPD bridges based on CRPD's Standard Operating Procedures for Bridge Inspection using existing Ameresco Asset Planner software.  Add new bridge data to Asset Planner software.  Update existing bridge data with updated audit information.  Update CRPD Standard Operating Procedures for Bridge Inspection, as needed.  Identify CRPD of any urgent and important safety concern with the bridges. Rules and Regulations regarding the use of Consent Actions on the Consent Agenda

**2.3 CONSENT AGENDA:** The following are the rules and regulations regarding the use of Consent Actions on the Consent Agenda:

- 1) The purpose of the City Council agenda is to provide an outline for the orderly and efficient conduct of their weekly business meetings. The agenda sets forth the specific items of business and the order in which Council will consider them. This helps all interested parties monitor and understand the actions City Council takes.
- 2) A consent action is a procedure, which when incorporated as part of the regular City Council agenda, is designed to facilitate *operational and non-controversial* matters on the agenda swiftly and efficiently. Use of a consent action will let City Council members conduct business more efficiently and help produce Council decisions which are open, responsive and accountable to the people of the City.
- 3) In accordance with Section 111.14 of the Columbus City Code, ordinances and resolutions to be identified as consent actions will be presented by the City Clerk to Council on the Agenda. As the agenda is prepared each week, Council and staff will recommend items for consent actions. Not all legislation is a candidate for consent action. **Legislation that will not be considered for a consent action include:**
  - a) Budget adoption
  - b) Legislation which will be amended
  - c) City Code Changes
  - d) Legal Settlements
  - e) Late agenda items
  - f) Legislation which is known to be Controversial
  - g) Labor Agreements and related instruments
  - h) Zoning legislation
  - i) Legislation that is planned as a topic of discussion during the City Council meeting

**\*\*Note:** The following legislation will also not be considered for consent action:

Expenditures of \$1,000,000.00 or more  
Waivers of competitive bidding  
Tax abatements  
TIF agreements  
Eminent domain actions

- 4) Consent action shall be taken only upon emergency legislation or second readings of 30-day legislation. Items identified as consent actions shall be read together as a group and approved with one motion and one roll call vote. A request by a member of council to remove legislation from consent action shall automatically be deemed granted without the need for a motion and vote of the entire Council.
- 5) The motion to approve or adopt shall be by reference to the assigned number of each ordinance or resolution so designated.
- 6) Any legislation approved as a consent action will appear in the minutes of Council and it shall be noted that it was approved as a consent action
- 7) The public’s ability to fill out a speaker slip and address Council concerning legislation presented as a consent action is not affected by this procedure.
- 8) To clearly identify the legislation that is proposed for consent action a header reading “Consent Actions” will appear after First Readings, but before “Second Readings of 30-day, Postponed and Emergency Legislation”. The Council President will present items identified as consent actions with the recommendation for approval by a single motion and vote. The balance of the agenda format remains the same.
- 9) Consent agenda procedures will be evaluated constantly for on-going improvement and changes as both Council and the public become more familiar with this legislative tool. Any changes to the Consent Actions format, use, and purpose will be published in The City Bulletin as amendments to these procedures in accordance with Columbus City Codes.

CENTRAL OHIO AREA AGENCY ON AGING

REQUEST FOR STATEMENT OF QUALIFICATION

COAAA STRATEGIC PLAN FOR SUCCESS

Introduction

The Central Ohio Area Agency on Aging (COAAA) is seeking Statements of Qualification (SOQ) from firms with a background in Strategic Planning who are interested in developing COAAA's 2024-2026 Strategic Plan for Success (SPS). The SPS will provide a roadmap for COAAA's preparation for mandated Federal and State policy and program changes to aging and disability services that begin January 1, 2026. Through the development of the SPS, COAAA will proactively plan for these necessary changes to continue to meet our mission and perform daily operations successfully in this new environment. The population of older adults and people with disabilities is growing and transforming, so must the programs that support them.

The Request for Statements of Qualifications (RFSQ) is available at <https://www.coaaa.org/cms/our-agency/requests-for-proposals> or by contacting the Project Manager, Grant Ames, at [games@coaaa.org](mailto:games@coaaa.org). The deadline for submission is Friday, May 31, 2024 at 5:00 pm EST.
