

## Columbus Litter League FAQ's

1. My team has more than 20 players. Can they take turns cleaning up?

-A second team needs to be created if a team has more than 20 players.

2. Can I keep the supplies for the entirety of Litter League?

-As long as your team consistently cleans up, you can keep the supplies. If there has been a lapse of three weeks or longer between cleanups, you will be asked to return them.

3. Can the City pick up my bags after a cleanup?

-After each cleanup, you will report your cleanup stats using the Online Scoresheet. The form includes a spot to report the exact location of any bags needing collection. Bags will be collected 24-48 business hours after receiving the report.

4. Where will my team clean up?

-Each team captain and their team can decide where to clean. We encourage teams to clean consistently around the same area. If a team needs assistance selecting an area to clean, Keep Columbus Beautiful can provide suggested areas.

5. Can my child join me on a cleanup?

-Any child younger than 13 must be accompanied by a parent/guardian or a responsible adult over 18. The child's parent/guardian must sign the liability waiver before the child can participate.

6. I came across a site of large items (tires, bulk, illegal dumping, or homeless encampment). Can I clean this up and count it towards my score?

-No team is encouraged to clean up suspected illegal dumping sites, tires, bulk items, or homeless encampments. Should a team come across any of these, report it to the City of Columbus by calling 614-645-3111 or online at 311.columbus.gov.

7. How are points calculated?

-After submitting your cleanup stats and photo of your bags, you will be awarded 1 point for each full bag of litter collected. Only bags issued by Keep Columbus Beautiful will count towards points awarded. No tires, illegal dumping sites, bulk, or homeless encampment cleanups will be counted toward points awarded.

8. Will we get tickets to a Columbus Clippers Game?

-If your team cleans up regularly, you can join Keep Columbus Beautiful at a Columbus Clippers game. Each team player will receive two free tickets to a home game for them and a guest. Game dates will be announced after the start of the Litter League Season.
