Incident Summary: On 04/18/2024 at approximately 12:43 a.m. a black Ford Fusion was traveling northbound on Phillipi Road passing through the Fisher Road intersection. The vehicle operator lost control of the vehicle which then exited the paved roadway on the northwest corner of the intersection. The vehicle continued in northwesterly direction across a grassy area and a paved parking lot, then crashed into an unoccupied, parked, single-unit truck. The final impact occurred in the area southwest of the intersection of Phillipi Road and Westward Avenue. The Ford Fusion sustained serious damage and the operator of the vehicle was transported to the Grant Medical Center in critical condition. The operator of the vehicle was later upgraded to stable condition and was expected to survive.

The Accident Investigation Unit responded to the scene to assist with crash scene processing.
