

City of Columbus - Department of Public Service

Division of Design and Construction Approved Producers and Products

February 26, 2024

The Approved Producers and Products List provides guidance for the City of Columbus construction projects. Submittal and approval on the project shall be anticipated per the contract documents. If the Producer or Product does not appear in this document, please contact the Division of Design and Construction Testing Section at 614-645-0426 for further assistance.
